Grand Worthy Vice-President John S. Parry announced that owing to the illness of Brother Thomas F. Grady, Grand Worthy President, the latter was unable to attend the session, and by virtue of his office as Grand Worthy Vice-President he would act in his stead.

The roll of officers and members was called, and a full quorum being present, the Grand Aerie was opened in Ritualistic form, after prayer by the Grand Worthy Chaplain.

The acting Grand Worthy President requested Brother H. H. Thompson, P. G. W. P., to obligate the new members and instruct them in the secret work of the Grand Aerie, which was done in Ritualistic form. Brother Thompson concluded the obligation by giving the motto of the Fraternal Order of Eagles, which is, "If I cannot speak well of a Brother, I will not speak ill of him.' At the same time Brother Thompson stated that any new members who had not been obligated at this time could take the obligation any day following at 10 o'clock in the morning.

The acting Grand Worthy President then turned over the gavel to Brother Del Cary Smith, P. G. W. P.

Grand Secretary Conrad H. Mann presented the Journal of Proceedings of the last Grand Aerie Convention held in St. Louis. Brother Thos. H. Greevy of Altoona Aerie No. 286, called attention to the fact that in the tabulated statement of votes cast at the last Convention his name did not appear, and he was informed by Brother Rex Goodcell of San Bernardino Aerie No. 506 that the ballot which Brother Greevy had cast last year was one of the four incorrect ballots cast, and had therefore been declared void by the tellers. A motion made by Brother J. L. Herget of Golden Gate Aerie No. 61 to make the necessary correction so that Brother Greevy's vote be counted, was lost.

Brother Frank E. Hering, P. G. W. P., stated in this connection that owing to the fact that he had lost his ballot last year he had made up a ballot on a slip of paper, being too busy to call on the Credentials Committee for another ballot, and therefore his ballot likewise had not been counted.

On motion of Brother Harry I. Mulcrevy of San Francisco Aerie No. 5, the printed proceedings of the St. Louis Convention were then adopted.

Brother J. W. Eggeman of Fort Wayne No. 248, Chairman of the Committee on Credentials, presented the following partial report of that Committee, together with a report of the Committee on Grievances and Appeals, to which Committee they had referred the matter of representation in the Grand Aerie of Philadelphia Aerie No. 42 and Newark Aerie No. 44, and moved that the report be adopted.

San Francisco, Cal., August 22, 1911.

PARTIAL REPORT OF THE COMMITTEE ON CREDENTIALS

To the Grand Worthy President, Officers and Members of the Grand Aerie, Fraternal Order of Eagles, in Convention assembled:

We, your Committee on Credentials, report that at the convening of this the Thirteenth Annual Convention of the Grand Aerie the members holding cards of admission issued by this Committee are entitled to seats in this convention.

Upon direction of the Grand Worthy President there was referred to the Committee on Grievances and Appeals the matter of issuing credentials to Philadelphia Aerie No. 42, and to Newark Aerie No. 44, and after perusing the opinions of said Grievances and Appeals Committee your Committee on Credentials adopts the same as a part of this report, which opinions are hereto attached marked respectively exhibits A and B. The Chairman of the Committee on Grievances and Appeals will reach such opinions as a part of this report.

Your Committee further reports that it is impossible at this time to submit a report giving a complete and accurate statement of all delegates to the Convention of the votes which they are entitled to cast for the reason that all delegates have not as yet received their credentials, and your committee therefore respectfully prays that it be granted a further extension of time in which to complete its duties.

Respectfully submitted,

JOHN W. EGGEMAN, Chairman.
JOHN J. HARRINGTON,
JAS. F. KELLEY,
JOHN J. BOHL,
EDWARD G. DAKIN,
Committee on Credentials.

IN THE MATTER OF THE CREDENTIALS OF PHILADELPHIA AERIE No. 42

The Grand Worthy President, the Grand Secretary and the Committee on Credentials have referred to this Committee the matter of issuing credentials to the representatives of Philadelphia Aerie No. 42.

We have the following state of facts, existing in the premises, on file before us:

First: The Grand Aerie of the Fraternal Order of Eagles, meeting at St. Louis in 1910, expelled from the Grand Aerie B. J. Monaghan, a member of the Grand Aerie and of Philadelphia Aerie No. 42, for dishonesty. This expulsion occurred after a trial before a commission of nine members of the Order, in open session, attended by all members of the Grand Aerie who desired to be present. The verdict of the trial commission, after this public trial, was unanimous, that said B. J. Monaghan was guilty of dishonesty in his conduct towards the Grand Aerie and this verdict was accepted by the Grand Aerie; and thereupon the Grand Aerie, on its own initiative, expelled the said B. J. Monaghan from the Grand Aerie and ordered his name expunged from the roll of membership.

Under the constitution, and by mandate of the Grand Aerie, Philadelphia Aerie No. 42 was directed to take all necessary steps to carry into effect this expulsion.

When the Grand Secretary received, immediately before the assembling of this Grand Aerie, the certificate of those entitled to seats in this Grand Body, members of Philadelphia Aerie No, 42, and those entitled to cast the vote of said Philadelphia Aerie No. 42, the astounding fact appeared that Philadelphia Aerie had inserted the name of B. J. Monaghan, as a member of this Grand Aerie, and had refused to abide by or to recognize the expulsion of said B. J. Monaghan by the Grand Aerie of 1910, and, moreover, did accredit to this Body said B .J. Monaghan as being entitled to a seat in this Body and entitled to cast the vote of the said Philadelphia Aerie No. 42.

At the time the said certificate was presented to this Committee, there was before it for action, an affidavit from Martin J. Frand, the manufacturer of the Metallic Eagles in use in our subordinate Aeries, in which affidavit the said Martin J. Frand stated, under oath, that he had agreed, in writing, with said B. J. Monaghan, to pay to said B. J. Monaghan, fifty-five cents apiece for said Metallic Eagles out of all moneys received by the said Frand from the Fraternal Order of Eagles, the said moneys to be paid by the said Frand to John Monaghan, a brother of said B. J. Monaghan. And at the time of making the affidavit, which is in the possession of this

Committee, the graft on the Metallic Eagles coming to said Monaghan and his brother amounted to $1,100.00 and the said graft promised to continue indefinitely.

It appears from the evidence before this Committee that said Philadelphia Aerie has ordered printed a book prepared by the said B. J. Monaghan, casting aspersions on the Grand Aerie of this Order and containing statements and accounts of the trial before the Grand Aerie of 1910, which are known to this Committee to be false; and in addition spreading to the world many of the secrets of the Order and making public many matters which Eagles are bound, by their oaths, to keep secret.

It is elementary law that a Body, such as this Grand Aerie, is the sole judge of those qualified to sit in its councils and to participate in its deliberations. Further, it is elementary law, that where a man or set of men exhibit defiance and contempt of and for the mandates of a body, that body has the legal right to refuse such defiant and contemptuous persons seats in such body.

It is the opinion of this Committee, that under the circumstances, in view of the defiance and contempt for this Grand Aerie exhibited by said Philadelphia Aerie No. 42, and particularly in view of the action of said Philadelphia Aerie in accrediting to this Body, as its representative, a man expelled therefrom for dishonesty, that the representatives of Philadelphia Aerie should not be certified to seats in this Body or be permitted to carry further their defiance and contempt for this Body.

We therefore recommend that the representatives of Philadelphia Aerie No. 42 be refused credentials.

EARL ROGERS,
Chairman.

FRED C. NAEVE,
Secretary.

IN THE MATTER OF CREDENTIALS OF NEWARK AERIE No. 44

The Committee on Grievances and Appeals, to which has been referred the issuance of credentials to Newark Aerie No. 44, respectfully report as follows:

It appears that the Grand Aerie, Fraternal Order of Eagles, meeting at St. Louis in 1910, expelled from membership for dishonesty Thomas C. Hayes and ordered the name of said Thomas C. Hayes stricken from the rolls of the Grand Aerie

Such Grand Aerie, at the session mentioned, directed that the case of Thomas C. Hayes—among others—should be referred by the Grand Worthy President to the Subordinate Aeries respectively, for action under the provisions of the Constitution.

It appears further that in compliance with the mandate of the Grand Aerie, Newark Aerie No. 44 investigated the matter of said Thomas C. Hayes, and pending such investigation, a Trial Committee was appointed from the members of Newark Aerie No. 44, which Trial Committee, after consideration of the evidence, found said Thomas C. Hayes guilty, and recommended his expulsion from the order.

It further appears that Newark Aerie No. 44 refused by a vote of 60 to 8 to accept the report of such Trial Committee and to carry out the instructions of the Grand Aerie.

The question referred to us—namely, is Newark Aerie No. 44 in such contempt of this Grand Body and so defiant of its mandates that it is not entitled to representation in this Grand Body, until it shall purge itself of such contempt—has been decided by this Committee after a full consideration not only of the facts of record, but of the representations and promises of its Past Worthy President and accredited representative and of the District Deputy Grand President, who have appeared before us. Such representative asseverates to us that the action of Newark Aerie was not, in any sense, intended as a contempt of this Grand Aerie nor was it intended as in defiance of its mandates; he asserts that the failure to expel said Hayes was due to a sympathetic desire by the members of Newark Aerie to avoid stigmatizing said Hayes unnecessarily and a sympathetic desire to save the wife and children of said Hayes great distress and pain. It appears to us in pursuance of such facts that said Hayes forthwith was dropped from the rolls of the Aerie for non-payment of dues, and now stands suspended from membership in the Order.

He asserts that he believes Newark Aerie will do all that is required by this Grand Aerie to carry into effect its mandates and will hold itself amenable to the orders and directions of this Grand Aerie in the premises; and he protests that the members of Newark Aerie No. 44 are loyal and devoted to the interests of the Order and altogether obedient to its laws; and that the action of Newark Aerie in the premises was only an ill-advised and ignorant attempt to let an offending brother "down easy."

That these representations and statements are corroborated by the representations of the District Deputy Grand President for that jurisdiction.

We find further that the accredited representative now seeking a seat in this Body, then the Worthy President of Newark Aerie, did all in his power to carry out the mandates of this Body.

Under the circumstances, and taking into consideration that this Grand Aerie desires only to maintain its authority and dignity and to secure compliance with the Laws of the Order—not to inflict punishment for punishment's sake alone—we recommend that Credentials issue to Newark Aerie No. 44, in accordance with the certificate on file with the Committee on Credentials, and that such steps as may be necessary to secure absolute compliance with the law by said Newark Aerie No. 44 be taken by the Grand Worthy President of the Order in the immediate future.

EARL ROGERS,
Chairman.

FRED C. NAEVE,
Secretary.

Upon a question of information by Brother A. W. Reddick of Snohomish Aerie No. 195 with reference to the affidavit mentioned in the report of the Committee on Grievances and Appeals in the matter of Philadelphia Aerie No. 42, this affidavit was read by Brother Earl Rogers of Los Angeles Aerie No. 102.

An amendment to the motion to adopt the report of the Committee on Credentials was proposed by Brother R. M. White of Seattle Aerie No. 1, that the Committee on Credentials inform this Grand Aerie during the afternoon session as to the total representation in this Grand Aerie. Brother John W. Eggeman, Chairman of the Credentials Committee, stated that it was impossible to state at this time the total representation in this Grand Aerie owing to the fact that all the credentials had not yet been given out, and they had not yet figured up the total vote.

In this connection the following resolution was introduced by Brother Harry I. Mulcrevy of San Francisco No. 5, which, after considerable discussion, on his own motion, was adopted.

RESOLVED, That the Committee on Credentials be and are hereby directed to print in pamphlet form the names of all delegates in attendance at this Grand Aerie, together with the name and number of their Aerie, and the number of votes each delegate is entitled to cast, and that the same be ready for distribution not later than the morning of Thursday, August 24th.

The report of the Credentials Committee was thereupon adopted.

Brother Thomas J. Cogan, Chairman of the Committee on Judiciary, presented the following report of that Committee pertaining to the rules to govern the Grand Aerie during this session, and the Order of business, and moved its adoption, seconded by Leo. I. Stock of Fresno Aerie No. 39.

To the Officers and Members of the
Grand Aerie, Fraternal Order of Eagles.

Brothers:

Your Committee on Judiciary submit for your approval herewith the following rules and Order of Business to be observed by the Grand Aerie in the regulation and transaction of such business as may be presented for its consideration during the session commencing Tuesday, August 22, 1911.

We are, in Liberty, Truth, Justice and Equality,

Fraternally yours,

THOMAS J. COGAN, Chairman.
WILLIAM J. BRENNEN,
V. T. PIERRELEE,
LINCOLN DAVIS,
W. L. GRAYSON,
Committee on Judiciary.

RULES

1. On call of fifty members of the Grand Aerie the ayes and nays on a question shall be taken and entered in the journal.

2. If a question has been indefinitely postponed, the subject matter shall not be considered again, except upon a two-thirds vote of the members of the Grand Aerie.

3. All the proceedings in conducting the business of the Grand Aerie not herein specifically provided for shall follow the rules as set forth in Cushing's Manual.

Upon motion of Brother Theodore A. Bell, P. G. W. This amendment was seconded by Brother H. H. Thompson, P. G. W. P., and the report of the Judiciary Committee with the amendment to be incorporated was thereupon adopted.

Upon motion of Brother H. H. Thompson, P. G. W. P., the Grand Secretary was instructed to have a copy of the daily proceedings of the Grand Aerie in printed form ready for the next day's session.

The following resolution was introduced by Brother John M. Newbert, of San Francisco Aerie No. 5, and upon a motion to suspend the rules in this case made by Brother Ed. Hirsch, of Baltimore, that this resolution be given immediate consideration, the same was adopted by a rising vote.

WHEREAS, Japanese competition on the Pacific Coast has reached an alarming stage, seriously jeopardizing the livelihood of American employers and workers, thousands of whom are brothers in our Order; and

WHEREAS, The success of this unfair and unequal competition is due entirely to the patronage of Japanese industries by the white people through lack of realization of the seriousness of the issue; and

WHEREAS, The Anti-Jap Laundry League is combating the inroads of the Asiatic in one great industry through a systematic educational campaign; therefore, be it

RESOLVED, That the Grand Aerie, Fraternal Order of Eagles, in grand session assembled, this 22nd day of August, 1911, endorses the crusade of the Anti-Jap Laundry League and advises all its members and friends to refrain from patronizing or employing Japanese in any way and to discourage such patronage and employment by others to the end that the fraternal principles of the Order may be fully carried out and that our sincere interest in the welfare of the white race may be conclusively demonstrated; and be it further

RESOLVED, That these resolutions be spread in full upon our minutes and a copy sent to each subordinate Aerie of the Order on the Pacific Coast and to the local press.

J. M. NEWBERT, No. 5.
D. J. CREAMER, No. 5.
JOHN L. HERGET, No. 61.

An invitation was extended by Fresno Aerie No. 39 to all delegates and members of the Order to visit their headquarters at the Goodfriend Hotel. A like invitation was extended by the Alameda Aerie, the San Jose Aerie, the Sacramento Aerie, Oakland Aerie and Napa Aerie.

Grand Worthy Vice-President Brother J. S. Parry again resumed the chair.

The next order of business being the presentation of the Reports of the various Grand Officers, Brother Frank E. Hering, P. G. W. P., Chairman of the Board of Grand Trustees, presented the report of the Board in printed form, reading a large portion of the same, and the same was thereupon referred to the Committee on State of the Order for further reference.

The report of the Grand Secretary was then presented in printed form, and referred to the Committee on State of the Order.

The Grand Treasurer presented his report in printed form, which was also referred to the Committee on State of the Order.

Brother Theo. A. Bell, P. G. W. P., Chairman of the Committee on State of the Order, announced that the Committee would consider the various reports and resolutions referred to them at their rooms in the St. Francis Hotel at 8 o'clock this evening, and invited all brothers interested to attend that meeting.

The Chairman of the Judiciary Committee, Brother Thos. J. Cogan, announced that if any brother desired to take up any matter with the Judiciary Committee, that Committee would be in session at four o'clock at the St. Francis Hotel.

The following resolution was presented by Brother Thos. H. Greevy of Altoona Aerie No. 286, and referred to the Committee on Resolutions.

WHEREAS, The official reports of the Grand Officers show that the expenses of all the departments have grown out of proportion to the increase of our organization and its revenues, and that the expenses of the Grand Aerie sessions are enormous and on the increase;

THEREFORE, Be it resolved, that a Committee of Five be appointed whose duty it shall be to suggest a method of retrenchment and reform of expenditures, and a means whereby some limitation can be placed on the expenses of each of the Grand Officers and their respective departments; and

RESOLVED, That the Committee report to the Convention at the earliest moment, and not later than Friday, and serve without compensation.

The following resolution was introduced by Brother H. A. Filler of Altoona Aerie No. 286, and referred to the Committee on Resolutions.

ALTOONA, PA., August 2, 1911.

To the Officers and Members of the Grand Aerie,
Fraternal Order of Eagles:

We, the undersigned officers of Altoona Aerie No. 286, Fraternal Order of Eagles, hereby certify that the attached copy of a resolution is true and correct. And that the said resolution was offered at a meeting of this Aerie held on this date. And that upon motion of Brother W. B. Ward duly seconded by Brother Conrad, the same was adopted.

E. L. SCHOONOVER,
Worthy President.

Attest:
CLYDE E. BROWN,
Secretary.

WHEREAS, The expenses of the national administration and of the Grand Aerie session of the F. O. E. have annually increased to such an extent, that the annual receipts from per capita tax and other sources are no longer able to meet the same, as is evidenced by the surplus invested fund having been drawn upon to meet the deficiency on several occasions.

THEREFORE, BE IT RESOLVED, That Thomas H. Greevy and H. A. Filler, who will represent Altoona, Pennsylvania, Aerie No. 286, at the San Francisco Convention, be and are hereby instructed to use all efforts to reduce the expenses of the national administrative offices and of the Grand Aerie Sessions; and

RESOLVED, That they be and are hereby instructed to make every effort to reduce the per capita tax from twenty cents per annum to fourteen cents, which would make the semi-annual per capita tax seven instead of ten cents.

Grand Aerie, Fraternal Order of Eagles,
San Francisco, Cal.:

Sickness prevents my presence; heartiest wishes for harmonious, successful session.

The Grand Secretary requested the various Session Committees to meet at the St. Francis Hotel at 3 o'clock in the afternoon.

Upon motion duly seconded, the Grand Aerie took a recess until 10 o'clock the next morning.

OFFICIAL CIRCULAR No. 78

New York, N. Y., September 26, 1910.

To the Officers and Members of the Several Subordinate Aeries of the Fraternal Order of Eagles:

Dear Sirs and Brothers:—

In this, my first official communication to the Order Universal, I avail myself of the opportunity thus afforded me to declare my grateful appreciation of the distinguished honor which has come to me through my elevation to the position of Grand Worthy President of our great Fraternity.

I recognize fully that with the honor there are associated responsibilities of a very grave character and far-reaching importance, and that in attempting to satisfactorily discharge the duties of the position I require the earnest and constant co-operation of the Officers of the Grand Aerie, and in equal degree that of the officers and members of the Subordinate Aeries.

I have a number of suggestions regarding the Order, its discipline and its work, and, as often as opportunity occurs, I will communicate such views in the future through Special Circular Letters designed to definitely fix attention on the subjects discussed.

The special purpose of this communication is to promulgate the amendments to the Laws of the Order adopted by the Grand Aerie at its Twelfth Annual Session, held in the city of St. Louis, Mo., August 22 to 27, 1910, and I deem it best not to include therein any subject other than the special one for which it is designed.

I deem it proper, however, to renew my pledge that the constant aim of my administration of the affairs of the Order will be to faithfully and impartially enforce the Laws; to continue the efforts to rid the Fraternity of all "Undesirables," and to promote by every laudable means the progress and stability of Subordinate Aeries.

In conformity with the requirements of the Laws of the Grand Aerie, I hereby promulgate the following:

AMENDMENTS TO THE LAWS OF THE ORDER

Grand Aerie Constitution

ARTICLE III.

EXECUTIVE

Sec. 2. The officers of the Grand Aerie shall be all Past Grand Worthy Presidents, Grand Worthy President, Grand Worthy Vice-President, Grand Worthy Chaplain, Grand Secretary, Grand Treasurer, Grand Worthy Conductor, Grand Inside Guard, and a Board of five Grand Trustees (of which Board the Junior Past Grand Worthy President shall be a member and chairman). All officers shall be elected annually except the Past Grand Worthy Presidents, the Junior Past Grand Worthy President, who shall be a Grand Trustee-elect for the ensuing term by virtue of having served to the end of the preceding term as Grand Worthy President. Their official stations shall be as follows:

The Past Grand Worthy President opposite the Grand Worthy Chaplain on the right-hand side of the room, between the Grand Worthy President and the Grand Worthy Vice-President.

The Grand Worthy President in the executive chair, at the head of the room provided for the meeting of the Grand Aerie.

The Grand Worthy Vice-President opposite the Grand Worthy President.

The Grand Worthy Chaplain on the left-hand side of the room, between the Grand Worthy President and the Grand Worthy Vice-President and opposite the Past Grand Worthy President.

The Grand Secretary and the Grand Treasurer on the right of the Grand Worthy President.

The Board of Grand Trustees on the left of the Grand Worthy President.

The Grand Worthy Conductor a little to the right and in front of the Grand Worthy President.

The Grand Inside Guard at the inner door.

The amendment to this Section consists in abolishing the provision for the succession to the office of Grand Worthy President by the Grand Worthy Vice-President, who served as such to the end of the preceding term.

Sec. 5. In the event of the death, resignation, absence from the country for over thirty (30) days, or failure of the Grand Worthy President to perform the duties of his office, the Grand Worthy Vice-President shall fill the vacancy and shall assume the duties, powers and prerogatives of the Grand Worthy President during such disability.

The amendment to this Section consists in omitting a provision regarding the Grand Worthy Vice-President not applicable by reason of the amendment to Section 2.

ARTICLE VII.

STATE OR DISTRICT AERIES

Sec. 5. The expenses incident to the holding of the first State or District Aerie and the expenses of the delegates attending the same shall be paid by the Subordinate Aeries constituting the said first State or District Aerie. In cases where State Aeries are already in existence, the actual expenses of the delegates selected to attend the same may be paid from the General Fund of the Subordinate Aerie.

The amendment to this particular Section is the provision in the last sentence permitting the actual expense of the delegates selected to attend State Aeries, WHERE THEY ARE ALREADY IN EXISTENCE, to be paid from the General Fund of the Subordinate Aerie.

Article VII in its entirety was amended by substituting the word "Aerie" for the word "Convention" wherever the latter word appears throughout the Article.

GRAND AERIE LAWS

ARTICLE I.

MEMBERS OF THE GRAND AERIE

Amended by adding a new Section known as Section 4, which Section reads as follows:

Sec. 4. No member of the Grand Aerie who has at any time been expelled from membership therein shall be admitted to any session of the Grand Aerie, whether claiming admission thereto as a representative of any Subordinate Aerie or otherwise, until such expelled member shall have been regularly reinstated to membership by the Grand Aerie.

ARTICLE VII.

DUTIES OF OFFICERS

Amended by making present provisions of the Article, Section 1 thereof and adding a new Section to be known as Section 2, which Section reads as follows:

Sec. 2. It shall be a violation of the Constitution and Laws of the Order for any Grand Aerie Officer (as provided for in Article III, Section 2, Grand

Aerie Constitution) to receive any compensation, directly or indirectly, for his services or in consideration of his action in the performance of his duty as such officer, other than as provided by the Laws of this Order; or be interested directly or indirectly in any contract for the furnishing of supplies to the Grand Aerie or any officer thereof.

ARTICLE XIV.

COMMITTEE ON STATE OF THE ORDER

Amended to read as follows: There shall be a standing Committee to be known as the Committee on the State of the Order, which shall be composed of five Past Grand Worthy Presidents. Its duties shall be to serve as a Committee on Distribution; and also to inquire into and consider the general welfare of the Order, and make report thereon to the Grand Aerie.

The change effected through the foregoing amendment is to restrict the membership on the Committee to five Past Grand Worthy Presidents. Heretofore all Past Grand Worthy Presidents in attendance at the Grand Aerie Session were included in the membership of the Committee. Another change is delegating to the Committee as hereafter constituted the work formerly assigned to the Session Committee on Distribution.

ARTICLE XX.

SURRENDER OF CHARTER

Section 6 of this Article is amended so as to read as follows:

Sec. 6. Should the condition prevail rendering it desirable to consolidate two or more adjacent Aeries, the Grand Worthy President may authorize such consolidation upon a petition duly presented under seal of both Aeries; provided, however, that such consolidation cannot be authorized so long as fifteen (15) members in good standing in either Aerie dissent therefrom, and file with the Grand Worthy President a protest against such consolidation. The expenses of such consolidation shall be borne jointly by the Aeries thus consolidated. All property of the Aerie merging its name and number shall become the property of the Aerie with which it consolidates with the exception of the Rituals, seal, perforator and charter, which shall be returned to the Grand Aerie.

The only amendment in the above Section is the provision including the "perforator," as among the property to be returned to the Grand Aerie.

JOHN S. PARRY, Grand Secretary
San Francisco Aerie, No. 5
San Francisco, Cal.

LIBRARY
OF THE
UNIVERSITY OF ILLINOIS

CONSTITUTION FOR SUBORDINATE AERIES

ARTICLE VI.

DUTIES OF OFFICERS—WORTHY PRESIDENT

Amended by adding thereto three new Sections to be known as Section 13, 14 and 15, which read as follows:

Sec. 13. He shall, at the last meetings of the Aerie in the months of February, May, August and November, appoint an Auditing Committee of three members from among those in good standing on the roster of the Aerie, who shall and must be qualified to make an efficient audit of the books and records of the financial officers of the Aerie, and it shall be his duty to aid such Committee as ex-officio member thereof. It shall be his duty to see that the Auditing Committee performs its duty in conformity with the instructions which such committee receives from the Grand Secretary, and which instructions are part of the Auditing Committee's Record Book.

Sec. 14. He shall attach his signature to the Semi-Annual Reports, which are submitted to the Grand Secretary for the terms ending December 1 and June 1 respectively, after satisfying himself as to their correctness.

Sec. 15. It shall be his duty to have all official circulars, which are sent to his Aerie, read at the next regular meeting and the reading of such official circulars shall be repeated from time to time whenever existing conditions make it necessary that such action be taken in the best interest of the members.

ARTICLE IX.

DUTIES OF SECRETARY

Sec. 1. Amended by striking out the word "attest," as applied to orders drawn on the Treasurer, and substituting therefor the word "issue." The Section now reads as follows:

Sec. 1. It shall be the duty of the Secretary to keep a full and complete record of the proceedings of the Aerie in books especially provided by the Grand Aerie; to read all reports, petitions and communications that may be presented; to assist in the transaction of the business of the Aerie; to write all communications; to fill out all certificates and cards granted by the Aerie; issue all summons and notices, which may require his signature to attest them, and to affix to all documents which may require it the seal of the Aerie, which shall be in his custody; to issue all orders drawn on the Treasurer for moneys directed to be paid by the Aerie, affixing the seal of the Aerie thereto; to notify the Grand Secretary and all Aeries within the State or Province where the Aerie is situated forthwith of the expulsion of members and the cause thereof.

Sec. 2 of this Article was stricken out and the succeeding Sections ordered renumbered. The present Section 2 reads as follows:

Sec. 2. In filling out transfer cards, withdrawal cards and official receipts for dues, except where a Financial Secretary has been elected, he shall in connection with the name of the Brother, express the rank which such Brother has attained in the Order. He shall, on the first day of December and June of each year make out a semi-annual report to the Grand Aerie as provided for by the Laws of the Order, and within fifteen (15) days thereof forward the same by registered mail to the Grand Secretary, and if notified by the Grand Secretary of any error in any of the said reports, he shall promptly respond and supply such information as will enable that officer to make the proper correction.

This Section is an amendment (to former Section 3) to the extent of requiring the mailing of the semi-annual report to the Grand Secretary within fifteen days of the first of December and June, respectively

Former Section 4 in an amended form is now Section 3, and reads as follows:

Sec. 3. He shall fill out an order on the Treasurer for moneys directed by the Aerie to be paid, affixing the seal of the Aerie thereto. Said order or treasurer's warrant shall be countersigned by the Worthy President, and the Treasurer, and when so signed by the Treasurer shall become a Treasurer's Check.

The purpose of the amendment is to make the Treasurer's warrant, after it is countersigned by the Worthy President and then by the Treasurer, a Treasurer's Check.

Former Section 5 of this Article is now numbered Section 4, and as former Section 6 has been stricken out, in again renumbering former Section 7 is now Section 5, and former Section 8, in an amended form, is Section 6 and reads as follows:

Sec. 6. He shall receive all moneys due the Aerie and shall pay the same to the Treasurer at the close of each meeting or on the next succeeding day and take his receipt therefor. In case of the absence of the Treasurer the Secretary shall deposit his collections in the bank in the name of the Aerie on the day after each regular meeting, and procure a receipt therefor, which receipt shall be exchanged for a Treasurer's receipt.

The amendment is to be found in the provision requiring the deposit of collections by the Secretary in the bank and in the name of the Aerie, in case of the absence of the Treasurer preventing the payment of such moneys directly to him.

Former Sections 9 to 15 inclusive are now numbered Sections 7 to 13 inclusive, and former Section 16 in an amended form is now Section 14 and reads as follows:

Sec. 14. He shall generally perform such duties as may be required of him by the Laws, Ritual and usages of the Order. It shall be his duty, after the last meeting of the Aerie in the months of May and November of each year, to render an itemized report of all receipts, expenditures, assets, liabilities, and changes in membership which have or may have taken place during the previous six (6)months, to the Grand Secretary, as provided for by Sections 2 and 4 of the revised Article, and which report shall be named officially "The Semi-annual Report." This report must give the correct figures as contained in the books of the Aerie on the following items:

First: The names and number of members initiated, admitted by card and reinstated during the term.

Second: The names and number of persons suspended for non-payment of dues, members withdrawn by card, persons expelled and members deceased.

Third: The exact number of contributing members carried on the roll.

Fourth: The names and addresses of the officers for the term and the names and addresses of those who have been elected for the succeeding term; also the day, hour, and place of meeting.

Fifth: An itemized account of all receipts from the regular sources of the Aerie, such as dues and initiation fees, constitutional fines as well as proceeds from Social Room or Buffet; also from social functions and any such legal enterprise which may have been arranged for and held under the auspices of the Aerie during the term.

Sixth: An itemized account of all sick and funeral benefits paid; of all moneys expended for special relief; compensation paid to Aerie Physicians; of all moneys expended for the maintenance of the Aerie as well as social functions and enterprises promoted for monetary gain; also an itemized statement of all expenses in connection with the Social Room and the cost of the maintenance of the Buffet.

Seventh: An itemized statement of cash balance on hand in the three funds authorized by the Laws of the Order, viz.: General, Social, and Emergency Fund.

Eighth: An itemized statement of the amount invested by the Aerie.

Ninth: A correct inventory and value of paraphernalia and regalia, also all other property of the Aerie within the Aerie room as well as Social quarters and Buffet. A correct account of all real estate investments owned in whole or in part by the Aerie.

Tenth: An itemized statement of all liabilities of the Aerie, also all other indebtedness and unpaid accounts.

Eleventh: The names of all Past Worthy Presidents in good standing.

Twelfth: The names of all rejected applicants.

Thirteenth: The amount of the bonds of the various financial officers and the name of the surety company issuing such bonds.

Fourteenth: The amount of the insurance carried on the building and furniture owned and controlled by the Aerie.

Fifteenth: The number of Rituals in the custody of the Worthy President.

Sixteenth. The amount of per capita tax enclosed in the report covering members in good standing.

Seventeenth: A statement signed by the Worthy President and the Secretary of the Aerie certifying to the correctness of the report.

The provisions of former Sections 17 and 18 in an amended form have been consolidated under a single section and now numbered Section 15, and reads as follows:

Sec. 15. In Aeries where a Financial Secretary has been elected, the duties herein referred to, pertaining to finances, shall be performed by the Financial Secretary; provided, however, that the Secretary shall attend to all the correspondence of the Aerie, and all official communications shall be addressed to the Aerie through him. He shall keep all records and entries of accounts in books especially designed and furnished by the Grand Aerie exclusively for such purposes, in ink. These books to be known as follows:

First: Minute Book, containing officers' roll-call and record of the various committees appointed.

Second: A record of all official receipts issued for moneys paid by members, known as "The Official Receipt Record."

Third: A record of all applications for membership received by the Aerie, and its action thereon, together with a record of all members suspended, withdrawn, expelled or deceased, which book acts at the same time as a book of Constitution, and, therefore, has to be signed by all members initiated.

Fourth: A record of all members reported sick and the details connected therewith, which information is necessary for the Aerie to have when acting upon the sick member's application for benefits. Also a record of all Visiting Committees appointed during the term.

Fifth: A Cash Book in which the receipts for moneys paid by the members shall be entered from the Official Receipt Record collectively, and the other receipts shall be itemized. Furthermore, all expenditures shall be entered together with the warrant number and must be classified and credited to the various branches of receipts and expenditures, so that the Aerie and any of its members may at any time ascertain the income or expenditures on any one of its revenues of income or liabilities.

Sixth: An Individual Ledger in which accounts shall be kept for each and every member by which the standing of a member can be ascertained at any and all times. In an especially designed part of this Ledger shall be kept account of supplies purchased for the Social Room and Buffet, as well as all other purchases made by the Aerie, and also accounts with other Aeries of relief extended or moneys advanced to members thereof; also accounts between the Aerie and the individual members of the home Aerie of similar transactions.

All of these books shall be kept posted up to date, and delivered to the properly appointed Auditing Committee, or to his successor in office when so instructed by the Worthy President.

Should the Secretary fail to comply with any part of this Section he shall be fined in a sum not to exceed five dollars ($5.00).

ARTICLE XI.

DUTIES OF TREASURER

Section 4 amended so as to read as follows:

Sec. 4. He shall deposit in the name of the Aerie in some reputable bank to be named by the Aerie, all moneys received from the Secretary. Said funds shall not be withdrawn from the bank except by Treasurer's Check, which shall be countersigned by the Worthy President. He shall forward or cause to be forwarded, monthly, and on or before the tenth day of each month, to the Grand Secretary, a statement showing in detail the deposit and withdrawal and said report must be signed by an official of the bank in which the funds are on deposit. Should the Treasurer fail to send his statement to the Grand Secretary on or before the tenth day of each month, the Grand Secretary shall notify the Worthy President of such failure, and a fine of five dollars ($5.00) will be assessed against such Aerie by the Grand Secretary, which shall be immediately remitted by the Aerie unless the Treasurer can prove to the satisfaction of the Grand Secretary that the delay in sending the bank statement was caused by his (the Treasurer's) fault. The Aerie shall collect this fine from the Treasurer.

The amendment to this Section extends the time for sending the bank statement to the Grand Secretary to the TENTH day of the month instead of the SIXTH day, as formerly, and imposes a fine against the Treasurer for any failure to send such statement.

ARTICLE XIII.

DUTIES OF AERIE PHYSICIAN

Section 1 of this Article was amended so as to read as follows:

Sec. 1. It shall be the duty of the Aerie Physician to attend, prescribe for and perform such minor surgical work as may be necessary on all members of the Aerie in good standing and their respective families, also all visiting members and their families without extra charge, except in cases of confinement and primary venereal or chronic diseases or disabilities existing at the time the member made application for membership. In all cases where the Aerie Physician, in the performance of surgical work, requires the attendance and co-operation of any other than another physician of the same Aerie, the expenses of such additional physician shall be borne by the member.

The only amendment adopted to this Section restricts the duty of the Aerie Physician to MINOR surgical work, instead of the former indefinite provision.

Section 7 of this Article was amended so as to read as follows:

Sec. 7. In case of failure or refusal of any such physician or physicians to attend any sick member or members of his family who may reside or be within the city limits or town boundary in which the Aerie is located, or who may call upon him at his office for medical services, the Worthy President shall have authority to employ some other reputable physician to attend to such sick member or members of his family, and the fees for such attendance shall be paid by the Aerie and an equal sum deducted from the fees of the Aerie Physician whose duty it was to attend upon such sick, and if such failure be a wilful one he shall be removed from office. Before the Worthy President shall agree to the employment of some other physician in the absence of the Aerie Physician, he shall satisfy himself that the Aerie Physician has failed or refused to do his duty in the case in question.

The amendment adopted is to be found in the last sentence, requiring the Worthy President to investigate as to any failure on the part of the Aerie Physician before engaging another physician to act instead.

ARTICLE XV.

DUTIES OF REMAINING OFFICERS

Section 1 amended to read as follows:

Sec. 1. The Outside Guard shall have charge of the outer room, taking the permanent pass-word from each member upon entering who has complied with the provisions of Section 1, Article XIV.

The purpose of this amendment is to devolve upon the Outside Guard the duty of taking the PERMANENT instead of the SEMI-ANNUAL pass-word from the members upon entering the Aerie Room, in conformity with the provisions of the Ritual.

ARTICLE XVI.

FINANCE COMMITTEE

Amended by striking out Section 3 thereof and adopting instead a new Article to be known as

ARTICLE XVII.

AUDITING COMMITTEE

to read as follows:

Sec. 1. The Auditing Committee shall consist of three members in good standing, and shall be appointed by the Worthy President as provided for by Section 13, Article VI, C. S. A., and it shall be its duty to audit the books of the Secretary, Treasurer, Trustees, and any other officers and committees through whom any financial transactions of the Aerie have been conducted and on the last meeting held in November, February, May and August render reports upon blank forms especially provided for that purpose and furnished exclusively by the Grand Aerie, and the auditing shall be done in conformity with the instructions to the Auditing Committee given in the printed forms contained in the front of the Auditing Committees' Quarterly Report Record, which instruction sheets are furnished by the Grand Secretary's office.

Sec. 2. It shall be the duty of the Auditing Committee to forward to the office of the Grand Secretary a duplicate copy of this report immediately after the audit, and not later than January, April, July and October 15, respectively.

ARTICLE XX.

APPLICATION FOR MEMBERSHIP

Section 6 of said Article amended to correct typographical error by substituting the word "must" where the word "most" was incorrectly used. The section reads as follows:

Sec. 6. Any person having passed his fiftieth birthday at the time of making application for initiation or for admission by withdrawal card, may be admitted as a non-beneficial member, but such member shall not be entitled to sick or funeral benefits, and he shall only be entitled to the services of the Aerie Physician, as provided for all other members. In making his application he must be required to pass the same medical examination required of all other members and to sign the waiver of benefits provided for such members in the application blank. He shall be required to pay the same dues and initiation fee and shall be entitled to the same rights and privileges as other members except sick and funeral benefits as herein provided.

ARTICLE XXI.

FEES

Section 4 of said Article amended so as to read as follows:

Sec. 4. Any member of an Aerie who has allowed himself to be dropped for non-payment of dues, fines or assessments may be reinstated upon proper application and election and upon the payment of such sum as may be fixed by the Aerie, but in no case shall this amount be less than ten dollars ($10.00), and this sum shall not include any advance dues of a reinstated member, which he must pay in addition to the reinstatement fee.

This amendment materially changes the terms and conditions under which a former member of the Order, dropped from the roll, may be reinstated.

ARTICLE XXII.

DUES

Section 5 amended so as to make it conform with Section 5, Article X, C. S. A. Section 5 of this Article as amended reads as follows:

Sec. 5. As soon as a member shall owe a sum equal to three months dues it shall be the duty of the Secretary to report his name to the Aerie and if the same is not paid within one month he shall at the next succeeding meeting be considered delinquent and his name must be dropped from the roll without further notice or action by the Aerie, and the Secretary shall announce the names of all members so dropped.

The amendment substitutes the word "three" for the word "two" in fixing the amount of indebtedness on the part of a member for which his name must be reported by the Secretary to the Aerie.

ARTICLE XXIII.

FUNDS

Amended so as to read as follows:

Sec. 1. The funds of an Aerie shall be divided as follows: General Fund, Social Fund, and Emergency Fund.

Sec. 2. The General Fund. The General Fund shall consist of the receipts from initiation and card fees, dues (except as hereinafter provided) and such fines or assessments as are provided for by the Constitution, rents and invested funds and such donations as may be made directly to the Aerie; also such other funds as the Aerie may appropriate for this purpose. This fund may be kept exclusively for the payment of sick and funeral benefits of any member of the Aerie or of any other Aerie entitled to the same, per capita tax, salaries of the Aerie Physician, and out of this fund shall be paid the salaries of officers and other running expenses of the Aerie, but such salaries of officers and other running expenses shall not exceed three dollars ($3.00) per year per member in good standing in the Aerie, except when the annual dues are larger than nine dollars ($9.00), when said sum may be increased in proportion to the increase of annual dues, and shall not include the expense of Buffet, social gatherings, bands or floral tributes. Provided, that nothing herein shall prevent an Aerie from using portions of this fund for investment in real estate and well-secured collaterals, the building and furnishing of a hall or home in which the title is vested in the name of the Aerie but not in any stock company or on any certificate plan, or for donations to deserving charity that may be caused by public calamity, or for assistance of members of the Order in distress when properly authorized. No Aerie, however, shall be allowed to invest any sum in real estate or assume any liability for periodical payments on real estate, if the same shall prevent the Aerie from retaining a per capita of five dollars ($5.00) in the General Fund. But this provision shall not be so construed as to impair the right of a Subordinate Aerie to meet existing obligations.

Sec. 4. The Emergency Fund. An Aerie may adopt a by-law provision increasing their dues above the minimum of seventy-five (75) cents provided by the Constitution, and if they so desire can set aside such increased amount or any part thereof, to be known as an Emergency Fund, out of which they may pay for the maintenance of hospitals, purchase of cemetery plots, or the payment of such relief not provided for by the Constitution which the Aerie may by vote designate. Donations of any and all kinds shall be paid into the Emergency Fund unless the donor may have especially designated in which Fund his donation shall be placed or to what specific purpose it shall be applied. They may also provide for band or floral tribute upon the decease of a Brother in such manner as the Aerie may, by resolution, equally regulate. This fund may also be used for such temporary relief of Brothers in distress as the Aerie may decide. But it shall not be used for

any kind of expense outside of such as would serve as relief in the case of a Brother in distress or in connection therewith. Any surplus money in this fund may be invested in interest-bearing securities, or may be transferred to the General Fund, but it shall be unlawful to transfer any such surplus to the Social Fund.

The amendments to this Article are very material and should be most carefully considered and observed. The former "Special Benefit or Emergency Fund" is given its restricted appropriate title of "Emergency Fund."

Section 2 restricts the disbursements for salaries of officers (other than Aerie Physicians) and all other running expenses of the Aerie (not including the per capita tax) to Three Dollars per year per member in good standing except when the annual dues are greater than Nine Dollars, when the amount for such salaries and running expenses may be proportionately increased.

Another important amendment prohibits an Aerie investing any sum in real estate or assuming any liability for periodical payments on real estate unless it be in a position in addition to such outlay to retain a per capita of Five Dollars in the General Fund. The only exception to a strict compliance with the terms of this provision is where such action would impair an Aerie's right to meet existing obligations.

No change has been made in the provisions regulating the Social Fund, except that any surplus in the Emergency Fund cannot be transferred to the Social Fund. The changes made in the character and revenues of the Emergency Fund are as plain as they are important and require no additional explanation.

ARTICLE XXVI.

THE OFFICIAL RECEIPT

Section 1 amended so as to read as follows:

Sec. 1. The Secretary shall acknowledge and receipt for all dues, fines, and assessments paid by a member and for all initiation fees or part thereof paid by an applicant, although he may not have been initiated or admitted to full membership, and for such purpose shall use the official receipt of the Order. Such receipt showing that the Brother's dues are paid to a later date than that upon which it is presented shall serve as a traveling card and be sufficient authority without other order for the Worthy President of any Aerie to communicate the semi-annual pass-word to the Brother after due examination and proof of his identity. Nothing herein shall be construed to prevent the Worthy President from giving the semi-annual pass-word to any member of his own Aerie in good standing and not owing a sum equal to one month's dues. Any Aerie not providing for an Aerie

Physician for visiting members shall endorse upon the back of its receipt the words, "The Aerie does not furnish an Aerie Physician for visiting members."

The amendments to this Article require the Secretaries of Subordinate Aeries to acknowledge and receipt for all moneys paid by an applicant for membership, on the Official Receipt of the Order. And further requires the endorsement on the Official Receipt of the member of an Aerie which does not provide for the services of an Aerie Physician for visiting members, of that particular information.

Section 4 amended so as to read as follows:

Sec. 4. Should a receipt become mutilated or unfit for issuance, it shall be preserved by the Secretary and submitted by him to the Auditing Committee together with the stub from which it was detached. The Secretary shall make an entry on the line bearing the corresponding number stating that this receipt has not been issued, together with reasons therefor. As soon as all the receipts in a book have been issued, the book of stubs with such receipts as are mutilated or unfit for issuance as aforesaid, shall be filed by the Secretary with the Trustees, one of whom shall endorse thereon the date the same is filed. Such used books of stubs shall be retained by the Trustees until they are demanded by the Auditing Committee for audit, and afterwards shall be destroyed or sufficiently marked to avoid confusion during subsequent audits.

The amendments to this Section are intended to provide for any receipts which for any reason may not have been issued by the Secretary, and afford a ready accounting for every official receipt furnished that officer.

ARTICLE XXVII.

CARDS

Section 2, Subdivision (a) amended so as to read as follows:

Sec. 2. (a) Any member in good standing for a period of six months, or any member who has been affiliated with a Subordinate Aerie for a period of six months and is in good standing, immediately preceding the date of his application, wishing to transfer his membership to another Aerie, shall apply personally or otherwise, in open meeting, for a transfer card. He shall pay all fines, assessments and other charges against him on the books of the Aerie and dues for such time as said card may be issued and fifty (50) cents for the card when the same shall be granted. The Aerie issuing this card shall be liable for all sick and funeral benefits to which the member may be entitled until four months after date on which his transfer card was issued. The Brother must state at the time of application for transfer card what city,

village or town and in what State the Aerie is located to which he wishes to be transferred. A Brother who is eligible for a transfer card may receive permission to transfer to an Aerie which is not the nearest adjacent Aerie to his home if he so desires. His dues will commence in the Aerie to which he is transferred from the date he is elected to membership and the responsibility of this Aerie for the payment of sick and funeral benefits will not commence until four months from the date the transfer card was issued.

The amendments to this Section extend the privilege of the Transfer Card to "any member who has been affiliated with a Subordinate Aerie for a period of six months and is in good standing IMMEDIATELY PRECEDING THE DATE OF HIS APPLICATION," and confer upon every member the further privilege of a transfer to an Aerie which is not the nearest adjacent to his home.

ARTICLE XXVIII.

FINES AND PENALTIES

Section 1 amended so as to read as follows:

Sec. 1. Any officer who absents himself from any regular meeting, unless he be absent from the city or sick, shall be fined fifty (50) cents for his absence and any officer except the Junior Past Worthy President, absenting himself from four consecutive meetings without excuse his office shall be declared vacant, except as hereinbefore provided. If the Worthy President be absent from the city for four consecutive meetings he shall, unless excused by vote of the Aerie, be considered as having vacated his chair, and the Worthy Vice-President shall succeed to it, the Aerie proceeding to elect another Worthy Vice-President. If the Junior Past Worthy President fails to attend he shall be fined the same as other officers, and the Worthy President may appoint some Brother from the floor at each meeting to temporarily fill the vacancy caused by his absence.

The amendment to this Section places it in the power of the Subordinate Aerie to depose or excuse by vote a Worthy President absent from the city for the period covered by four consecutive meetings of the Aerie.

ARTICLE XXXI.

TRIALS AND PENALTIES

Section 9 amended so as to read as follows:

Sec. 9. When, in the judgment of the Grand Worthy President, the affairs of an Aerie need investigation, he shall cause such investigation to be made, and upon such investigation having been made, if warranted, he shall file such charges against such Aerie or any member thereof as he may deem

proper, and the Grand Worthy President shall thereupon forthwith and from among the members of the Grand Aerie appoint a Trial Committee of three, who shall conduct the trial of such charges in accordance with the requirements of law, and the decisions of such Trial Committee shall be final unless reversed by the Grand Aerie. In case of a finding of guilty the penalty prescribed by such Trial Committee shall be enforced by the Subordinate Aerie, and it shall be discretionary with the Grand Worthy President to assess all costs incurred in such investigation against the Subordinate Aerie, if at fault, and collect the same in the manner provided for in the case of other constitutional fines. The provisions of this Section shall in no way abridge any of the powers of the Grand Worthy President elsewhere conferred by the Laws of the Order.

This amendment is intended to add to the powers of the Grand Worthy President in dealing with conditions in Subordinate Aeries detrimental to the general welfare of the Order.

A new Section has been added to this Article numbered Section 10 and reads as follows:

Sec. 10. Whenever the membership in any Aerie shall fall below thirty members in good standing, or when the General Fund of such Aerie, including its equities and properties, shall fall below five dollars ($5.00) per capita, or whenever the General Fund, equities and properties of any Aerie taken at a reasonable valuation fall below five dollars ($5.00) per capita, it shall be the duty of the Grand Worthy President to give to said Aerie and its members immediate notice of such fact, fixing a time within which the requirements designated by the Grand Worthy President shall be complied with. If said requirements are not complied with said Aerie shall be deemed to have surrendered its charter and the Grand Worthy President shall take such steps as he may deem necessary for the protection of the Grand Aerie and the individual members of such Subordinate Aerie in good standing. This enactment shall not effect Aeries until one year after institution.

The promulgation herein given to the foregoing amendments to the Grand Aerie Constitution, the Grand Aerie Laws and the Constitution for Subordinate Aeries, attaches to them the full force and effect of the Grand Aerie enactments and are to be accepted and obeyed as such until altered or repealed by the Grand Aerie in regular session convened, in such manner and form as the Constitution and Laws of the Order prescribe.

I hereby direct that this Circular Letter be read in its entirety at the two consecutive regular meetings of the Aerie next following the receipt of the same by the Subordinate Aerie.

With every wish and hope for the success of every Aerie within the jurisdiction, believe me,

Fraternally yours in L. T. J. & E.,

THOMAS F. GRADY,
Grand Worthy President.

Grand Secretary.

REPORT OF GRAND SECRETARY

Kansas City, Mo, Aug. 1, 1911.

To the Officers and Members Grand Aerie Fraternal Order of Eagles Assembled in the Thirteenth Annual Session in the City of San Francisco:

Sirs and Brothers—

It has been my pleasure to submit a report to the Grand Aerie for the last three years, and in these various reports I have attempted to point out certain evils and suggest from time to time remedies to eliminate these weak points in the fraternal system upon which the Fraternal Order of Eagles rests.

I am, therefore, of the opinion that insofar as it has been my privilege and duty I have done all that I could to assist in placing laws on our statutes that would have a tendency to perpetuate our Fraternity, and as this will be my last report, having firmly decided not to allow my name to go before the Grand Aerie for re-election, I will, if possible, speak a little plainer of the needs of our organization than I have ever done heretofore. I might err in many instances, for it is human to do so, but I ask each brother to regard such errors in the same light as he would want to be judged himself were he in my position.

I shall dwell in my report upon various subjects, but the one that is dearest to me is the beneficial part of our Organization, and I will attempt to prove that unless laws are enacted that will curtail the payment of benefits and place the beneficial department of our Organization upon a legitimate basis, it will be only a short time until extra assessments will have to be levied in the majority of our Subordinate Aeries to meet the ever-increasing demands upon the General Fund.

In accordance with a custom established many years ago, and in compliance with lawful provisions, I hereby submit to you my annual report for the term beginning August 1st, 1910, and ending July 31st, 1911, respectively, together, with a financial statement covering each transaction of the Grand Aerie, also, showing in a detailed and comprehensive manner the total assets of the Grand

Aerie, both as to actual cash and other resources, and in this connection I would draw the attention of the delegates to the fact that whatever this report contains is taken from the files of the Grand Secretary's office, and is such information, as has come to me during the four years that I have been the incumbent thereof. It is hardly necessary for me to state that any and all recommendations submitted in this report have received my careful consideration, and they are not the result of the impulse of the moment or of prejudice; to the contrary, they are the fruit of endless hours of hard labor and of a desire to serve our Fraternity to the best of my ability. The brothers should not forget the fact that all statistical records are taken from reports submitted to the Grand Secretary's Office by the various Subordinate Aeries and if, perchance, there should be any statements which would look extraordinary, or would have the appearance of being exaggerated, do not render hasty judgment, but investigate and, undoubtedly, you will find that I have used only such figures and data as has been furnished me by the Subordinate Aeries as heretofore stated.

I would again ask the brothers, as I did in my report submitted to the Grand Aerie at St. Louis, to be broad in your views and not judge the needs of the Fraternal Order of Eagles from a purely local standpoint. Let your action on any proposed legislation be such as to benefit every member connected with our Fraternity, whether he lives in the extreme West or East, North or South: we are a common brotherhood, and as such every man is entitled to the same consideration and services.

If we look at the record made by our Fraternity during the last few years, we must, indeed, congratulate ourselves upon the splendid showing made. While it was necessary in a great many instances to take drastic measures, and in a few cases entire Aeries had to be wiped out, in order to eliminate from our fraternal system those festering spots, which would ultimately endanger the entire structure, we have, nevertheless, not had to contend with anything, which has not fallen to the lot of any great fraternity during the first years of its existence.

Numerous Aeries have been compelled to surrender their charters, and I will speak of the whys and wherefores under a separate heading. We have added thirty Aeries to our roster; one Aerie has been reorganized; four Aeries have been consolidated with other Aeries; forty Aeries have surrendered their charters, and we have, therefore, 1,668 Aeries in good standing at this time.

Before I close this, which might be properly termed the preamble to my report, I have but one request to make, and that is that you

read this report carefully, study every statistical and financial statement submitted yourself; do not take the word of anyone. If in doubt on any of the figures or statements hereby submitted, come to the Grand Secretary's Office and I will be only too pleased to go over the matter with you in detail and will do my best to do justice to every inquiry which will be made, and only by so doing will you be in a position to represent your Aerie in an unprejudiced manner, and as it should be represented. Do not forget that your Aerie has sent you to this Grand Aerie Convention at a great financial expenditure; they expect results, and in a measure you are responsible for these results. Attend to all meetings promptly and do not allow any pleasures to interfere with your duties, for the brothers at home are entitled to the best that is in you.

CONDITIONS WHICH MUST BE REMEDIED IN ORDER TO ENABLE OUR FRATERNITY TO PRACTICE WHAT WE PREACH

If the brothers will kindly refer to the first report made by me to the Grand Aerie, when it met during the year 1908, at Seattle, they will find that I even at that time realized the dangers which confronted our Fraternity, and under the caption, "WHERE ARE WE GOING?" pointed out certain weaknesses in our fraternal system, and the committee on "Good of the Order," consisting of all of the Past Grand Worthy Presidents, very highly commented upon my recommendations and urged that same be enacted into law at the earliest possible moment.

On page 222 of the 1908 Grand Aerie Journal you will find the article heretofore referred to. In this article I pointed out that our Fraternity occupies a position among other fraternal bodies that is both novel and unique, and that this is entirely due to the unlimited extent with which charity and benevolence is extended to the members by the various Subordinate Aeries; and I also pointed out that while Constitutional provisions cover the payment of sick and funeral benefits, and while our laws actually fix the maximum of time for which a brother may be paid, it does not fix the maximum amount, nor do our laws even attempt to advise Subordinate Aeries what they safely can pay for a stipulated amount collected monthly for dues.

There is, perhaps, no fraternity that has on its membership rolls so many wage earners as has the Fraternal Order of Eagles. There is no denying the fact that hundreds and thousands of men have been attracted to our Fraternity on account of the social side of the fraternal life of our Order. However, investigation shows that at least 85 per cent of our members have affiliated themselves with

the Fraternal Order of Eagles for the sole purpose of protecting themselves and their families in case of sickness and death. This being true, it ill-behooves anyone to advocate laws which are not sufficient to protect the future of every Subordinate Aerie and every member under the banner of Eagledom.

Thousands of fraternal societies have fallen by the wayside during the last thirty-five years, and have left hundreds of thousands of men, women and children unprotected. It is an easy matter for a young man, or a man in the prime of life and enjoying the best of health, to affiliate himself with some other fraternity should the one with which he was affiliated, on account of its liberality in the early years of its life, become involved to such extent that it would be impossible for it to continue business and pay to its members that which its laws and precepts provide for; but how about the man who has passed the age limit, or through some misfortune has been crippled for life, or who is not eligible to membership on account of some ailment, which has befallen him since he was originally examined and passed by the examining physician? What will become of him and those near and dear to him? Will he not curse the very memory of an organization which he once loved and admired, and will he not be justified in so doing, because on account of lack of courage and backbone, the leaders of the organization with which he was affiliated failed to do their duty toward him and all others, as they were sworn and obligated to perform?

My first recommendation to the Grand Aerie in Seattle was followed by others, and the Grand Aerie that met in Omaha found that I had not changed my mind in the slightest degree as to the needs of our Organization, and especially regarding its beneficial features, and I was more than pleased that I had aroused the thinking members of our Fraternity to such an extent that a resolution was presented and passed providing for a "Beneficiary Commission," which commission was to investigate and report its findings to the Grand Aerie when it assembled at St. Louis. This report was written by myself, with the approval of Brother Frank E. Hering, then Grand Worthy President. It contains the true condition of our Fraternity; it points out the many weaknesses, which have crept into our fraternal system, and suggests remedies that, if applied at the proper time, will eliminate to a great extent, if not entirely, those weaknesses, which now endanger the very life of our Fraternity. In its investigation the most vital question confronting the commission was to determine the amount of sick benefits paid by the Subordinate Aeries, and necessarily with it a recommendation as to what could safely be paid by them for the amount of dues collected monthly, and the commission found the surprising fact that some Aeries were pay-

ing as high as $400.00 sick benefit for the paltry sum of $9.00 per year collected for dues. A number of Aeries were paying $350.00, others $200.00 and $150.00, down to the minimum, which was found to be $17.50. This, however, was only paid by one Aerie, and, therefore, had no bearing on the final result. The commission also pointed out that certain laws, which had been passed by the Grand Aerie in session at Omaha, and in particular, the law governing the payment of dues, had, to a great extent, been instrumental in safe-guarding the funds of the various Subordinate Aeries, and had a tendency and did protect the Aeries from the payment of illegal claims for benefits. The commission, also, pointed out that the payment of funeral benefits, while it seemed to be very small when dealt with individually, was of vast importance to the future of our Fraternity, and that this particular feature, as well as the payment of sick benefits, should and must be cared for in a more comprehensive manner, if we expect to perpetuate our Fraternity The commission learned, through the various reports submitted to them by the Subordinate Aeries, that a number of the Aeries even extended the payment of funeral benefits to the wives and other relatives of members.

The safeguarding of the funds of the Subordinate Aeries are very essential to the future of the Fraternal Order of Eagles, but the most serious problem confronting our Fraternity is that of the Aerie Physician. No report has ever been submitted by me in which I did not dwell at some length upon the fact that an Aerie Physician was in a position to either make or break a Subordinate Aerie at his own sweet will, and it is, therefore, very essential on the part of all Subordinate Aeries that none but the best of physicians be selected for that responsible position. You must not overlook the fact that it is he (the Aerie Physician) who recommends an applicant for membership; it is he who passes upon his physical condition; it is he who passes upon his claim for benefits, and it is he who is supposed to look after the physical welfare of every member, and if he properly performs his duties he can save the Aerie from the loss of thousands and thousands of dollars, where, to the contrary, if he neglects his duty, even in the slightest degree, it will mean the expenditure of a great deal of money and the final death and dissolution of the Aerie, which was destined to be a blessing to the community in which it formerly existed. It is almost impossible for a lay member to make any recommendations relative to the conduct of the Aerie Physician. I know of no other feature of our Fraternity that can be better cared for by Subordinate Aeries than this particular one. The members know the physicians, who are asking for their patronage; have, perhaps, lived with them in the same community for years, and it is, therefore, up to them to set aside good fellowship and to elect to the responsible position of Aerie Physician doctors

who have an unquestioned standing in their profession, and who are known to be men of integrity and unquestioned honesty and ability.

Of course I am fully aware of the difficulties which have been met by some of the Subordinate Aeries, especially during the last years, in securing an Aerie Physician of recognized standing and ability, due to the fact that medical associations, having been formed in the respective communities, demanded of their members a refusal of all so-called contract work, under penalty of denying professional consultation to the physician who wanted to remain loyal to his Aerie. For that very reason a law was enacted by the Grand Aerie permitting Subordinate Aeries who had been confronted by such difficulties, to enter into an agreement with a reputable physician, by which they would obtain for their members such rates that were below the usual charge for professional services; but when such agreements were presented to the Grand Worthy President for his approval, it was found in many instances that the terms thereof were utterly beyond the means of the Aerie to meet without exhausting the Aerie's finances within a very short time. Such Aeries have not yet formed the proper conception of the enormous liabilities which they will have to meet in later years, after their present members will have become subject to more frequent illness or worse, and if I were a member of such an Aerie I would rather advocate the entire dispensing with the Aerie Physician feature, by increasing the sick benefits in proportion, instead of employing a physician without recognized standing, or enter into a contract, the terms of which would necessarily within a short time bankrupt my Aerie's treasury.

Unfortunately the report submitted by the "Beneficiary Commission" was laid upon the table to be taken up at this session of the Grand Aerie, however, not until some laws had been passed tending to protect the General Fund of Subordinate Aeries. I say, unfortunately, because of the fact that if we work upon the wrong basis, the sooner this wrong is remedied and wiped out, the better it will be for all concerned. If I am wrong in my conclusions, then let us dispose of it and say no more about it, for the future will tell who erred. In former years I was, on account of my seeking re-election, perhaps, handicapped to a certain extent, but at this time no one can accuse me of trying to play politics, as I have announced my retirement from office to the Order some months ago, and even my worst enemy must truthfully say that any and all recommendations which I make in this report are made because I deem them necessary for the future welfare of our Organization, and because I have a desire to be of benefit to the members who have honored me time and again. I might err, but if I do, it is an error of the head and not of the heart. Delegates should not forget that they are not in the same position and

do not judge the needs of the Organization from the same view point that I do, because they have not been in daily touch with the 325,000 members of our Fraternity. I grant that there are certain conditions in certain parts of our country that make laws necessary, which could not be applied to Aeries located in other localities, but that should not be an incentive to allow conditions to exist, which we know are eating the life blood out of our Order, and will leave it a mere shell within a few years. There is no reason why certain laws, dealing with general conditions, cannot be adopted; and under the guidance of these general laws Subordinate Aeries, through the adoption of by-laws, can make these general laws apply to local conditions. Let us not forget that we are an international Fraternity, and that the brother living in British Columbia is just as much entitled to consideration as a brother who lives in the State of New York, and the most essential part of our Fraternity is to protect the man who needs protection, and he can be found anywhere and everywhere, regardless of creed or geographical lines. I trust, therefore, that should it be my good fortune to be able to revive interest in the "Beneficiary Commission Report," copy of which was sent to every Subordinate Aerie immediately following adjournment of the Grand Aerie at St. Louis, the brothers will at least take time enough to investigate and will not jump at conclusions, because the recommendations of the commission do not coincide with their own personal views. Remember that there are over 325,000 contracts in existence today between the Fraternal Order of Eagles on one side, and individual members on the other. Remember that these contracts are supposedly based upon the fundamental principles of Justice and Equality, without which no contract has ever been able to exist, and let us apply these principles to these contracts and guarantee the fulfillment of them when finally due. Do not forget that it takes almost $2,000,000 annually at the present time to pay sick benefits, and that in the face of the fact that we are only thirteen years old—what will it be five or ten years from now? You will say, "Let the future take care of itself," but you will live to regret that you have ever made such a statement. Let us apply the golden rule in all of our actions; let us be guided by that which is of the greatest good to the greatest number.

NECESSITY OF USING THE SYSTEM OF BOOKS PROVIDED FOR BY THE LAWS OF THE ORDER

Immediately following my election to the office of Grand Secretary at Norfolk, Va., September, 1907, and after assuming the duties of this most important office, I gave my undivided attention to the manner in which the records of the Subordinate Aeries were being kept. In other words, I attempted to determine whether or not

the system of bookkeeping then in use was sufficient and of such nature as to safeguard the finances of our Fraternity. That this was not an easy task no brother will deny, for it must be taken into consideration that we had at that time about 1,600 Subordinate Aeries in good standing, and practically every one of them used a different set of books, at least that was the conclusion arrived at by me after examining the various reports, semi-annual and others, which were submitted to me by the various Subordinate Aeries from time to time. I found that it was utterly impossible to gain any correct knowledge as to the needs of the various Subordinate Aeries, unless the key to the system of keeping the records was in the hands of the proper financial officer of the Grand Aerie, who has a supervising authority over all Subordinate Aeries, and I also realized that due to the very nature of these diversified systems of keeping the records of the various Subordinate Aeries of our Order, hundreds of thousands of dollars were squandered and a great deal of money was misappropriated by dishonest officials without the slightest chance on the part of the Subordinate Aerie to regain that which had been wrongfully taken from its treasury, for the reason that there was no way in which to determine how much money had been misappropriated, as no bonding or other surety company will consider a claim for refund of moneys illegally retained unless a correct account is furnished by the Aerie whose officer was guilty of defalcation, and having a desire to do what I could to remedy these evils, which no one can deny did exist, I was naturally more than pleased when the King-Doebler system of bookkeeping was submitted to me for my approval or disapproval, and when this system was before the Board of Grand Trustees for adoption during their meeting held in my office in the month of June, 1909, and when called upon to give an opinion as to whether or not I was in favor of this new system, I unqualifiedly stated that in my opinion this system of books was the best that had ever come to my knowledge, that it was best fitted for the needs of the Organization, and would do a great deal of good to eliminate those conditions, which I referred to in the opening paragraph of this article.

After the King-Doebler system had been officially adopted by the Board of Grand Trustees and after the Grand Aerie, in session in the City of Omaha, had approved of the action of the Board, these books became the official system of keeping the records of the Subordinate Aeries, and the delegates in convention assembled, representing more than 1,000 Subordinate Aeries, enacted laws for the guidance of Subordinate Aeries, in which were incorporated provisions making it mandatory upon Subordinate Aeries to use these books. During the month of November, 1909, a set of books was forwarded to all Subordinate Aeries, instruction sheets were sent to all Secretaries and other financial officers; they were, also, invited to corre-

spond with the Grand Secretary for any additional information, which they might be in need of in order to keep these books correctly, and I must say that a great majority of the financial officers of our Fraternity have complied with our laws. There are, however, numerous instances where the whims and opinions and wishes of a few Subordinate Officers are held in higher esteem than are the laws of the Order, enacted in regular Grand Aerie Sessions, and no brother will deny that as long as these conditions exist it will be almost impossible for anyone, no matter how much thought he may give the subject, to really get to the bottom of the true state of affairs of the Fraternal Order of Eagles.

That this new system of keeping the records should meet with objections was expected, and the claim has often been made and arguments have been brought to bear on this subject that Subordinate Aeries should be allowed to work out their own salvation and destinies without any interference on the part of the Grand Aerie. That this gospel is detrimental to the welfare of a fraternity no thinking member will deny. If we cannot have an international organization, governed by laws which are applicable to all members, our Organization will soon become the plaything of wily politicians, office-seekers and grafters. There is no denying the fact that a fraternity, consisting of numerous Subordinate bodies, is but a continuous chain, and that any weak link within the structure of this chain will endanger the entire system. It matters little by what name or number an Aerie is known, it is simply a unit, and as such plays an important part in the structure of our fraternal life. As I stated last year in order to keep our Fraternity in existence, and to establish its usefulness for years to come, each and every Aerie must be closely guarded and no loose methods must be permitted, which would result in the inevitable dissolution of any such Aerie so governed, because the Fraternity as a whole cannot possibly prosper, or even remain at its present strength and standing, unless each Aerie increases its membership and finances, and takes a step forward by establishing itself on a solid basis.

The safeguarding of the funds of the Subordinate Aeries are, next to the Aerie Physician, the most essential part in building up a future for our Fraternity, and why any honorable man should object to using records, which are deemed of the greatest importance, not by one man, but my hundreds of thousands of men, and why a small minority should refuse continuously to abide by the laws of the Order, just because certain provisions do not meet with their approval, and still claim to be good and loyal Eagles, passes my comprehension and understanding.

A fraternal organization is nothing more nor less than a stock company or corporation. In the Fraternal Order of Eagles we have

about 325,000 individual stockholders, each one of whom owns an equal share in the capital stock of our Fraternity, which might be termed "PROTECTION," and in order to keep this capital stock, known as "PROTECTION," intact, it is necessary that the men intrusted with the affairs of the stock company or corporation be placed in a position whereby they can judge whether or not the affairs of some of the branch offices, better known as "Subordinate Aeries," are cared for in such a manner as to meet the needs of the corporation as a whole, or the welfare of the entire number of stockholders. In other words, sentiment must not be allowed to predominate in a fraternal organization. It can be applied in individual cases, but it must not be allowed to govern an organization as a whole. It is all well and good to dwell upon the beautiful principles of fraternal life, but in order to carry out the principles for which our organization was called into being, it is necessary that we have the proper amount of cash to meet all the requirements. That may be the conclusion of a practical mind, but no one can deny that it will have the desired results, namely, alleviating suffering and satisfying hungry stomachs.

Numerous secretaries and other financial officers of Subordinate Aeries have claimed that this new system of books is so complicated that it is almost impossible for the lay mind to grasp its many details, and I have time and again attempted to prove that such is not the case, that, to the contrary, this system of keeping the records of Subordinate Aeries is simplicity in itself. The first requisite of a fraternal system of books is simplicity. No one realizes more strongly than I that it is almost impossible to get trained bookkeepers to keep the records of Subordinate Aeries, on account of the fact that the finances of the Subordinate Aeries would not allow them to expend a great deal of money for the services required of a secretary and other financial officers, and then again simplicity is necessary because these books must be examined four different times during a fiscal year by an Auditing Committee, and it can hardly be expected that three trained bookkeepers would give their time and attention to this work without good and sufficient compensation. The foregoing were the reasons why I recommended the King-Doebler system, because to my mind they contained the very essence of what is needed for a fraternal organization, and that I have been in some measure correct is best proven by the fact that since the King-Doebler system was adopted by the Fraternal Order of Eagles it has received favorable recognition on the part of at least half a dozen of the leading fraternities of this country.

That the books of the various officers are an absolute check upon one another, and that on account of this it is almost impossible, if the laws of the Order are complied with, for the officers to mis-

appropriate funds of the Aerie entrusted to their keeping, cannot be denied by anyone. This in itself should recommend the system, for were it not for temptation there would be no thieves, and when you wipe out temptation, you do a great deal to protect the brother, whom you have obligated yourself to protect, and you assist him in caring for his duties as the laws of the Order require. I have always regarded every man honest until the contrary is proven, and no honest man, in my opinion, will object to being surrounded by the proper safeguards, when he is called upon to handle money which is not his own, but, to the contrary, entrusted funds.

I now again desire to quote from the report submitted last year, because I cannot find language or argument which fits the case at issue more strongly than that employed in my last report. In another part of my report you will find enumerated about 350 Aeries that have surrendered their charters, and their untimely death, at least in the majority of cases, is entirely due to the dishonest actions of some of the financial officers, who used the sacred funds, which the Aeries collected for paying sick and funeral benefits, for their own gain, and thereby deprived thousands of men, women and children of that protection to which they are justly entitled and which they cannot afford to lose. In hundreds of communities the name of Eagledom is held in scorn, not because the members of Subordinate Aeries elected to fill the various financial offices were dishonest men; to the contrary, because of the incomplete and perplexing system of bookkeeping in use during the early history of our Order—a system which made it possible for men to go wrong, destroying by their acts entire Aeries, robbing hundreds and thousands of protection, bringing disgrace on those near and dear to them. Verily, these good brothers who are condemning a system, which will make it impossible for any man to go wrong, and which, to the contrary, has a tendency to wipe out temptation, and which has, furthermore, done a great deal to build up our Fraternity and perpetuate it, so that it may do the same for its members twenty years from now that it does at the present day, are preaching a peculiar fraternal gospel.

That this new system of books has met with almost universal approval needs no special mention on my part. It is true that at first many of the Secretaries and Treasurers, as well as Trustees and other financial officers, made complaints to my office, not so much on account of the intricate nature of the system (for such does not really exist), but because, like all reform movements, it had to meet and overcome certain opposition, and I venture to say that today there are less than 5 per cent of the financial officers in the entire Order who really have any serious objection to this system. Some of them are absolutely sincere in their objections, others have a personal grievance and are taking this opportunity to condemn the sys-

tem, which has proven itself so valuable and so adaptable to our Organization at large.

Before concluding this article, dealing with the system of keeping the records, I trust that I might be permitted to draw the attention of the delegates assembled to the fact that a fraternity, such as ours, is not organized for the purpose of meeting the wishes and requirements of a few secretaries and treasurers or other financial officers of Subordinate Aeries, who, like the Grand Officers, are the servants, not the masters of the members. I have filled the office of Grand Secretary for four years. I have given the Order the best within my ability. I have fought many a battle against friend and enemy, whenever the needs of the Organization required such action on my part. No action of mine has ever been intended to reflect upon the honesty or sincerity of any individual member of our Fraternity. Whenever I have attacked anyone it has not been the individual but the practice and the system in vogue. I realize that we are all human, and I know that some are weaker than others, and I am one of those that believes in doing justice to all, and as I stated last year, I believe that those who are by nature weak are entitled to my every consideration and assistance, but I also expect of those by nature strong their every co-operation. Let us work in harmony, and let us not forget that the Fraternal Order of Eagles has long passed that period where the welfare or the views of the individual member of an Aerie or of the Grand Aerie should even be considered when such would prove to be to the detriment of the Organization as a whole. Let us enact laws to meet the requirements of the great majority, and when once these laws are placed on the statute books of our Organization, let everyone who claims the protection of Eagledom abide by these laws until they are repealed and others put in place thereof. Let us forget our personal differences and work only for the uplift and upbuilding of the greatest fraternal democracy ever conceived by the brain of man.

PAYMENT OF DUES

As I have done in two other reports immediately preceding the present, I again must place myself on record as being utterly opposed to any change in the present law governing the payment of dues. I would not dwell upon this subject at all at this time were it not for the fact that there is opposition in certain Subordinate Aeries against the law, which makes it mandatory that the dues of a member must be paid in advance. As I have stated time and again, a fraternal organization is nothing more nor less than a business venture, and if we expect to make it a success we must necessarily work along certain well regulated and well established business principles.

That the present law, governing the payment of dues, has had a tendency to save a great deal of money for Subordinate Aeries, no one will deny; for a brother must be in good standing before he can receive that benefit for which the laws of our Order provide. In former years he was allowed three months before he was declared out of benefit. This naturally increased the liabilities on the General Fund of the Order, and while this particular change in the manner of doing business and paying benefits may be a hardship on the individual now and then, it will have a tendency to be of great benefit to the great majority.

I would also strongly urge that special efforts be made by the Secretaries to create a habit, if I might be allowed to term it such, among the members to pay their dues three months in advance. This is done by several Secretaries that I know, and has proven to be of great benefit, not only so far as lightening the work of the Secretary, but also showing a tendency to keep members paid up and in good standing, and I would strongly urge upon the brothers here assembled not to change any of the laws covering the payment of dues, unless it be to strengthen the present law, instead of weakening it.

BENEFITS

In my reports submitted to the Grand Aerie in session at Seattle, Omaha and St. Louis, respectively, I have dealt to a great extent with the regulation of benefits, and this particular branch of our Order might properly be termed the predominant feature, for the Fraternal Order of Eagles is distinctively a beneficiary society, and its plans and features are mainly those of the old German sick benefit societies. This is not intended to take any credit from the founders of the Order, who first outlined the policies to be pursued by the Fraternal Order of Eagles, but is simply used for the purpose of drawing certain conclusions, and in an attempt to prove that the conclusions are absolutely correct. As I have stated in another part of this report, also in previous reports, hundreds of fraternal organizations have fallen by the wayside, because during the early history of the fraternal era there was no data at hand to guide those in charge of these various organizations, and it was simply a matter of guesswork and living from hand to mouth. In other words, they done the best they could, that caused the downfall and the death of, perhaps, more fraternities than any other cause known to us at this time. There is, however, absolutely no reason why the benefits paid by an organization should not be governed by laws, which are adequate and which will enable the organization to pay that which it agrees to pay in twenty years from now, the same as it does at the present moment, and this experience has been gained from those

organizations heretofore referred to, who had no experience of others to guide them. Would it, therefore, not be a wise policy to take advantage of the knowledge gained and at this time, if necessary, curtail the payment of benefits to such an extent as will have a tendency to build up the General Funds of our Subordinate Aeries and place them in a position to meet all legal claims for all time to come?

There is hardly a speaker within the Order that, when called upon to deliver a public oration, does not dwell upon the great amount of good which our Fraternity has done for its members and their families during the last thirteen years, but I have often wondered why at the same time they failed to outline a policy and make recommendations, which would place our Fraternity on a working basis, where it could continue to do the same amount of good during the next fifty years, as it has during the past thirteen years. You must not forget that there is hardly an American citizen who is not approached at least several times during the year by someone representing either a fraternal organization or life insurance company, and it is urged upon him by these representatives to purchase protection which is lasting, and if we place in the hands of these representatives of organizations and companies, working on the same lines as does our Fraternity, information which they can use against us, then we are assisting them in keeping from our ranks desirable young material, which we must have in order to build up. It is no credit to any fraternal organization to spend practically two-thirds of its entire income for the first eleven years of its life for the payment of benefits—that shows a dangerous condition. It shows first, that the Fraternal Order of Eagles does not draw the lines when it comes to vocations, as is done by practically every fraternal organization now catering to public support. The man who is exposed to all kinds of dangers enjoys the same privileges and benefits within the Fraternal Order of Eagles as does the man who is more fortunately situated, and I am not urging any laws which would deprive such a man of his protection, but I do urge that in view of the fact that the Fraternal Order of Eagles is more apt, on account of its liberality, to be called upon to pay benefits, it should also surround its Subordinate Aeries with the proper safeguards to overcome this disadvantage.

A great deal of argument has been indulged in of late years relative to the best method which would solve the problem with which I am now dealing, and to some of the members of our Order I would like to say this: That individually it matters but very little what has been done by the Fraternal Order of Eagles during the past; the question which concerns you at the present day is, what will the Fraternal Order of Eagles be able to do in the future? And that question can be answered only by building up the finances of the subordinate Aeries. How would you like to be told after you had been

sick four or five weeks or, perhaps, the full time for which benefit is paid (thirteen weeks), when your physician sent in a certificate, that the Treasurer was very sorry, but that there were no funds available for the purpose of paying sick benefits? And let me tell you, right now, that this is not idle chatter, but such has actually been the case in several hundred Aeries, who have in the meantime surrendered their charters. Is it of any benefit to you and your family that John Jones five years ago was paid $100.00 sick benefit, when you and yours are starving for the want of payment of benefits, which are justly due you under the laws of the Order? I believe that it is a great deal better to pay benefits for ten weeks and pay it consistently, than to pay benefits for thirteen weeks and be inconsistent.

A fraternal organization, as well as any other business, must have leaders, whether they be known as Grand Officers or Officers of Subordinate Aeries, matters but very little. Leadership carries with it a certain knowledge of the affairs of either the Grand or Subordinate bodies. It cannot be expected that the membership in its entirety should follow the advice and heed the counsel of any or all of the leaders placed in power by the Subordinate Aeries or the Grand Aerie, but there is no denying the fact that a man may be a brilliant lawyer and a very poor judge of the needs of a fraternal society, the same as a fraternal leader would make a very poor lawyer; every man for his business. By this I do not mean to say that a Grand Officer, or set of Grand Officers know it all, but they have been in a position to judge the needs of the fraternity, not from a purely local viewpoint, but from a broader field of the general needs of the Fraternity. I am quoting the lawyer, not because I have any particular grievance against him; what holds true with him holds true with every other vocation in life. As I have quoted time and again, our Fraternity is but a corporation; the Grand Aerie session is nothing more nor less than a stockholders' meeting, where the officers and directors of the corporation are called upon to submit a report and give an account of their stewardship during the past year. The stockholders have a right to criticize whenever they deem criticism necessary; they have a right in their opinion to offer certain suggestions and apply certain remedies, which might have a tendency to eliminate certain existing defects; but they must not overlook the fact that they entrust their officers and directors with the management of their affairs, and that that very fact proves that they have confidence in the leaders which they have chosen, and it is due these officers that their reports are, at least treated with the proper consideration and respect. I again quote from my report last year for the purpose of illustrating, and I trust that the brothers will bear with me:

"A little explanation will, perhaps, enlighten the brothers to some extent. We will take, for example, an Aerie with a membership of one hundred, and we will take it for granted that said Aerie will not initiate another member and will not lose any member on account of suspension for non-payment of dues. This Aerie would have to pay in course of time the death benefits allowed under its by-laws, and if such death benefit is $100.00 in each case, it means that this small Aerie would have to pay in death benefits the amount of $10,000.00. Now, how about the sick benefits and incidental expenses which must necessarily be cared for from time to time, and the payment of such claims that naturally take from the sum which the Aerie is attempting to save or lay aside in order to meet the payment of death benefits? This goes to show that every Aerie, unless it regulates its income, will always have a greater liability facing it than it will ever be able to meet, and here again we come to the only alternative that is open to us if we reject the proposition of regulating benefits which accrue upon the members; and let it be said right here that no fraternal order has ever been able to defy the laws of mathematics, even though some (including our own Order), have been able to stave off disaster, and in the face of all disregard for the laws of mathematics, such as others have done before us, have been able to make somewhat of a respectable showing during the early years of their existence.

The only other alternative heretofore referred to is that we must increase our membership to keep down the average age; by so doing we naturally lessen the cost of protection, but as I have said to you in my report last year, we have at the present time over 300,000 members, and if we desire to keep our average age at what it is now, we must necessarily initiate during the next year 300,000 members who are one year younger than those now affiliated with our Order, or 150,000 two years younger, and so on, and no one will claim that that can be accomplished by our Fraternity, as it has never been accomplished by any other fraternity. There is, therefore, nothing left for us to do but regulate the payment of benefits in such a manner as to perpetuate our organization and to do justice to all members.

We are at the present time only what might properly be termed a "youngster" among fraternal organizations, but we have nevertheless, learned long since to stand on our own feet, and like a young man who establishes a home of his own, we must manfully face the problem of protecting and providing for the future and the rainy day and old age. I am a firm believer in legislation which will guide Subordinate Aeries in laws which will give them the greatest possible measure of "home rule," as it is termed by so many, but we

must not close our eyes to the fact that drastic measures are necessary to perpetuate our Order. While I am not in favor of establishing any law which would even in the slightest degree work a hardship on the men already affiliated with our Order, it cannot be denied that the age of the member at the time he is admitted should regulate and fix the amount of benefits he is to receive. A man at the age of 21 years, if he at that time affiliates himself with our Order, is entitled to more benefits for an equal amount paid monthly than is the man who joins at the age of 35, 40, 45, or 50. By regulating the payment of benefits, we do justice to all, and take a great step toward perpetuating our beloved Order. I am also strongly advocating that Subordinate Aeries should be given the privilege under the laws to say what each member shall pay, but that such law regulating the payment of benefits should simply fix the maximum and minimum, both as to dues collected and benefits to be paid.

My only reason for urging legislation along the line referred to is that the present available assets of the Subordinate Aeries are wholly insufficient when compared with the liabilities, and it is our first duty to regulate not only our income, but most important of all, our expenditures, in such a manner that a surplus may be accumulated by the Subordinate Aeries to do justice to the long-paying, long-living member. It must, however, also be realized that we cannot, as aforestated, make specific laws which would govern beneficial features, as a whole, as the personnel of the Aerie, its surroundings, and other good and sufficient reasons oftentimes will tend to, at least to a degree, allow the Aerie to defy the laws of mathematics and prosper notwithstanding such defiance and its natural consequences, but we can and should enact laws tending to economize and regulate.

Again, let us not place the wrong construction on the principle EQUALITY. No one should expect to receive what he is not willing to give in return, and there cannot be any Equality without Justice, and how can anyone justify actions which will protect 5 per cent of our members to the absolute detriment of the other 95 per cent? Our death rate has been extraordinarily heavy the last year, amounting to almost 10 per cent, and this year it will be still higher. Taking into consideration the age of our organization it should be less than 5 per cent. This heavy death rate is due to the many hazardous risks which are admitted to our Order, and to the very loose medical examinations which candidates are subjected to in most cases. However, with this I will deal in another part of my report.

I would strongly urge that every brother give the report of the Beneficiary Commission as much attention and thought as it is possible for him to do and then act accordingly, and to his own best judgment, realizing, however, that the Order at large is entitled to his every consideration as well as his own Aerie.

OFFICERS

Whether or not a subordinate body of a great fraternity shall prosper and gain for itself that recognition and standing in the community to which it is entitled and for which it was organized, depends largely upon how well the various officers, placed in power by the members of the Subordinate Aeries, perform their duties. I cannot think of anyone who is in a better position to build up a Subordinate Aerie than its Worthy President. By the average member an officer of a Subordinate Aerie is usually looked upon as a leader and adviser. He has been given certain powers by the laws of the Order and he should exercise these prerogatives to the best interest of the entire membership, and not in a manner which might gain for him the good will of a small minority only.

That the laws of the Order leave no doubt as to what is expected of each officer, especially when dealing with the duties to be performed, no one will deny, and before assuming the duties of the office to which a brother is elected, he should carefully read these laws and make himself familiar with every detail, so that he might not be found wanting.

To the Worthy President we must necessarily look for the enforcement of all laws. He should be free from prejudice, impartial in all his rulings and considerate in his every action, if he has really the welfare of his Aerie at heart. He must not tolerate anything done or said during the Aerie meeting that would reflect upon an individual member, or the Aerie, or Eagledom as a whole. It is, also, his duty to exercise his supervising authority over his fellow officers. He should make himself familiar with the books of the Secretary and, also, of the other financial officers, and he should see to it that all moneys collected are turned over to the proper officer, and are properly entered in the books of record furnished by the Grand Aerie for that purpose. He should be prompt in appointing committees, especially the Auditing, Finance and Visiting Committees, and he should make it his business to see that all of these committees perform their duties as the laws of the Order require, and render a report to the Subordinate Aerie within the shortest possible time, and he should, also, insist that any report which they might make be such as can be understood by every member affiliated with a Subordinate Aerie. He should, whenever possible, visit the sick brothers himself in order that he might learn whether or not those that he has appointed on the Visiting Committees have performed their duty, and have looked after the sick brothers or those in distress, as that is very essential to keep up the enthusiasm among the membership. I could go on indefinitely enumerating the various duties of the Worthy President, not only those provided for by law, but such as necessarily fall to his lot during

the course of his incumbency in office, but the foregoing, in a small measure, will serve to give the brother who is elected Worthy President an idea as to what is expected of him.

While I have stated that the Worthy President should make it his duty to look after the financial officers, I do not mean to imply that such officers need any special watching, but I am simply trying to give the brother, who might be elected, or who is now serving as Worthy President of his Aerie, an idea as to what the laws of our Order require of him. It is very essential to any Subordinate Aerie that the presiding officer should display the necessary amount of backbone; if he lacks in that, his administration most likely will terminate to be a farce, and it would be far better if he would resign from office.

The Auditing Committee, as aforestated, is one of the most important committees that can be appointed by a Worthy President, and they should be men that are qualified to perform the duties required of them, and the Worthy President should see to it that the proper report is submitted to the Aerie promptly. It must, also, be understood that anyone, serving on an Auditing Committee, should not allow himself to be swayed by sentiment, no matter what the facts may be that are disclosed by an audit; they should be reported to the Aerie, and let the Aerie deal with the offending brother. You are not serving the individual; you are serving the Aerie. It is very essential that the members of this Committee read the instruction sheet, furnished by the Grand Secretary's Office, very carefully, in order that they may be properly guided in their work.

Do not forget that upon the action and report of the Auditing Committee in a great many cases depends the future welfare and usefulness of the Subordinate Aerie.

The Board of Trustees should make it their special business to see to it that the funds of the Aerie are properly invested under the direction of the Aerie. If an Aerie maintains a buffet, such buffet is under their absolute supervision and control, as the laws of the Order provide. Official Circular No. 64, issued by then Grand Worthy President Theodore A. Bell, states as follows:

"An order is hereby promulgated by the Grand Worthy President that all of the property of an Aerie, including stocks, fixtures and funds of the buffets, must be at once placed in the possession and under the control of the Board of Trustees of every Subordinate Aerie maintaining a buffet, for which the Trustees shall be held responsible under their official bonds. It is undoubtedly the duty of the Trustees under Section 1, Article XIII, Constitution for Subordinate Aeries, to hold in trust the buffet property, and if the bonds of the Trustees are not sufficient to cover their liability, these bonds should be at once increased, by order of the Aerie."

Therefore, the Trustees should zealously guard the good name of the Aerie; they should not allow any boisterous language within the club rooms; they should not tolerate any intoxication; in fact, they should see to it that the club rooms of a Subordinate Aerie are conducted the same as they would conduct their own home.

I have received several complaints on account of not having the new telegraphic code printed on circular slips, as was done in former years, and to those to whom I have not been able to convey the reason for not printing this telegraphic code on circular slips and sending them broadcast, I will say that the only authentic cipher code is contained in the Worthy President's Ritual, and it is hardly necessary for me to add that this is the proper place for it. If this telegraphic code was printed and sent broadcast on thousands of printed slips, it would be only a short time until it would be public property and would be absolutely worthless and obsolete, so far as the members of the Fraternal Order of Eagles are concerned, and it must be, furthermore, realized that the secret code cannot be of any good to anyone, unless the Worthy President of the Aerie is fully advised as to what is wanted, as he is the power who must be dealt with while the Subordinate Aerie is not in session.

To the Secretary I wish to say but very little. I feel as though I am personally acquainted with each and every one of them, but I must again, as I have in former years, say to him that he plays a very important part in a Subordinate Aerie. He practically comes in daily contact with every member; he knows them all personally; knows their like and dislikes, and he can, oftentimes, by a little diplomacy, save a good many members from allowing themselves to become suspended. It is entirely up to him whether or not the suspended list shall be kept down to the minimum, and there is no denying the fact that no fraternity can exist if it suspends more members than it can add to its rolls. I would, also, urge upon him that he forward all orders for supplies more promptly, and that he use only the blanks furnished for that purpose by the Grand Secretary's Office. He should not overlook that it takes some few days before an order can be filled. especially on some of the more important supplies, such as official receipts, etc., and that it is needless for me to say that all orders are filled, if possible, on the same day as they are received.

To the members I wish to say that each and every one of them has a sacred duty to perform. They have obligated themselves to protect one another in sickness and distress; it remains with them to show by their actions that Eagledom is not only a pastime with them, but that they do realize that in a fraternity, such as ours, we practice what we preach, namely, practical Christianity, and apply the Golden Rule in all cases.

The Fraternal Order of Eagles at the present time protects hundreds of thousands of men, women and children. It is a question of whether we intend to act the good Samaritan in the future as we have in the past; it is entirely up to you, my dear brother.

BONDS OF FINANCIAL OFFICERS

During the last few years I have repeatedly pointed out to the Grand Aerie in regular session assembled the needs of a different bonding system, and in my last report, submitted to the Grand Aerie in session at St. Louis, I recommended that the Grand Aerie assume its own liability, but such was deemed unwise, illegal and not at all satisfactory by the legal talent present at that gathering. I have, therefore, nothing to submit at this time, but must again point out the necessity of taking prompt action, as the finances of Subordinate Aeries are not as well guarded as they should be in this particular direction.

THE ADMINISTRATION

My relations with the various Grand Officers has been of the most pleasant nature. I very deeply deplore the continued illness of our Grand Worthy President, Brother Thomas F. Grady, in whom I recognize one of the ablest men before the public today, and a man who has done a great deal for the Fraternal Order of Eagles during the past five years, having served as a member and Chairman of the Judiciary Committee during that time. He has done more than perhaps any other member to give to our Order the present code of laws. Knowing him personally, as well as I do, I feel that his one desire has been to be of benefit to the Fraternity, which has honored him, and that to a great extent his continued ill health, as aforestated, as well as his duties as a State Senator, did not allow him to give that service to our Fraternity which he would have given under ordinary circumstances. It is simply a case where he has done the best he could, and his every act should be regarded in that light by every thinking member.

Between the office of Brother Grady and my own the utmost harmony and goodwill has prevailed throughout the entire year. This can, also be said regarding the other Grand Officers, as well as the Board of Grand Trustees, and I sincerely trust that nothing will occur either at this Grand Aerie session or in the official family of the Grand Aerie, after such has been created by the suffrage of the delegates here assembled, that will in any way, even for a single moment, stop or retard the splendid growth of the Fraternal Order of Eagles.

INSURANCE DEPARTMENT

The relations with the Insurance Departments have been very satisfactory. We have been called upon by but one Insurance Commissioner to submit a report, and I see no reason why any action should be taken by the Grand Aerie which would have a tendency to

create an issue between the Fraternal Order of Eagles and the various Insurance Departments of the different States and Territories, as most of them have classified our Organization as a Fraternal Beneficiary Society; that is the proper classification and we are entitled to same.

BUFFETS

One of the weak points in our fraternal system is the Aerie buffet or social room. It is needless for me to say that a well conducted buffet or social room can be of great benefit to an Aerie, but it can, also, be used as an instrument to destroy the usefulness of the Aerie entirely if not conducted properly. It is simply a matter as to how well the officers and members of the Subordinate Aeries look after the affairs of the buffets. As stated in another part of my report, the buffet proper should be placed under the direct supervision of the Board of Trustees, and they should be held responsible for the proper conduct of such buffet under their official bonds, and they should see to it that the buffet is managed the same as they would conduct their own business. If a steward is placed in charge, he should be placed under a bond. He should be held strictly accountable for all items charged and every sale made and should make a report to the Aerie every week. The key to the cash register should be in the hands of the Trustees. The cash should be turned over to the Secretary daily by the steward, or whoever may be in charge of the buffet, and he should take the Secretary's receipt therefor, which can be checked up by the cash register whenever same is examined by the members of the Board. During the past in a great many instances moneys that were collected for the purpose of paying sick and death benefits have been squandered for intoxicating liquors and the furnishings of social rooms and buffets. While this is a violation of the laws of the Order, it has, nevertheless, been tolerated in a great many instances by the members of Subordinate Aeries, and this has mainly been due to the fact that a few unscrupulous brothers, who cared more for a day's pleasure than they did for a lifetime protection, arose on the floor and informed the members that it was none of the Grand Aerie's affairs how a Subordinate Aerie might spend its money. That such argument has proven costly in every instance can best be shown by the list of dead Aeries reported in another part of my report. I do not want this construed as though I was opposed to the buffet; because I am not. I believe that every member is entitled to all of the pleasure he can get out of life, and, if possible, a little bit more, but no member should be guilty of an act, or should the Aerie as a whole be guilty of anything, which would bring disgrace upon the Fraternity which we have sworn to love and honor at all times. If buffets must be established, let them be established under a separate heading, namely, that of the social fund; let us not allow false doctrines to lead us astray; we are primarily a beneficiary society and not a social club.

In order to have this report printed in sufficient time it was necessary to close this statement while quite a number of semi-annual reports were still outstanding, and the estimate of 9,000 members of Aeries having failed to report is very conservative. However, I wish to point with pride to the splendid increase in the total membership over last year, when I reported 306,664 members, while now I can report 317,759, a gain of over 11,000, which is certainly a great achievement.

NOTE:—The above financial statement of the receipts, disbursements and assets of the Subordinate Aeries is not entirely complete, due to the fact that quite a number of Aeries had failed to submit their semi-annual reports on July 15, at which date I had to close my books. Since then the number of delinquents has gratifyingly decreased, and if these additional reports could be added to the above tables they would to some extent increase the total assets of the Subordinate Aeries.

HISTORY OF THE ORDER, SHOWING FINANCIAL STANDING FROM INCEPTION TO DATE

The following contains various tabulated and comparative statements, giving evidence of the financial growth of our order from its inception up to the present time, by showing the sums collected from the members for dues, initiation fees, etc., and the total amounts expended for benefits and relief, as well as other expenditures. To make these huge figures more plain to the average mind I will point out that the business transacted by the Subordinate Aeries during the past year exceeds the five million dollar mark, and that close to one and one-half million dollars was spent for benefits and relief. The total receipts of all Subordinate Aeries from the inception of the order until the present time amount to $30,159,949.17, while one-sixth of this sum, namely $5,105,772.51, has been taken in during the last year. The order has expended for sick benefits during the whole time of its existence a sum exceeding four and a quarter million dollars; last year alone $772,708.52 were spent to assist sick brothers, almost $100,000.00 more than in the year 1910. The total amount paid out for benefits and relief, together with all other running expenses, not including investments, has grown to the sum of $26,621,085.13, of which $4,908,799.89 were paid out last year. The available assets of our order for cash on hand, invested funds, buildings, real estate, furniture, paraphernalia, etc., amount to $6,748,019.63. The total number of contributing members at the close of the June, 1911, term is 317,759.

Such figures need no comment, as anyone will realize that the Fraternal Order of Eagles has made history which, considering the comparatively short time of its existence, stands without parallel in fraternal life.

SUPPLY DEPARTMENT

During the last fiscal year this office has disbursed a large amount of supplies, and, as I have stated time and again, I am now, as I always have been, of the opinion that the Supply Department, as maintained by the Grand Aerie, is of great benefit to the Subordinate Aeries, as well as the Order at large, proving that it is handled on a business basis in every particular. We have forwarded during the last year in the neighborhood of 15,000 packages to various Subordinate Aeries. If you take into consideration that these packages are valued from 30c on up, you can easily guess what a great amount of labor and detail work is required to maintain this department.

The profit on supplies sold during the past year has been fair. It must not be overlooked that in the last few contracts that have been let by the Board of Grand Trustees quality has always been the first consideration, and they have attempted to sell supplies to Subordinate Aeries at the lowest possible cost. I do not care to go into details to any great extent, but any brother that might come to Kansas City I would advise to come to the Grand Secretary's office and investigate for himself, and be convinced that every department of that office is handled on an absolute business basis, and that neither sentiment nor favoritism is shown even in the slightest degree.

LETTERS AND CIRCULARS

During the last year over 300,000 communications have either been forwarded or received at this office, and that this entails a great deal of labor no one will deny, and I would invite the attention of the delegates to the correspondence, which can be found in the Grand Secretary's office, located in the St. Francis Hotel. If anyone is under the impression that the foregoing statement of handling the number of circulars and letters is exaggerated, he will soon become convinced by personal inspection that for once in his life the Grand Secretary has told the truth. I want to say again, as I have stated in former years, and I say it without any egotism on my part, that within twenty-four hours from the time a letter was received an answer was on the way to the writer, and if there has been any delay, it is entirely due to the correspondent and not to anyone connected with the Grand Secretary's office. Although the work has increased nearly 80 per cent since I first took office, the office of the Grand Secretary has been handled at a very slight increase in cost to the Grand Aerie. It is simply a matter of system.

NUMERICAL STANDING OF THE ORDER BY STATES

The following is a table giving correct information as to the comparative standing of the years 1909, 1910 and 1911, showing the number of Aeries and the total membership of each state.

Pennsylvania and Ohio have made the largest gains, of 3,000 and 2,200 respectively, while California reports a small gain, still retaining second place. Washington almost held its own, while Massachusetts and Indiana report small gains. New York has taken seventh place, passing Illinois; and Minnesota has dropped from thirteenth to fifteenth place, surrendering its former position to Missouri, which has passed both Minnesota and New Jersey by increasing its membership by 400. Connecticut reports an equal gain, and Texas has passed Montana and Nebraska. Virginia has taken a place next to West Virginia by increasing its membership by 600 and passing Oklahoma and Idaho. British Columbia has made a nice gain and advanced from twenty-eighth to twenty-fifth place. Other states remain in practically the same position.

The membership shown in this table is highly satisfactory, and it proves that the Fraternal Order of Eagles continues to gain in its efforts to become the strongest and most influential fraternity in this great land.

The following is a list of Aeries whose membership exceeds 1,000, and in comparing it with last year we find that Seattle Aerie No. 1 has again taken second place, owing to the fact that Golden Gate Aerie No. 61 has dropped 481 of its members during the past year for N. P. D. Cleveland Aerie No. 135 has advanced from seventh to fourth place, having increased its membership by almost 500, and Buffalo No. 46, by showing an increase of over 600 members, now ranks as the sixth largest Aerie, against the fourteenth last year. Other Aeries which made a notable increase over last year are Milwaukee No. 137, increase 406; Bridgeport No. 420, increase 247; St. Anthony No. 1247 and Lawrence No. 216, the latter two having attained their ranks in this class by almost doubling their respective membership last year. There are now 21 Aeries in this class, against 20 last year, Butte No. 11 having dropped to second class, and the total membership of these 21 Aeries shows 33,050, against 30,666 in 1910, an increase of 2,384.

AERIES OWNING THEIR OWN HALLS OR REAL ESTATE

In listing herewith the Subordinate Aeries who own their Halls or have part of their funds invested in Real Estate, I desire to call attention to the most gratifying increase over last year in the number of Aeries and the total invested. We have reports from 262 Aeries against 203, and the total amount of money invested in Buildings and Real Estate reaches the magnificent sum of Two Million Six Hundred and Eighty-five Thousand Five Hundred and Fifty-two Dollars and Fifteen Cents, or almost Six Hundred and Thirty-three Thousand Dollars more than last year. This sum may be still increased, as some Aeries may have failed to list their holdings in their reports.

ORGANIZING DEPARTMENT

The following statement gives the number of Aeries newly instituted throughout the United States and Canada during the term from July 25, 1910, to July 15, 1911, and again the State of Texas is by far leading, thirteen Aeries having been added to its already splendid membership.

AERIES INSTITUTED DURING PAST YEAR

Texas	13	Wisconsin	1
British Columbia	4	Indiana	1
Illinois	2	Montana	1
Iowa	1	Missouri	1
Michigan	1	Pennsylvania	1
Arkansas	1	New Jersey	1
Louisiana	1	Wyoming	1

AERIES INSTITUTED JULY 25TH, 1910, TO JULY 15TH, 1911

The following table gives a tabulated statement of the Receipts and Disbursements of the Organizing Department and the Profits realized from this particular branch, which are very small this year, owing to the fact that only 30 new Aeries were instituted. However, I must call attention to the fact, that the Charter fee received from Alpine Aerie No. 1943 and Negaunee Aerie No. 1944 were accounted for during the fiscal year ending July 25th, 1910, while those Aeries are listed in the 30 new Aeries of this year, and thereby the actual profits of the Organizing Department during the year 1911 are $550 higher than shown in the following statement. Still these profits are very small, if we consider the labor and time of the shipping clerk, bookkeeper and bill clerk in preparing and recording an outfit for a new Aerie; not speaking of the time consumed by conducting the necessary correspondence which precedes the organization and institution of a new Aerie.

Receipts

From charter fees	$7,700.00	
Total		$7,700.00

Disbursements

Paid to D. G. P.'s	$3,500.00	
Supplies at institution	2,649.35	
Express, freight and cartage	368.47	
Supplies furnished D. G. P.'s, stationery, express and postage thereon	110.51	6,628.33
Profits realized		$1,071.67

FRATERNAL PRESS

The various journals printed in the interest of the Fraternal Order of Eagles have done a great deal in the last year to establish the Order upon a firmer basis. It is needless for me to mention any one of these journals in particular, but I must again, as I have done in former years, warn the members of the Order not to patronize any of the wild-cat schemes that are sprung at all times upon an unsophisticated and trusting membership by a few speculators, who have neither money nor reputation to lose, but who can do a great deal of harm to those legitimate journals and the men in charge thereof, who have given unsparingly of their money and time to give to our Fraternity that class of reading matter which is so needful for the future prosperity of our Order. There is a roll of honor even among these fraternal journals, and while I do not care to render judgment on any of the papers printed in the interest of the Fraternal Order of Eagles, I wish to say to the membership that they cannot make any mistake in supporting:

The Eagle Messenger, printed at Columbus, Ohio.

The American Eagle, printed at Kansas City, Mo.

The Eagles' Aerie, printed at Los Angeles, Calif.

The Mid-West Eagle, printed at South Omaha, Neb.

It is not within my province to either comment or criticise upon the various editorials that have appeared throughout the year. While some of them have not been what I would consider to the best interest of the Organization, I realize that they expressed simply the opinions of individuals, and anyone within the Order has a right to differ with me. As I have done in former years, I must again appeal to the brothers in charge of these journals to let their every action be well planned and well considered, and do not let any article appear in a journal under their control that would have a tendency to sow the seed of dissension. While we are gaining in membership continuously, the fact must not be overlooked that in order to continue to prosper we must have harmony; let that, therefore, be the watchword.

RAILROADS

As in former years the Board of Grand Trustees at the annual meeting held at my office in the month of December, 1910, directed me to file applications with the various Passenger Associations, which was promptly attended to. During the annual session of these various Passengers Associations held in the month of January in the city of Chicago they agreed upon a rate, which was not at all satisfactory.

I understand that the Committee in charge of transportation, appointed by the two San Francisco Aeries, brought this matter to the attention of the local representatives of various railways having terminals in their city, and personally I took the matter up with Mr. Charlton, Chairman of the Transcontinental Passenger Association, and some other very influential railroad men, whom I personally know, and the result of our combined efforts was responsible for the various heads of the different Passenger Associations to call another meeting, where their former action was reconsidered, and a rate more acceptable and more favorable to our membership was announced immediately following said meeting.

We can, however, not overlook the shabby treatment which has been accorded our Organization by the various Railway Associations during the last few years and, also, at this particular time. I have always contended that we are entitled to the same considerate treatment which is accorded to other fraternities similar to the Fraternal Order of Eagles. All of us are liberty loving, law abiding citizens and I am free to say that our meetings are as well attended as any of those of other fraternities holding annual meetings similar to those held by our Order. So that the brothers may be fully advised as to what has been the attendance at previous Grand Aerie Sessions, I herewith submit same covering the various Grand Aerie Sessions held since 1905:

RECOMMENDATIONS AS TO CHANGES OF LAWS

I would respectfully recommend that Art. III, Sec. 2, Grand Aerie Constitution, be changed by striking therefrom the following:

"(of which Board the Junior Past Grand Worthy President shall be a member and chairman). The Junior Past Grand Worthy President shall be a Grand Trustee-elect for the ensuing term by virtue of having served to the end of the preceding term as Grand Worthy President."

So that it reads:

"The Officers of the Grand Aerie shall be all Past Grand Worthy Presidents, Grand Worthy President, Grand Worthy Vice-President, Grand Worthy Chaplain, Grand Secretary, Grand Treasurer, Grand Worthy Conductor, Grand Inside Guard, and a Board of five Grand Trustees. All Officers shall be elected annually except the Past Grand Worthy Presidents."

My reason for recommending the foregoing is that I can see no sense in a law directing the Junior Past Grand Worthy President to serve as Chairman of the Board of Grand Trustees. If the delegates assembled deem it advisable to elect the brother, who becomes Junior Past Grand Worthy President, as Grand Trustee, it is within their province to do so. I am utterly opposed to any promotion or placing into office anyone on account of constitutional provisions; I believe that such should be done by the votes of the Delegates assembled annually in Grand Aerie Session; in other words, I believe that all Officers of the Grand Aerie should be elected at each convention.

Change Art. IX, Sec. 9, Constitution for Subordinate Aeries, to read as follows:

"Immediately after the first regular meeting in each month, he shall notify each member, who may be in arrears with his dues for two months or who may be indebted to the Aerie in any amount for constitutional fines or assessments, by written or printed notice to his last known address that if payment is not made at or before the first regular meeting of the succeeding month, he will then be three months in arrears and consequently will be dropped from membership without further notice."

Change Section 10, Article IX, C. S. A., to read as follows:

"He shall read to the Aerie, on the first meeting night of each month, the names of all those members who, at the first meeting of the succeeding month, will be in arrears with their dues for three months, or who will be indebted to the Aerie in any amount for Constitutional Fines or Assessments for a period of three months, and who therefore will have to be suspended unless payment is made at or

before the first meeting of the month succeeding the date when the names of these delinquent members were read to the Aerie. If the Secretary fails to do so, he shall be fined not to exceed $5.00."

Change Section 4, Article X, C. S. A., so that it may read as follows:

"Immediately after the first regular meeting in each month, he shall notify each member who may be in arrears with his dues for two months, or who may be indebted to the Aerie in any amount for Constitutional Fines or Assessments, by written or printed notice to his last known address, that if payment is not made at or before the first regular meeting of the succeeding month, he will then be three months in arrears and consequently will be dropped from membership without further notice."

In Art. XIII, Sec. 1, Constitution for Subordinate Aeries, change the words "in good standing" at the end of the third line, so that it reads "in beneficiary standing." Insert, also, the words "in beneficiary standing" following the words "also all visiting members."

In Art. XVIII, Sec. 7, Constitution for Subordinate Aeries, insert behind the words "shall be fined 50c" as follows:

"And the sick brother shall be considered eligible to benefits in the same manner as if he had been properly reported beginning with the date certified to by the attending physician."

In Art. XIX, Sec. 1, Constitution for Subordinate Aeries, insert following the word "Practicable" on the eleventh line:

"But no application for membership shall be allowed to remain with the Investigating Committee for more than thirty days without a final report having been made to the Aerie."

To Art. XX, Sec. 10, Constitution for Subordinate Aeries, add the following:

"Should at the time when an Investigating Committee makes its report, conditions have come to light which, if they were known by that Committee and if such conditions are considered by them of such nature to have had a tendency to alter the nature of their report, then the application must be referred to the same Committee for further investigation."

In Art. XX, Sec. 12, Constitution for Subordinate Aeries, insert following the first sentence:

"The same provisions shall apply to applicants, who are former members of defunct Aeries and who may be seeking admission by Grand Aerie Transfer Card."

Art. XXII, Sec. 1, Constitution for Subordinates Aeries: The second paragraph of this section should be changed so that it reads as follows:

"Any member whose dues remain unpaid for three months or who is indebted to the Aerie for three months in any amount for Constitutional Fines or Assessments shall be dropped from the roll of membership at the same meeting when his delinquency has reached that period, unless payment is made before the meeting adjourns."

Change Art. XXII, Sec. 5, Constitution for Subordinate Aeries, so that it reads as follows:

"As soon as a member is in arrears with his dues for a period of three months or if he is indebted to the Aerie in any amount for a period of three months, it shall be the duty of the Secretary to read his name to the Aerie at the next regular meeting and if payment is not forthcoming before the meeting closes, such brother must be dropped from membership without any further notice or action by the Aerie."

To Art. XXV, Constitution for Subordinate Aeries, add a new section to be known as Section 6:

"No Aerie shall be held liable for funeral benefits if it can be conclusively shown that the member's demise was due to the excessive use of intoxicants either directly or indirectly."

In Art. XXVI, Sec. 1, Constitution for Subordinate Aeries, insert following the word "identity" on the eleventh line as follows:

"And it shall, also, serve as proof to the Aerie Physician that a member is in beneficiary standing and, therefore, entitled to his services under his contract with the Aerie."

Change Art. XXVII, Constitution for Subordinate Aeries, Sec. 2 "a" by adding the following:

"And provided further that a member having been dropped for non-payment of dues shall not be entitled to a Transfer Card until a period of six months has expired following the date of his reinstatement."

Change Art. XXVII, Sec. 2 "b," Constitution for Subordinate Aeries, to read as follows:

"The period of time for which a Transfer Card may be issued shall be left at the discretion of the Aerie granting the same, provided, however, that this period must not exceed four months."

Add to Art. XXVII, Sec. 2 "b," the following:

"And provided further, that no Transfer Card shall be granted a member against whom charges are pending."

CONCLUSIONS

In this, my fourth annual and last report to the Grand Aerie, I have tried to give the delegates here assembled, as well as the Order at large, every shred of information at my command. I must again say to you that all statements made and all claims set up are proven by the records of the Grand Secretary's Office during the four years that I have been in charge thereof. I have tried to do my duty as I saw the light. I cannot deny but that in the discharge of these duties at times my actions have not met with the approval of some of the good brothers with whom I was dealing; but I trust that since then they have realized that I, as well as any other Grand Officer, am governed by Constitutional and lawful provisions, and that in addition I have taken an obligation, which is not only sacred, but which is of such nature that none but a coward and ingrate would refuse to live up to its every provision; I have, therefore, always tried to do my duty as the laws of the Order require and as my obligation provides for.

While during the year past we have not instituted as many new Aeries as has been done in former years, we have, nevertheless, made a splendid increase in membership, which is entirely due to the great work done by some of our Subordinate Aeries. There are many which are entitled to a place on the roll of honor. These Aeries are in charge of men who fear and favor none and the result of their labors speak for themselves.

That we must at all times strive to continue this splendid growth, which our Order has made during the last few years, no one will deny. We must add new blood to our ranks continuously, if we intend to keep down the average age, which governs the payment of benefits.

The laws governing the payment of benefits must be revised. We are dealing with but one law in this particular regard, and that is the law of mathematics and that can neither be tampered with nor can it be set aside. It is simply a question of time until we will be called upon to meet a deficiency in practically every Subordinate Aerie throughout the entire jurisdiction. As I have stated in another part of my report, we must not allow ourselves to exist for today only, and must by no means tolerate the idea that tomorrow will take care of itself. I have but little respect for anyone who does not

provide for a "rainy day" in time of plenty, and that applies not only to the individual but to the entire Organization.

We are following a false doctrine which can have but one result: absolute destruction and dissolution of this great Fraternity. Eighty per cent and more of our members are affiliated with our Order because they need the protection which it affords them and their families in case of sickness and distress, and but a very small percentage has been attracted to our Organization on account of the social side of our fraternal life. Very few who have been sick and in distress have refused benefits which were rightfully theirs under the laws of the Order, and the same conditions, undoubtedly, will govern the payment of benefits in the future. Is it, therefore, not fair and just to assume that as our Order grows older our members will be more apt to be taken sick and the demands upon the General Funds of the different Subordinate Aeries will be enormous, and steps should be taken at this time to meet all claims when due?

Hundreds of our Aeries are struggling along at the present time as best they can. They need encouragement and they need assistance. In most cases they have squandered their funds in various ways: they have allowed good fellowship to predominate over good sense and sound business judgment, and the result is the inevitable, which always follows a disregard of the law of mathematics: Failure!

All vouchers, as well as original bills, covering every expenditure, as well as books of the Grand Aerie, and original reports from Subordinate Aeries will be submitted to the Finance Committee. The brothers are invited to come to the Grand Secretary's Office and ask for any information which they deem necessary to put them in a proper position to represent their Aerie in a manner that will reflect credit upon them and the brothers whom they represent.

At this time I want to take advantage of the opportunity afforded to convey to each and every member of our Fraternity my heartfelt thanks for the able assistance rendered me during the four years that I have been the occupant of the Grand Secretary's Office. I want to especially thank the Secretaries and other financial Officers with whom I have come in daily contact, and I want to say to them that to their untiring labors and efforts are due to a great extent the splendid showing made by our Fraternity during the last four years, and without their aid and assistance it will be impossible to reach our final goal. I leave the office of Grand Secretary feeling that I have done the best I could at all times. I may have erred in many instances, but I want the brothers to realize that I am but human. I have no ill will toward anyone and wish the Order progress and prosperity to the fullest measure in the future. Although I may

not be officially connected with the Grand Aerie, I will, if health and other conditions permit, always be found present when the Grand Aerie is called to order, and it will never be too late or too early for me to work for the Fraternity, which has honored me way beyond my fondest expectations, and I will lend my every influence for the uplift and betterment of mankind, and will wherever possible, uphold the gospel of Eagledom.

If I may be allowed let the last few words that I have to convey to you through my official report be: I will continue to fight to place the Beneficiary Department of our Order on a solid basis, no matter what personal sacrifices it may mean, and will not give up until I have accomplished that, which in my judgment, is so necessary to place the Fraternal Order of Eagles in a position where it can practice what it preaches: practical Christianity.

All of the foregoing is submitted in L. T. J. & E.,

Grand Secretary.

REPORT OF GRAND TREASURER

HELENA, MONTANA, July 16, 1911.

TO THE OFFICERS AND MEMBERS OF THE GRAND AERIE, F. O. E.:

I beg to submit for your information the annual report of the Grand Treasurer, setting forth in detail the receipts and expenditures of the Grand Aerie during the fiscal year from August 1, 1910, to July 15, 1911, so far as the records of my office show.

During the year one time deposit has been transferred to the General or Checking Fund and two time deposits were changed under the direction of the Board of Grand Trustees. These deposits, the names of the institutions from which they were withdrawn and the disposal of same, are shown on the itemized yearly balance sheet.

The interest on all time deposits is payable semi-annually, on the first of January and the first of July, so that at the close of the fiscal year all interest due to the Grand Aerie on time deposits can be included in the official reports of the Grand Secretary and the Grand Treasurer. The interest on these time deposits has been paid direct to the Grand Secretary, so that the interest has been entered on his books before being remitted to me.

The books of the Grand Treasurer are in absolute balance, and I desire to extend my thanks for the courtesies that have been shown me by the different Grand Aerie officers and by the members of the order during the year that has just closed.

The adjustment follows.

Respectfully submitted, in L. T. J. & E.

FINLAY McRAE,
Grand Treasurer, F. O. E.

MINUTES

OF THE

Meetings of the Board of Grand Trustees

Fraternal Order of Eagles

1910-1911

ST. LOUIS MEETING, HELD AUGUST 28-29, 1910

SUNDAY, AUGUST 28

AFTERNOON SESSION

The members of the Board of Grand Trustees met in Parlor E of the Planters Hotel, St. Louis, Missouri, at 3:30 o'clock, Sunday afternoon, August 28th, 1910.

There were present Frank E. Hering, P. G. W. P., Chairman of the Board; Joseph H. Dowling, Dayton, Ohio; Leo Meyer, Oklahoma City, Oklahoma; E. D. Sanders, Spokane, Washington; Frank LeRoy, Victoria, British Columbia.

On motion of Brother Dowling, seconded by Brother Sanders, Brother Leo Meyer was nominated as Secretary of the Board. There were no further nominations and he was unanimously elected to that position.

The motion unanimously prevailed that at all meetings of the Board of Grand Trustees, except at executive sessions, a stenographer shall take complete notes of each session and have such notes transcribed so that the minutes of each preceding session may be passed upon by the members of the board at each new session. A copy of such minutes when completed shall be sent to the Grand Worthy President, the Grand Secretary and the Grand Treasurer.

One copy of the minutes shall be signed by every member of the Board and these shall be placed in charge of the Secretary of the Board, Brother Leo Meyer of Oklahoma Aerie No. 124. He may, if requested, send copies of the minutes, if they are duplicates of the copy approved by the Board, to the other officers of the Grand Aerie, over his signature.

The motion unanimously prevailed that every member of the Board immediately qualify as to the bonds required under the laws of the Grand Aerie, namely, a bond of ten thousand dollars for each member in a Fidelity Company of unquestioned standing.

The motion unanimously prevailed that every member of the Board be bonded in the sum of ten thousand dollars in the United States Fidelity & Guaranty Company of Baltimore, Maryland. The motion contained the proviso that, if this Company did not bond in British Columbia where Brother LeRoy lives, steps be taken to have him bonded in some other Company, acceptable to the Grand Worthy President, that operates in Canada.

The motion unanimously prevailed that Brother Leo Meyer, Secretary of the Board, be instructed to get application blanks and forward them to every member of the Board.

The Grand Worthy President was requested to appear before the Board and was asked to outline such plans for the ensuing year with reference to his office, its rent, furnishings, etc., and his possible needs in the line of office assistance, as he had determined upon.

The Grand Worthy President responded: I have made no plans whatever involving any expenditure of money beyond on option upon two rooms in a building at the northeast corner of 42nd street and 6th avenue, in the City of New York, the rental of which is $1,700.00 per year for approximately 1,000 sq. ft. of space—as near as I can judge—consisting of two rooms 20 feet by 25 feet each. The ordinary rental of rooms and the usual charge for space in a building of that kind would be $2.00 per sq. ft. of space; but the agent of the building agreed to reduce it on condition that an amount of space equal to 1,000 sq. ft. was taken. I selected this location because it was convenient to the 42nd Street Depot, and is situated less than a half mile from the new Pennsylvania Depot and is the most ready of access for brothers visiting the City by any railroad route, who may have business with the Grand Worthy President.

The motion unanimously prevailed that, in accordance with the request of the Grand Worthy President, the sum of $1,700.00 be appropriated by the Board of Grand Trustees for rent, the same to be payable as provided for by the terms of the lease.

The motion unanimously prevailed that an amount necessary to employ such assistance as the Grand Worthy President felt that he needed be appropriated.

The motion unanimously prevailed that the Grand Worthy President be permitted to get such furniture as in his opinion is necessary for the convenience and dignity of his office, and that the files at present in the office of Brother Hering be forwarded to Brother Grady's office, these files being in excellent condition.

The motion unanimously prevailed that the Grand Secretary be instructed immediately to order such stationery as the Grand Worthy President may desire and also to supply each member of the Board of Grand Trustees with stationery sufficient for his office.

The motion unanimously prevailed that the Grand Worthy President be invited to sit with the Board at any time.

The chairman of the Board stated that he had requested the presence of three brothers, Brother Rogers, Brother Bell and Brother Cogan, the latter of whom is representing the Grand Aerie in several cases, one action being the Cummins case, relating to the purchase of the perforating device, which case is now pending.

After a full discussion of the Malmstedt case, the Board determined that in the matter of Malmstedt vs. Grand Aerie and Minneapolis Aerie No. 34, it is deemed for the best interests of the Order that the action be compromised by the payment to the plaintiff of $350.00.

The motion unanimously prevailed that the firm of Durment & Moore attorneys for the Grand Aerie be authorized to attempt to effect a settlement of said action for the above amount.

The statement was made to the Board that Brother B. J. Monaghan was waiting for certain voucher-checks. The motion unanimously prevailed that voucher-checks numbered 7092, 7093 and 7097, and itemized as follows:

7092 B. J. Monaghan, P. G. W. P., Visit to Baltimore....$ 45.00
7093 B. J. Monaghan, P. G. W. P., Trip to Kansas City 274.50
7097 B. J. Monaghan, P. G. W. P., Trip to Cleveland.... 88.00

drawn before action was taken by the Board of Grand Trustees, Fraternal Order of Eagles, at Kansas City in June, 1910, be released from the operation of a resolution then passed prohibiting their payment, and also that the claim of Bro. B. J. Monaghan for attendance upon the present Grand Aerie Session up to the date of his expulsion, which claim has been presented by him, be paid, the amount being $148.25.

The Grand Secretary and the Grand Treasurer were here called before the Board and notified of the action just taken.

The Grand Treasurer stated that he had a number of voucher-checks which had been withheld, and asked if all were to be released. Upon being informed of the numbers of the voucher-checks referred to he presented the voucher-checks to the Board and was instructed to deliver them to Brother Monaghan.

The Chairman of the Board requested Brother Cogan to read a statement of facts as to the actions pending in Idaho against two men and possibly against a third, who were charged with defrauding Jerome Aerie.

The Chairman of the Board then presented a statement of his actions in the cases of the Grand Aerie vs. E. W. Mooney, Len Sledge and W. R. Johnston; and the Grand Worthy President was requested to continue to final judgment the proceedings already begun.

The Junior Past Grand Worthy President recited in detail his activities concerning one Frank Viering, former member of Gainesville and Celery City Aeries. He also called upon Brother J. J. Byrne of St. Augustine, Deputy for Florida under Brother Hering, to substantiate his assertions. It was the opinion of the Board that wherever it could be shown beyond a doubt that Viering had collected moneys during the existence of his commission, the money should be returned from the Treasury of the Grand Aerie, and that the Grand Worthy President be empowered to proceed legally against Viering in such manner as his past conduct justified, and a motion to this effect unanimously prevailed.

The Grand Secretary was requested to appear before the Board during the consideration of the action now pending against the Grand Aerie by the B. F. Cummins Company of Ravenswood, Chicago, to recover the sum of $4,300.00 for 200 perforating machines sold to the Grand Aerie at $21.50 each. After a full discussion and careful consideration of the facts and circumstances surrounding the making of the original contract for these machines and it appearing to the Board that these machines are now in the Grand Secretary's office at Kansas City and that they will be needed by the Grand Aerie for the purpose of supplying Subordinate Aeries therewith, the motion prevailed unanimously that the Grand Worthy President be authorized to tender to the B. F. Cummins Company $3,800.00 in payment of said 200 machines at the rate of $19.00 each, and that, upon the acceptance of such offer, a warrant be drawn upon the Treasury in favor of said Company in the sum of $3,800.00.

The motion prevailed unanimously that action be taken by the Grand Worthy President to perpetuate the testimony of Martin J. Gray in matters connected with the fraudulent obtaining of money from the Grand Aerie.

The motion prevailed unanimously that suits for the recovery of money illegally taken from the Treasury of the Grand Aerie be referred to the attorney of the Board, Bro. Thos. J. Cogan, for advice as to the proper course to be pursued with reference thereto.

The Board then adjourned until two o'clock Monday afternoon.

SESSION OF BOARD OF GRAND TRUSTEES

St. Louis, Mo., Aug. 29, 1910.

The Board of Grand Trustees reconvened at 2:00 p. m., on Monday, August 29th, all members being present.

The minutes of the previous session of the Board were read and approved.

The motion unanimously prevailed that the Chairman of the Board be permitted to retain in his official capacity one filing cabinet and one L. C. Smith typewriter now in the office at South Bend; that he be permitted to purchase such office furniture now in his office at South Bend as he may desire at 40 per cent of its purchase price; and that he ship to the Grand Worthy President at his New York address such articles as the Grand Worthy President might desire to use, listed as follows:

2	Underwood Typewriters.
1	Protectograph.
	Grand Worthy President's Seal.
1	Letter Perforator.
3	Vertical Sections.
2	Oak Ends.
1850	Guide Cards.

And that a disinterested person at South Bend be authorized to sell all the rest of the office equipment and to forward to the Grand Secretary an itemization of the articles sold, and a check for the amount received from such sale, same to be remitted to the Grand Treasurer, the Board being of the opinion that as each Grand Worthy President has been permitted to exercise his individual taste in the furnishing of his office and as the carting of the furniture, drayage and freight to New York would be a very appreciable expense that the Treasury of the Grand Aerie would be conserved if these articles were sold at South Bend.

Brother Leo Meyer, Secretary of the Board then presented to the Board the following resolution:

"RESOLVED, That the Grand Worthy President be authorized and directed to solicit bids from the various responsible Surety Companies and their terms for the bonding of the several officers of the Subordinate Aeries, said bonds to contain a provision insuring said Subordinate Aeries against loss by reason of the carelessness, neglect, fraud or dishonesty on the part of any officer so bonded.

"That the Grand Worthy President be requested to give this matter his immediate consideration to the end that bonds with such provisions be arranged for before the next annual election of Subordinate Aeries, having in mind also the welfare of the Aeries in Canada.".

The motion prevailed unanimously that the resolution as prepared by Brother Meyer relative to bonds be adopted.

The motion prevailed unanimously that the Grand Worthy President be and is hereby directed to see that all furniture and equipment belonging to the Grand Aerie and all records of every kind of the Grand Aerie now in the possession of Brother Edward Krause of Wilmington, Delaware, and Brother B. J. Monaghan, Philadelphia, be immediately returned to the office of the Grand Secretary, unless in the opinion of the Grand Worthy President such furniture and fixtures can be disposed of to better advantage in the home cities of the Brothers named.

The motion unanimously prevailed that the consideration of the alleged additional claims of Brother B. J. Monaghan against the Grand Aerie be deferred until the December meeting of this Board.

The motion unanimously prevailed that the Grand Worthy President be and he is hereby requested to enforce the laws relative to the use of the King-Doebler System of Book-keeping adopted by a statutory amendment by the Grand Aerie at Omaha.

At this time, at the request of the Board, Brother Conrad N. Mann, Grand Secretary, appeared before the Board to answer such questions as might be propounded to him and to make such observations as he might wish relative to his office force. The motion unanimously prevailed that the Grand Secretary, on the Grand Secretary's own recommendation, be allowed the same sum of money for his clerical force as he had during the year 1909-1910, namely $6,500.00, and that he be permitted to draw it in three installments, in order to keep his special emergency fund, out of which such salaries are to be paid, solvent.

The Grand Treasurer then was called before the Board, and after a short discussion, the motion unanimously prevailed that Brother McRae be authorized to furnish his office in such manner as is required to carry out the duties of his office.

The motion unanimously prevailed that Brother McRae, Grand Treasurer, at his request, be authorized to secure a suitable office at a rental not to exceed $25.00 per month, and to secure such clerical assistance as he found necessary and that the expense of such clerical assistance be submitted to the Board as a necessary expense.

At this time, the Grand Secretary was called before the Board again and requested to present such matters for the Board's consideration as he might wish to bring before it. He asked whether or not under the circumstances, it was the desire of the Board that he should be permitted to continue in force the contracts of the Grand Aerie with the Samuel Dodsworth Book Company. The motion unanimously prevailed that these contracts

which will expire December, 1910, be continued in force, as there was no taint of suspicion on any of the contracts under consideration, and as it was the understanding of the Board that many of these forms, being already in type, the continuance of these contracts would be a great monetary saving to the Grand Aerie.

The Grand Secretary also requested the wishes of the Board regarding the printing of the Grand Aerie Journal and stated that his report and that of the Grand Treasurer to the delegates at the Grand Aerie Session at St. Louis was printed by the Dodsworth Book Company and is already in type, and that, if any other firm did bid on this work it would be necessary to include in its bid the cost of the work already done by the Samuel Dodsworth Book Company for which work the Samuel Dodsworth Book Company will make allowance in its bid on the Grand Aerie Journal.

The motion unanimously prevailed that the Grand Secretary be instructed to secure bids on the printing of the Grand Aerie Journal and that when the Board meets in December, he shall submit to the Board the bids sent to him.

The motion unanimously prevailed that a Committee composed of Brother Thomas F. Cogan, Chairman of the Judiciary Committee, Brother Leo Meyer, Secretary of the Board of Grand Trustees, and Brother Conrad H. Mann, Grand Secretary, be empowered to consult with the Samuel Dodsworth Book Company, and, in the event of arriving at a satisfactory settlement of the claims of the Grand Aerie against John S. Dodsworth, to authorize the payment of bills against the Grand Aerie held by the Samuel Dodsworth Company.

Brother Finlay McRae represented to the Board that he had in his possession continuously certain valuable records and that a place of safekeeping should be provided for them. The motion unanimously prevailed that the Grand Treasurer be empowered to get such safety deposit box as was necessary for the preservation of such records.

The following resolution was then presented by Brother Meyer:

"RESOLVED, That whereas, a temporary deficiency exists in the payment of the current expenses and of the extra expense incident to the Grand Aerie Convention, the Board of Grand Trustees, Fraternal Order of Eagles, do hereby authorize and empower the Grand Treasurer of the Order to make a loan from the American National Bank of Helena, Montana, in a sum not to exceed Seventy-five Hundred Dollars ($7,500) for a term not to exceed six months; and the Grand Treasurer is authorized to sign his name in his official capacity to a note covering such obligation."

Brother McRae was instructed that if the Bank demanded a higher rate of interest than six per cent, that the negotiations should go no further. The reading of the resolution then proceeded as follows:

"And it is further

"RESOLVED, That the time deposit in said American National Bank, amounting to Ten Thousand Dollars, shall be held as surety for said obligation contracted by the Grand Trustees and the Grand Treasurer."

After a discussion of the probable higher rate of interest than six per cent, the following motion was made by Brother Dowling and seconded by Brother LeRoy, that, in case Brother McRae cannot get the money in Helena in accordance with the preceding resolution, he shall withdraw from the American National Bank of Helena, Montana, the time deposit of ten thousand dollars at three per cent, which the Grand Aerie is now carrying in that bank, and put same into his checking fund, and, for this purpose, he is hereby provided with the proper instrument to withdraw this time deposit, in case he finds it necessary.

The Chairman of the Board was handed an envelope containing a voucher in favor of Edward Krause of Wilmington, Delaware, and showed to the Board the letter accompanying the enclosure, which enclosure reads as follows:

GRAND AERIE, FRATERNAL ORDER OF EAGLES. August 26, 1910.

To EDWARD KRAUSE,
Address, Wilmington, Del.

Expenses for Attendance at Grand Aerie.

Railroad Fare, Wilmington to St. Louis and return	$ 33.50
Pullman	11.00
Six days at $20.00 per day	120.00
	$164.50

The motion prevailed unanimously that this claim be not allowed.

At this point, Brother Finlay McRae was given an instrument signed by the Grand Worthy President, the Grand Secretary, and the members of the Board of Grand Trustees, authorizing him, in the contingency referred to, to withdraw the ten thousand dollar time deposit from the American National Bank of Helena, Montana.

The motion unanimously prevailed that the Chairman of the Board of Grand Trustees communicate with the proper committee and officers of the two Aeries at San Francisco relative to their plans for the next Grand

Aerie Session, and the date at which it is proposed to be held in order that the Board of Grand Trustees may have such knowledge in its possession as is necessary for definite action, at its next meeting in Kansas City, in December.

The motion prevailed unanimously that the Board adjourn.

DECEMBER MEETING

Held at Kansas City, Missouri, December 6=10, Inclusive

Tuesday, December 6, 1910.

Pursuant to a call issued in proper form by the Grand Worthy President, the members of the Board of Grand Trustees convened at the office of the Grand Secretary at Kansas City, at 2 o'clock p. m., December 6, 1910.

There were present at this meeting, Grand Trustees Dowling, LeRoy, Meyer, and Chairman of the Board Hering. There were also in attendance subject to the call of the Board, either for advice or consultation, Grand Worthy President Grady, Grand Worthy Vice-President John S. Parry, Grand Secretary Conrad H. Mann, Grand Treasurer Finlay McRae, and Thomas J. Cogan, Chairman of the Judiciary Committee.

The minutes of the two meetings of the Board held at St. Louis immediately after the adjournment of the Grand Aerie Session were read and approved and the unfinished business contained therein was made, by unanimous consent of the Board, the first matter for consideration at the present meeting.

By unanimous consent, the Board instructed its chairman to invite the Grand Worthy President to sit with the Board whenever it suited his convenience.

The Grand Worthy President was then requested to make a statement to the Board concerning the settlement of the Malmstedt case. He reported that he had, in conformity with the instructions of the Board at its August meeting, instructed the attorneys for the Grand Aerie, Durment and Moore, of Minneapolis, to settle the case for $350 and that he had requested the Grand Secretary to draw a check against the Contingent Fund for this amount.

The Grand Secretary confirmed this statement of the Grand Worthy President, and stated that he had remitted a check in the sum mentioned to the attorneys for the settlement of the case.

This action of the Grand Worthy President met with the unanimous approval of the Board.

At the August meeting, a committee consisting of the Grand Secretary, Grand Trustee Meyer, and Thomas J. Cogan, Chairman of the Judiciary Committee, was appointed, and instructed and authorized to make settlement with the Samuel Dodsworth Book Company for certain moneys for which the Grand Aerie claimed the Samuel Dodsworth Book Company was liable.

The members of this committee, being present, reported that, in conformity with the instructions, they had negotiated a settlement, and the Samuel Dodsworth Book Company, had paid into the Treasury of the Grand Aerie, the sum of $2,100.00, in liquidation of all claims against the Company, and that, thereupon, certain voucher-checks in favor of the Samuel Dodsworth Book Company had been released.

This action of the Committee was unanimously approved by the Board.

The Grand Worthy President reported his disposition of the bonds for financial officers of Subordinate Aeries as follows:

"I want to say that I was asked by the Board of Grand Trustees to solicit bids from the several surety companies, but I discovered that there was no competition. There is a combination, and the moment one company bids, such particular bid is binding upon the rest of them.

"My recommendation to the Board is that the Grand Worthy President and the Grand Secretary be instructed to prepare a form of bond required for the protection of the Subordinate Aeries, and that the various Subordinate Aeries be permitted to bond under that required form, in any bonding company."

The Grand Worthy President also made the following statement concerning the bonds of the Grand Trustees, the applications for which had been forwarded to him for his approving signature.

"I have received the applications for the bonds of the Grand Trustees, and I was asked to fill out blanks and return them to the Manager of the United States Fidelity Company. In looking over these blanks, I discovered a provision identical with the one under which insurance companies have defeated 80 per cent of their policies, and that is the provision at the end of the blank:

"'The above answers, statements and representations are to be considered a warranty, and they shall form the basis of the guaranty, etc.'

"The application is, of course, filed with the Guaranty Company, and, if, in the answers to a single one of these questions, I should be mistaken as to any answer that I should give, or if in any particular, in all these two pages of answers, an erroneous statement was made the policy would be void, and we would have nothing, and our policies would be as blank paper in value. I have not, therefore, done anything

in this matter, for the reason that the agent is here in town, and I would wish to see the form of the policies which would be issued. If the form of the policies contain these same words, we might just as well not be bonded. I shall hold the matter under advisement and for further consideration, with the permission of the Board."

The Grand Worthy President then reported on the action of the Grand Aerie vs. one Viering, who unlawfully collected moneys in Florida in the name of the Grand Aerie, Fraternal Order of Eagles.

Past Grand Worthy President Frank E. Hering at this time presented a complete schedule of the articles of furniture and equipment that were in his office as Grand Worthy President and also a tabulated statement showing the disposition of such articles, and at the same time, presented to the Secretary of the Board of Grand Trustees, his check in the sum of $146.30, being the amount agreed upon between himself and the Board as the purchase price of such articles as he wished to purchase personally, with the amount received at the auction sale of such other articles as were sold at South Bend.

The motion prevailed unanimously, Brother Dowling acting as Chairman, that the report by the Past Grand Worthy President of the sale of the effects of the South Bend office be accepted, and that the Grand Secretary be instructed to have prepared with the assistance of the proper officers, a corrected inventory showing the possessions of the Grand Aerie that are in such condition as to be of service to the various officers, and that this corrected list be submitted to the Board at its next meeting.

On the discussion of the disposition of the property in the hands of Brothers Krause and Monaghan, the Grand Worthy President was instructed by the Board of Grand Trustees to take whatever action might be necessary to recover for the Grand Aerie all the property and records now in the possession of Brothers Monaghan and Krause belonging to the Grand Aerie, and, to this end, the Grand Worthy President was authorized and instructed to take such legal steps as he found necessary.

The Board then adjourned to reconvene at 9:30 a. m., Wednesday, December 7th.

WEDNESDAY MORNING SESSION

Kansas City, Mo., December 7, 1910.

The Board of Grand Trustees reconvened at 9:30 a. m., all members being present, Grand Worthy President Grady also sitting with the Board.

The minutes of the meeting of the Board of Grand Trustees held Tuesday afternoon, December 6th, were then read and approved.

The use of the books prescribed by the Grand Aerie for Subordinate Aeries was then given a lengthy discussion and the Grand Worthy President requested that further discussion be delayed until he had the opportunity to get certain information that he desired before definite action was taken in specific cases by the Board.

The alleged unpaid claims of Brother B. J. Monaghan of Philadelphia Aerie No. 42, that were presented to the Board in August and deferred for consideration until this meeting, were taken up and discussed at some length by the Board, and, by unanimous vote, the matter was referred to Brother Thomas J. Cogan, attorney for the Board, for his consideration, with the request that he report his recommendations to the Board at its next meeting. The Grand Secretary was authorized and instructed to turn over to the attorney for the Board all papers and data in his possession needful for a full understanding of Brother Monaghan's alleged claims.

It being twelve o'clock, the motion unanimously prevailed that the Board adjourn until 2:00 p. m.

WEDNESDAY AFTERNOON SESSION

December 7

Kansas City., Mo., Dec. 7, 1910.

The Board of Grand Trustees reconvened at 2 o'clock p. m. In addition to the members of the Board there were present Grand Worthy President Thomas F. Grady and Thomas J. Cogan, Chairman of the Judiciary Committee. Minutes of previous session read and approved.

A communication addressed to the members of the Board under date of December 2nd from Brother B. J. Monaghan of Philadelphia Aerie No. 42, asking for a refund of $43.00 that he had paid to a Washington attorney for attorneys' fees in connection with an application for a patent for a design for an official button was presented for the consideration of the Board. After a thorough discussion, the claim was referred to Brother Cogan, attorney for the Board, with instructions that his recommendations in the matter be presented to the Board at its next meeting.

The Grand Secretary was also instructed to send to Brother Monaghan a transcript of those parts of the minutes of the Board dealing with the disposition of the B. J. Monaghan claims.

The Grand Worthy President reported to the Board of Grand Trustees that, whenever occasion arose, he was prepared to give such attention to the civil and criminal cases instituted against certain individuals who had illegally deflected money from the treasury of the Aerie at Jerome, Idaho,

during the period previous to and on the night of the institution of that Aerie, and stated that for this purpose he should, to a degree, utilize the services of the Grand Treasurer, owing to his familiarity with the legal actions in question.

Brother Thomas J. Cogan, attorney for the Board reported that, in conformity with the instructions given him at the August meeting of the Board of Grand Trustees, he had carried on successful negotiations with the B. F. Cummins Company and, that, as a result, the Grand Aerie had purchased the 200 perforating machines at a net price of $19.00, and that the machines are now in the possession of the Grand Aerie.

The motion prevailed unanimously that the Board approve the action of its Attorney in this regard.

The Grand Secretary then presented to the Board the various bids that he had received for the Printing of the Grand Aerie Journal, and explained his letting of the contract. The Board of Grand Trustees, after hearing the statement of the Grand Secretary and inspecting the bids, approved his action in the matter.

The Chairman of the Board submitted for the consideration of the Grand Worthy President and members of the Board a letter from the M. J. Frand Company of Camden, New Jersey, requesting the payment of certain sums alleged to be due the M. J. Frand Company on a contract for the furnishing of metallic Eagles. The letter was discussed at great length and was laid upon the table until such time as the Grand Secretary could meet with the Board.

The Grand Worthy President submitted for the consideration of the Board certain difficulties that he was encountering in attempting satisfactorily to adjust to the best interests of the Order the attitude of certain medical societies.

The hour of five o'clock having arrived, the Board then adjourned to meet at 9:30 a. m., Thursday, December 8th.

THURSDAY MORNING SESSION

December 8

Kansas City, Mo., Dec. 8, 1910.

The Board of Grand Trustees reconvened at 9:30 a. m., all members being present, Grand Worthy President Thomas F. Grady also sitting with the Board.

The minutes of the previous session of the Board of Grand Trustees held Wednesday afternoon, December 7th, were then read and approved.

It being reported that Seattle Aerie No. 1 was not as yet using the books prescribed by the last Grand Aerie, the following telegram was sent by the Grand Worthy President:

"KANSAS CITY, MO., Dec. 7, 1910.

"FRANK DOWD,

"Sec. Seattle Aerie No. 1, F. O. E.,

"7th Ave. and Pine St., Seattle, Wash.:

"Board of Grand Trustees in session here. I must insist upon your Aerie using the King-Doebler System of books prescribed by the Constitution for Subordinate Aeries. Kindly wire me Hotel Savoy here, if anything further in this direction will be necessary to have your Aerie do so.

"THOMAS F. GRADY,
"Grand Worthy President."

and the following reply was received from the Secretary of Seattle Aerie:

"SEATTLE, WASH., Dec. 7.

"THOMAS F. GRADY,

"Grand Worthy President, F. O. E.,

"Kansas City, Mo.:

"Seattle Aerie using all King-Doebler books except ledger. Now transferring names as fast as possible. Physical impossibility to complete same before January 1st. Hope this is satisfactory.

"FRANK DOWD."

The motion unanimously prevailed that the telegram from Seattle Aerie showing the entire disposition on the part of the officers of that Aerie to comply with Grand Aerie Laws, the Grand Worthy President be requested by the Board to express the Board's appreciation of the loyal attitude of the Mother Aerie.

The Grand Worthy President submitted for the consideration of the Board a lithograph published and distributed in which the emblematic words and emblem of the Fraternity were used. The lithograph is not one calculated to enhance the standing of the Order, and the Grand Worthy President reported that he had forbidden the author and publisher of the design—who is a member of the Order—to distribute in any manner these lithographs, and that he was prepared to protect the interests of the Order in this regard.

The Board of Grand Trustees approved the action of the Grand Worthy President.

The Grand Worthy President then made the following statement to the Board of Grand Trustees:

"It is true beyond all question that there is now an inexcusable accumulation of correspondence due to a variety of causes, among them the delay in the furnishing of the Grand Worthy President's offices, the acquainting of an entirely new office force with the necessary methods and routine required for the expeditious conduct of business, and no small amount of responsibility rests upon the Grand Worthy President because of his absence from his office."

He then set forth his plans for the future conduct of his office:

"I have divided the work into five divisions:

"The first dealing with local by-laws;

"The second with interpretations of the laws of the Order;

"The third dealing with complaints as between subordinate Aeries;

"The fourth dealing with the institution of new Aeries and as well the work of Deputies Grand Presidents;

"The fifth dealing with complaints of individuals.

"I hope to have the accumulated business practically disposed of by the first of the year, and I will then try to keep up with the work, under my plan, devoting, during the session of the New York legislature, Saturday and Saturday night and Monday morning in actual attendance at headquarters and having the mail received in the interval brought to me at Albany on Wednesday.

"If, by February 1st, 1911, I find that this plan is not effectual in dealing with the work of the office, I will gladly accept such suggestions as the Board of Grand Trustees may adopt."

Brother Frank E. Hering, Past Grand Worthy President, asked to be recorded as of the opinion that the Grand Worthy President's plan will not prove satisfactory, and urged him very strongly to include in the personnel of his office force, at least some one person who is fitted by experience and ability to have supervision of the office of the Grand Worthy President during his absence from New York. The entire Board concurred in this opinion.

After listening attentively to the statement and recommendations, the Grand Worthy President stated he would not alter his proposed plans at the present time.

It being 12:30, the Board adjourned to reconvene at 2:00 p. m.

THURSDAY AFTERNOON SESSION

DECEMBER 8, 1910

KANSAS CITY, MO., Dec. 8, 1910.

The Board of Grand Trustees reconvened at 2:00 p. m., all members being present, Grand Worthy President Grady sitting with the Board. Minutes of last session were read and approved.

The Grand Treasurer, being called before the Board, reported that, in accordance with instructions received from the Board of Grand Trustees at St. Louis, he had withdrawn the time deposit from the American National Bank of Helena, Montana, and had immediately deposited the amount in the checking fund of the Order.

The Grand Treasurer asked that the resolution adopted at the meeting of the Board held at St. Louis, Missouri, on August 29th, 1910, with reference to his office be further considered, as he was somewhat in doubt as to its exact meaning.

The Chairman of the Board stated in reply to the Grand Treasurer that the responsibility of the Board was as to the amount of the appropriation for office expenses, but that the responsibility for its expenditure rested with the Grand Treasurer himself. The entire Board concurred in this interpretation.

The Grand Treasurer was then asked in what form he desired the appropriation to be made and he submitted the following:

> "RESOLVED, That the Grand Treasurer be allowed Twenty Dollars per month for rent of office occupied by him and a further sum not to exceed sixty dollars per month for such clerical assistance as he may require for the prompt and efficient conduct of his office."

The motion unanimously prevailed that the resolution in the form presented is adopted to take effect as of August 29th, 1910, for the reason that up to the date of this meeting Grand Treasurer McRae awaiting further action on the part of the Board had not presented a voucher for rent or clerical assistance.

After a thorough discussion of the percentage of interest being paid on the Time Deposits of the Order, the Board of Grand Trustees instructed the Grand Worthy President and the Chairman of the Board of Grand Trustees to secure such information and make such recommendations looking toward the placing of the Time Deposits in institutions paying four per cent. (4%) or over, as would justify the Board in the subsequent action of transferring these deposits.

Brother Sanders then presented the name of the Exchange National Bank of Spokane, Washington, as the institution in which the first deposit shall be placed, this bank being exceptionally strong financially, a United States Depositary, and paying four per cent interest.

The Board unanimously recommended to the proper officers that the first time deposit be given to the Exchange National Bank of Spokane, Washington.

The claim of the M. J. Frand Company for an alleged balance on metallic Eagles furnished the Grand Aerie were discussed, and the Grand Worthy President and the Attorney for the Board were instructed and authorized to take these claims under full advisement, to visit, if necessary, the offices of the Company, and, in the name of the Grand Aerie, to make such inspection if possible, of the records of the Company as may be necessary for a complete understanding of the conditions under which this contract was let.

The Board adjourned to meet at 9:30 a. m., Friday, December 9th.

FRIDAY MORNING SESSION

DECEMBER 9, 1910

KANSAS CITY, MO., Dec. 9, 1910.

The Board of Grand Trustees reconvened at 9:30 a. m., all members of the Board being present, and the Grand Worthy President, Thomas F. Grady, sitting with the Board.

The minutes of the last session were read and approved. Some routine matters connected with the Board were transacted.

Many communications that had been sent to the Board by the Convention Committee of Aeries No. 5 and 61, of San Francisco, were considered in detail; and, with Brother Dowling in the chair, the following resolution was unanimously passed:

> "That the Board of Grand Trustees delegate its chairman, Brother Hering, to go to San Francisco at his earliest convenience to make such arrangements as he may deem necessary for the purpose of the Grand Aerie Session at San Francisco, to make necessary contracts and have full power to act."

The Board next considered the amount that should be appropriated from the Grand Aerie Treasury for the exemplification of the Ritual at the San Francisco Convention, having in mind that the Grand Worthy President

should distribute this knowledge as soon as possible among the various Aeries, and that the Convention Committee at San Francisco should be given this information to be used for advertising purposes.

The motion unanimously prevailed that the Grand Aerie appropriate from its Treasury as prize money for the exemplification of the ritual at the session of the Grand Aerie at San Francisco, the sum of twelve hundred and fifty dollars, to be divided into three prizes as follows:

First Prize	$600
Second Prize	400
Third Prize	250

The Grand Worthy President was requested to promulgate the rules to govern this competitive exemplification.

The motion unanimously prevailed that the date submitted by the Grand Aerie Convention Committee at San Francisco, namely, August 21st to 26th, inclusive, is hereby approved by the Board and that proper notification be sent to the various Aeries.

The Past Grand Worthy President recited at some length the conditions surrounding the revocation of the charter of Sapulpa Aerie No. 1128, and the representations made to certain members of this Aerie.

Brother John S. Parry, who had acted as Deputy in the revocation of the charter, was before the Board and the Grand Worthy President, and explained in detail the promises made by him in the name of Past Grand Worthy President Frank E. Hering, to responsible members of the Aerie, on which promises all the property of the Aerie was turned over to the Grand Aerie without contest, and the Grand Worthy President was put in full possession of this information so that he could act intelligently in the matter, and know what had been promised by his predecessor.

The motion unanimously prevailed that the claims of ex-Grand Trustees Dalton, Davis and Hoerter for attending a meeting of the Board of Grand Trustees at South Bend, Indiana, should, in accordance with the recommendation of the Committee on Grievances and Appeals, be paid; and that the Grand Secretary be instructed to draw voucher-checks to cover the amount of such claims.

It being 12:30, the Board adjourned until 2:00 p. m.

FRIDAY AFTERNOON SESSION

DECEMBER 9, 1910

KANSAS CITY, MO., Dec. 9, 1910.

The Board of Grand Trustees met at 2:00 p. m., all members being present, Grand Worthy President Thomas F. Grady also sitting with the Board.

The minutes of the Friday morning session were read and approved.

The letting of the contracts for supplies being under consideration, the Grand Secretary was called before the Board, and he requested that the contracts for certain specified supplies, the demand for which was great, should, all other things being equal, be let with reference to nearness to the Kansas City office.

Among the bids presented to the Board of Grand Trustees was the bid from a firm a member of which has been severely penalized by the Grand Aerie. The members of the Board unanimously agreed that they would not be justified in continuing possible business relations with this firm, without having a favorable expression to do so from the Grand Aerie, and they, therefore, returned these bids unopened to the firm in question, accompanied by a letter which is hereby subjoined and is self-explanatory:

"December 9, 1910.

"SAMUEL DODSWORTH BOOK CO.,
"Leavenworth, Kansas.

"Gentlemen:

"We return herewith, unopened, all the bids submitted by your firm, for supplies to be furnished the Grand Aerie, Fraternal Order of Eagles. Owing to the recent happenings at the St. Louis Grand Aerie, in which, to a degree, a member of your firm was concerned, and to the adverse action taken towards him by the Grand Aerie, the Board of Grand Trustees do not feel they can assume the great responsibility of re-opening business negotiations with your firm without an expression from the Grand Aerie that would permit them to do so.

"The members of the Board wish to state, however, that they shall be glad to recommend unanimously to the next Grand Aerie that that body take action looking toward placing your firm on the same footing as other competitors in bidding for Grand Aerie supplies in the future.

Trusting that you will accept this in the kindly spirit in which it is written, we are,

"Very truly yours,
"BOARD OF GRAND TRUSTEES, F. O. E.,
"By Leo Meyer, Secretary."

The next order of business being the opening of the bids, the Board proceeded to the consideration of the bids for the printing of the Grand Aerie Journal, which contract had previously been let by the Grand Secretary, with the sanction of the Board, the bids being from the following companies:

Everett-Titus Printing Company, Kansas City, Missouri.

MORNING SESSION

DECEMBER 11, 1910

KANSAS CITY, MO., Dec. 11, 1910.

The Board of Grand Trustees convened at 9 o'clock a. m., all members being present.

The minutes of all preceding sessions were read, corrected and approved.

The following resolution was then offered:

"The Board of Grand Trustees and the other officers of the Grand Aerie present desire to express in the minutes of the Board their appreciation of the courtesies extended to all the Grand Officers by the officers and members of Kansas City Aerie No. 47. This was the first occasion that any members of the Board have had of enjoying the kindness dispensed by this magnificent Aerie, and their one regret is that they could not give more time from their official duties to fraternize with their brothers because it is plain to them that the officers and members of Kansas City Aerie are ready at all times to place their time and services at the disposal of the Board of Grand Trustees."

The motion unanimously prevailed that this be recorded as the sentiment of the Board that the Secretary of the Board should copy this excerpt from the minutes and forward it to Kansas City Aerie No. 47, in the name of the Board.

The stenographer of the Board was instructed to recheck very carefully every bid and verify the figures; to prepare a copy of the minutes showing the awards, for every member of the Board, the Grand Worthy President, the Grand Worthy Vice-President, the Grand Secretary and the Grand Treasurer, and to return the original minutes signed by the Secretary of the Board at the time the corrected minutes are sent him.

The Grand Secretary was instructed to enter into the customary contracts with the firms to whom the furnishing of the supplies was awarded, and to protect in every way, by procuring the usual bonds from these firms, the interests of the Grand Aerie.

The following letter was given to the chairman of the Board of Grand Trustees by the members of the Board and signed by the entire body:

"Dec. 11, 1910.

"The Board of Grand Trustees, Fraternal Order of Eagles, the legal authority for making contracts between the Grand Aerie, Fraternal Order of Eagles, and all other individuals, firms and corporations, have commissioned FRANK E. HERING, Chairman of the Board of Grand Trustees, to visit officially San Francisco, and to make all arrangements necessary to hold the Grand Aerie Convention in San Francisco, August 21st to 26th, inclusive, in behalf of and in the name of the Board of Grand Trustees.

"He is empowered to make all settlements of every nature whatsoever looking toward the holding of the Convention and to enter into and sign all contracts on behalf of the Board of Grand Trustees, and otherwise fulfill such duties as, in his judgment, seem wise and necessary."

There being no further business, the Board adjourned to meet on call of the Grand Worthy President.

FRANK E. HERING, Chairman.
E. D. SANDERS,
JOS. H. DOWLING,
FRANK LEROY.

LEO MEYER, Secretary.

JUNE MEETING

Held at Kansas City, Mo.

June 6, 1911.

During the month of April, 1911, three members of the Board of Grand Trustees petitioned the Grand Worthy President in the manner provided by Grand Aerie Law for an early meeting of the Board. All the members

LIBRARY
OF THE
UNIVERSITY OF ILLINOIS

of the Board concurred in this petition. In answer the Grand Worthy President sent the following communication to the various members of the Board:

"New York, May 12th, 1911.

"Frank E. Hering,
"Past Grand Worthy President,
"Fraternal Order of Eagles,
"South Bend, Ind.:

"Received on Thursday request of yourself and Grand Trustees Dowling and Meyer referred to in your letter of the ninth inst. It is impossible for me to attend at Kansas City on the date suggested, so accordingly have issued call for meeting on June sixth, the earliest date at which I could attend meeting.

"THOMAS F. GRADY,
"Grand Worthy President."

The Board met at Kansas City, June 6th, at ten o'clock a. m., pursuant to a call of the Grand Worthy President. After considering routine matters, it recessed until Wednesday morning, June 7th.

Held at Kansas City, Mo.

WEDNESDAY MORNING

June 7, 1911

Kansas City, Mo.

The Board of Grand Trustees reconvened, all members being present; in addition, Brother Thomas J. Cogan, Chairman of the Judiciary Committee, and Grand Secretary, Conrad H. Mann, met with the Board.

Thomas J. Cogan, Chairman of the Judiciary Committee and attorney for the Board in its contention with the M. J. Frand Company of Camden, New Jersey, which firm manufactured and sold to the Grand Aerie the metallic Eagles, reported that he was in receipt of a communication from William S. Furst, counsel for the Frand Company in Philadelphia, through their associate counsel in Cincinnati.

Brother Cogan went exhaustively into the merits of the controversy from the standpoint of the Grand Aerie, and expressed his opinion that it would be a wise action to compromise the Frand Claims, because the litigation would be extended and expensive, probably in excess of the money involved.

The motion unanimously prevailed that Brother Cogan be empowered by the Board to enter into immediate negotiations with the Frand Company, either directly or through its attorneys as he deems best, with a view to

compromising the claim of that Company, the Board assuring Brother Cogan, that, upon receipt of a communication from him stating that he had from the Frand Company a proposition that, to his mind, was acceptable, the members of the Board would approve the bill of the Frand Company, and authorize a voucher for its payment against the Grand Aerie Treasury.

With a desire to have this matter closed before the meeting of the Grand Aerie, Brother Cogan was requested to give this matter his immediate attention, to visit Camden, N. J., if he thinks necessary, and to incur at the cost of the Grand Aerie such expense as he thinks necessary in the adjudication of this claim.

The matter of prizes awarded for the competitive exemplification of the ritual at the Connecticut State Aerie, held in August, 1910, was presented and, after a full discussion, the motion unanimously prevailed that the proper financial officers draw voucher-checks, one in the sum of $50.00 for Danbury Aerie No. 677, and one for Stamford Aerie No. 597, in the sum of $25.00.

It being 12 o'clock, the Board took a recess until 2 o'clock p. m.

WEDNESDAY AFTERNOON

June 7, 1911

Kansas City, Mo.

The Board of Grand Trustees reconvened at 2 o'clock p. m., all members of the Board being present. Thomas J. Cogan, Chairman of the Judiciary Committee, and John F. Pelletier, Past Grand Worthy President, also sat with the Board.

The bill of M. R. Chesney Company of Kansas City, Missouri, for modeling an eagle in the year 1909, at the request of the Board of Grand Trustees, was presented by the Grand Secretary who expressed his opinion that the bill was legitimate. Whereupon the motion prevailed unanimously that the bill be paid.

In response to the request of Rose City Aerie No. 933, Newcastle, Indiana, asking the consent of the Board to institute legal proceedings against a former Secretary of Flower City Aerie No. 920, who, at the time of the revocation of the charter of Flower City Aerie, was short in his accounts, and who is now solvent, the motion unanimously prevailed that the Board of Grand Trustees through its Secretary inform the Secretary of Rose City Aerie No. 933, to institute such proceedings as may be considered necessary in this matter.

A communication from a representative of the Louisville Anzeiger Company was referred to the Board for its consideration. The letter stated that a representative of this Company had attended a meeting of the Board of

Grand Trustees at Kansas City, in the year 1909, to make certain explanations and representations concerning certain books then under consideration for purchase by the Board of Grand Trustees. A telegram was produced, in which the statement was made that the representative of this firm came to Kansas City at the firm's expense, and inasmuch as a very considerable contract was awarded the firm as a result, in part, of this visit of its representative, the motion unanimously prevailed that this firm be notified that the Grand Aerie did not feel itself obligated in any sense for the payment of this bill.

The bill of Dickinson & Dickinson, attorneys at law, Tampa, Florida, in the sum of $35.00 for legal services incurred as a result of certain work deputized to them by the Grand Worthy President through its State deputy, J. J. Byrne, was considered by the Board, and the motion unanimously prevailed that the bill be paid.

A communication from Giddings & Giddings, Attorneys at Law, Oklahoma City, Oklahoma, was presented by Grand Trustee Leo Meyer. His statement and the contents of the letter show that in the year 1909, when certain undesirables were expelled from Oklahoma City Aerie No. 124, legal proceedings were begun against the Grand Aerie and Oklahoma City Aerie No. 124, and certain individuals, by members who were at that time expelled. The firm of Giddings & Giddings was retained to represent the interests of the Grand Aerie, and Oklahoma City Aerie and the individuals in question. The bill presented by Giddings & Giddings for legal services covered a period of two years, and was for $750.00. It was the opinion of the Board that the bill was an equitable one, and the motion unanimously prevailed that a voucher in the sum of $250.00 in favor of this firm be drawn, and that the firm of Giddings & Giddings, be notified that an additional $250.00 would be remitted by the proper officers of the Grand Aerie, when the causes instituted have been carried to a successful conclusion; and the Secretary of the Board was instructed to notify this firm that the remaining $250.00 of the bill of $750.00, should in the opinion of the Board be borne by Oklahoma City Aerie No. 124, which was the direct beneficiary of the legal proceedings.

A communication from W. C. Fust, Recording Secretary of Minneapolis Aerie No. 34, referring to the consideration of the Board the bill of A. C. Finney for legal services in the Malmstedt case was taken up; and the motion unanimously prevailed that the Secretary of the Board communicate with Mr. Finney and to Brother W. C. Fust requesting them to have the claim of Brother Finney presented for the consideration of the Board, through the proper officers of Minneapolis Aerie, setting forth in full the services rendered, by whom Mr. Finney was employed, for whom the services were performed and the amount of his fees, as his services were rendered in the years 1908 and 1909, and none of the present Board are familiar with the circumstances.

There being no further business ready for the consideration of the Board, a recess was taken until 10 o'clock Thursday morning, June 8, 1911.

THURSDAY MORNING SESSION

June 8, 1911

Kansas City, Mo., June 8, 1911.

The Board of Grand Trustees met at ten o'clock a. m. Thursday, June 8, 1911, at the office of the Grand Secretary. All the members of the Board were present, and Thomas J. Cogan, Chairman of the Judiciary Committee, and Past Grand Worthy President John F. Pelletier, also sat with the Board.

The minutes of the previous session were read and approved. Having completed the business left over from the St. Louis meeting and the December meeting at Kansas City, the Board examined the proceedings of the Grand Aerie Session at St. Louis, for the purpose of ascertaining what had been commissioned by the Grand Aerie to be done by the various officers of the Grand Aerie.

Owing to the fact that the Grand Worthy President was not present at Kansas City, the members of the Board desired officially to call his attention to certain matters that have not been disposed of and made such matters part of the unfinished business.

Brother Thomas J. Cogan, Chairman of the Judiciary Committee, reported concerning the claim of Mr. B. J. Monaghan of Philadelphia for $43.00 against the Grand Aerie, that he said had been paid by him to a Washington Attorney for legal services in the matter of obtaining a patent for an official button, as follows:

> "If Mr. Monaghan made such application as B. J. Monaghan, individually, for the patent of the button and secured any such patent as an individual, before he could make any claim against this Grand Aerie to refund any money that he may have paid, he should transfer to the Grand Aerie whatever interest he has in the patent right; otherwise, he would not be entitled to make any claim on the Grand Aerie for any money so expended."

The Secretary of the Board was instructed to notify Mr. B. J. Monaghan of this opinion of the attorney of the Board.

The Board instructed the Grand Secretary to prepare the necessary instruments for the withdrawals of the time deposits from the Second National Bank of Saginaw, Michigan, and the Camden National Bank of Camden, New Jersey, which depositaries pay at the present time 3%, and place these deposits in the First National Bank of Sayre, Oklahoma, and the Exchange National Bank of Spokane, Washington, both of which banks are United States Depositaries, and pay 4% on deposits. Brother Sanders further stated that, in addition to paying the Grand Aerie 4% interest on the time deposits, those banks would pay the premium on the bonds at present being issued.

The Board of Grand Trustees furthermore instructed the Grand Secretary to cancel the bonds placed with the intention of insuring the Grand Aerie against failure in the various national banks in which our time deposits are placed, the Board being of the opinion that National Banks are much more likely to withstand the stress of any financial storm than any bonding company that could pass upon those banks; and, being of this belief, the Grand Secretary was instructed to cancel these bonds, and, if possible, secure a pro rata return of the premiums unearned.

The Chairman of the Board of Grand Trustees then presented an exhaustive report of his visit to San Francisco and the subjects to which he gave his attention, and the contracts entered into or prepared. The Board unanimously approved his action and ordered his detailed report to be placed on file.

Conferences between the members of the Transportation Committee of the San Francisco Aeries and the California representatives of all the East and West Trunk Lines, were participated in for the Grand Aerie by Brother Hering.

As a result of these conferences, the railroads finally granted the lower rate promised at the St. Louis Grand Aerie Session, and, as a result, there has been accomplished a saving of ten dollars on each ticket from Missouri River points and East thereof—a saving which will aggregate thousands of dollars, and will directly benefit the Eastern delegates.

The Board commended the members of the Transportation Committee of the San Francisco Aeries and Brother Hering for the insistence that has resulted in securing these low rates.

THURSDAY AFTERNOON SESSION

June 8, 1911

Kansas City, Mo., June 8, 1911.

The Board reconvened at 2 o'clock, all members being present, Grand Secretary Conrad H. Mann, Past Grand Worthy President John F. Pelletier, and Chairman of the Judiciary Committee, Thomas J. Cogan, sitting with the Board.

The members of the Board of Grand Trustees finding a conference with the Grand Worthy President absolutely necessary to transact business of vital importance to the Grand Aerie, and learning that the Grand Worthy President could not come to Kansas City, after full deliberation, recessed to meet at the office of the Grand Worthy President, Bryant Arcade Building, in New York, requesting the Grand Secretary and the chairman of the Judiciary Committee to accompany them.

SATURDAY MORNING SESSION

JUNE 10, 1911

KNICKERBOCKER HOTEL, N. Y.

All the members of the Board of Grand Trustees and Thomas J. Cogan, Chairman of the Judiciary Committee, arrived at the Knickerbocker Hotel at 9:30 a. m., and immediately held a meeting of the Board.

The Board requested and delegated Brother Thomas J. Cogan, Chairman of the Judiciary Committee to go at once to the office of the Grand Worthy President, in the Bryant Arcade Building, corner of 42nd Street and 7th Ave., and ask him when it would be his pleasure to meet with the Board. The Board remained in session, awaiting the return of Brother Cogan.

On his return, he reported that the Grand Worthy President was in Albany attending to his legislative duties and at the request of the Board, Brother Thomas Cogan took the four o'clock train to Albany, in order to ascertain when it would be most acceptable to the Grand Worthy President to meet with the members of the Board. Not having definite information by ten o'clock p. m., the Board recessed to reconvene the following morning.

SUNDAY MORNING SESSION

JUNE 11, 1911

KNICKERBOCKER HOTEL, N. Y.

The Board reconvened at the Knickerbocker Hotel, all members being present. At this time they were joined by Brother Conrad H. Mann, Grand Secretary, who had just arrived from Kansas City, for the purpose of presenting to the Grand Worthy President matters of vital importance to the conduct of his office as Grand Secretary and also of vital importance to the Order.

At eleven o'clock, Thomas J. Cogan, Chairman of the Judiciary Committee, returned from Albany where he had passed the previous evening in consultation with the Grand Worthy President.

The Grand Worthy President explained to Brother Cogan, in substance, that owing to his legislative duties and his failing health, he had not been able to give the time that he had anticipated to the affairs of the Grand Aerie; and, after a full explanation by Brother Cogan of the urgent need of immediate supervision of the mail that had accumulated, he requested Brother Cogan to tell the Board of Grand Trustees that he would be glad to meet with Chairman of the Board, Brother Hering, with Grand Secretary Conrad H. Mann, and Brother Cogan, at Albany, in the afternoon of Sunday June 11, 1911.

This report concerning the wishes of the Grand Worthy President was discussed in full by the members of the Board of Grand Trustees and they delegated Brother Hering, Brother Mann and Brother Cogan to go to Albany, and to submit respectfully to the Grand Worthy President that the best interests of the Order would be subserved if the following arrangements were made:

1st—That all files, papers, correspondence of every kind in the office of the Grand Worthy President should be sent to the office of the Grand Secretary, and that, until the end of the present term, such correspondence should be handled from the Grand Secretary's office.

2nd—That the Grand Worthy President should authorize the Grand Secretary, Conrad H. Mann, to use his fac simile on all documents of every kind requiring his signature.

3rd—That the office in New York, so far as a receiving station for mail should be continued until the end of the present term, and that some one agreeable to the Grand Worthy President and in whom the Board has confidence should receive such communications in New York and forward them to the office of the Grand Secretary at Kansas City.

4th—That the Grand Worthy President give such assistance and advice as he can whenever called upon by the Grand Secretary or the Board of Grand Trustees, in the conduct of his office during the next three months.

After considerable discussion as to what course of procedure would insure the best results to the Order, and, as Albany was on the homeward route of every member of the Board, it was determined that all the members of the Board accompanied by Brothers Mann and Cogan should go to Albany in order that there could be an immediate meeting of the entire Board in case the Grand Worthy President should so desire, or in case the delegates appointed to confer with him should so wish.

SUNDAY EVENING SESSION

June 11, 1911

Hotel Stanwix, Albany, N. Y.

The Board of Grand Trustees and Brothers Mann and Cogan reached Albany about seven o'clock Sunday evening. Brothers Hering, Mann and Cogan went immediately to the house of the Grand Worthy President, where they had a conference with him lasting about two hours and a half.

On their return to Hotel Stanwix, they reported, in substance, that the Grand Worthy President had acceded to the request of the Committee representing the Board, and that he would permit all correspondence and files

to be removed immediately to the Grand Secretary's office, at Kansas City; that he had signed an instrument empowering the Grand Secretary to use his fac simile on all documents where it was necessary; and that he had empowered Brother Leo Meyer to forward all correspondence and records from New York to Kansas City; that he would immediately dismiss his entire office force with the exception of a file clerk, who is to forward the correspondence to Kansas City; and that he had made explanation to the Committee of the Board that the pressure of the official duties of his legislative office had interfered exceedingly with the expeditious conduct of the Grand Worthy President's office in the manner in which he had wished to conduct it.

The Grand Worthy President signed documents as follows:

"ALBANY, N. Y., June 11, 1911.

"CONRAD H. MANN, Esq.,
"Grand Secretary, F. O. E.,
"Kansas City, Mo.

"THOMAS F. GRADY,

"Grand Worthy President."

The committee appointed by the Board to confer with the Grand Worthy President having made an exhaustive report and the foregoing documents from the Grand Worthy President having been presented and considered, it was the wish of the unanimous Board that the requests of the Grand Worthy President be complied with and that the direction of his office should be conducted during the remainder of his term from Kansas City through the Grand Secretary's office.

The Board then adjourned to meet Monday, August 14th, 1911, at the St. Francis Hotel, San Francisco.

MINUTES OF MEETINGS OF THE BOARD OF GRAND TRUSTEES, FRATERNAL ORDER OF EAGLES

Held at St. Francis Hotel, San Francisco

MONDAY, AUGUST 14

AFTERNOON MEETING

The Board of Grand Trustees met at 3 o'clock p. m., in the St. Francis Hotel, and discussed the matters which should receive their attention during the week preceding the Convention of the Grand Aerie. Brothers LeRoy and Meyer were made a sub-committee to confer with the various printing establishments of the city with a view to placing contracts for the printing of the Daily Journal, and such other matters as is necessary.

There being no further business for immediate consideration, the Board adjourned.

MONDAY, AUGUST 14, 1911

EVENING MEETING

The Board of Grand Trustees met at the Hotel St. Francis in the room assigned to the use of the Board, and read over in its entirety the minutes of the preceding meetings during the year.

Brother Meyer reported that, in conformity with the request of the Grand Worthy President, he had forwarded all records, files, etc., of the Grand Worthy President, the property of the Grand Aerie, from the office in New York City to the Grand Secretary's office at Kansas City.

The motion unanimously prevailed that the prizes appropriated by the Grand Aerie during the year 1909-1910 for the exemplification of the Ritual at the Tri-State Aerie in Utah, Idaho and Nevada in the amount of $100.00 be paid. According to the report of the representative of the Grand Aerie, the first prize of $70.00 was awarded to Salt Lake Aerie No. 67, and the second prize of $30.00 was awarded to Ogden Aerie No. 118.

The Board then adjourned to reconvene at eleven o'clock a. m., Tuesday, August 15th.

THURSDAY MORNING SESSION

August 17, 1911

The Board of Grand Trustees reconvened, all members being present.

After a discussion of the routine business, the motion unanimously prevailed that Brothers Dowling and Meyer be appointed as a committee to take under consideration the program of the opening session preceding the meetings of the Grand Aerie, and to request such suggestions from the local committee as the local committee may wish to submit for the consideration of the Board in preparing this program.

Brother Frank E. Hering, the chairman of the Board of Grand Trustees, at this time called the attention of the Board to the necessity of stimulating the enthusiasm of the members of the Order in every part of the jurisdiction to the end that the financial and numerical standing of the Fraternity should be strengthened. He submitted the following communication, which, he stated, contained his ideas of some important reforms.

Leo Meyer, Esq., Sec. Board Grand Trustees; Jos. H. Dowling, Esq., Grand Trustee; E. D. Sanders, Esq., Grand Trustee; Frank LeRoy, Esq., Grand Trustee.

Dear Sirs and Brothers:

In the light of my experience as a Grand Officer, and after considering the present conditions of the Fraternity, I desire to call the attention of the Board of Grand Trustees to certain changes and reforms in our Laws which, I believe, will unquestionably work for the betterment of the Fraternity. I am very strongly in favor of taking from the Grand Worthy President certain duties now vested in him and of giving them to the proper officers in the State Aeries. A strong

fraternity is an institution that requires years of growth. During those years, weakness and crudities in the Subordinate Bodies are eliminated, and the necessity of certain high centralization in the supreme body is lessened. Through service in the Order, each year more and more men are added to the number of those qualified to take an active part in the management of the affairs of the Fraternity. What we especially need at the present time is a general awakening of enthusiasm among Aeries located in the smaller cities and towns and stimulation of interest in many Aeries located in the larger cities. I am convinced that this cannot be done nearly so effectively through the Grand Aerie or any of its officers as it can be done through State Aeries. The exemplification of the Ritual, the securing of desirable members and the spreading of enthusiasm for the aims of the Order can best be secured, to my mind, through State Bodies whose officers have sufficient power to carry into effect their desires.

I would, therefore, suggest that we recommend to the next Grand Aerie, the immediate preparation, consideration and adoption of a code of Laws that will make State Aeries bodies of dignity and power to be respected and welcomed by the Subordinate Aeries within their jurisdiction with offices that will be sought by the very best men in the Fraternity. For several years, we have conscientiously tried to get the best results under the existing laws; I am fully satisfied that we have not and we cannot get the best results for the Fraternity under the existing code; this conviction being based on actual knowledge of the Order, I have not hesitated to use my voice and influence my friends throughout the country in an effort to persuade them to accept certain ideas which I have presented for their consideration. To this end, I submitted to the State Aerie of Indiana, a number of resolutions, looking toward a direct representation of State Aeries in the Grand Aerie, such representatives to be chosen by the State Aeries for the sole purpose of representing the wishes of the State Aeries in the deliberations of the Supreme Body. Indiana unanimously adopted these resolutions and they have in their entirety or with slight modifications received, I understand, the approval of the State Aeries of Ohio, Michigan, New York, Wisconsin, Iowa, Georgia, South Carolina, Florida, Montana, and so on. I trust that my colleagues on the Board of Grand Trustees will join with me in the movement to strengthen the usefulness and add to the powers of these State bodies.

The question of bonds for financial officers is also of the utmost importance. I am of the opinion that we shall not secure satisfactory bonds for the officers of the Grand and Subordinate Aeries until the Grand Aerie maintains a bonding department. I have in my possession application blanks and transcript of the laws governing the bonding department of one of the great Trades Union Associations

of the country, and I have been in correspondence with the National Secretary of this organization. After reading such literatures, I have been able to obtain, I feel confident that the Grand Aerie can embark in the business of bonding the officers of the Grand and Subordinate Aeries; which will accomplish three things:

1st. It will permit the Grand and Subordinate Aeries to bond their financial officers at a much lower premium than we can get in any acceptable bonding company at the present time.

2nd. The Grand Aerie is simply the servant of the Subordinate Aeries and a bonding department operated by the Grand Aerie will do away with the litigation in which, under the present system, Subordinate Aeries must engage in almost every instance where it seeks to collect upon the bond of some defaulting officer.

Finally, I would strongly urge upon the consideration of the Board of Grand Trustees the presentation to the Grand Aerie of some plan that will permit the visitation of each Subordinate Aerie every year by some representative of the Grand Aerie or of the State Aerie. I believe the best way to accomplish this would be through a deputy, under the direction of the Grand Worthy President or the State Aerie. Such visit seems to me to be a matter of much moment.

I have been influenced to write this letter because I think the time is ripe for some very radical changes and I purpose to do what I can to bring them about. To me the important question is not **who shall exercise** the power, but who can **best** exercise it. The time has come to increase the powers of the State bodies, permitting the State organizations pretty largely to do those things that they are qualified best to do, and giving the supreme body the doing of those things that cannot be done by the State Body without injury to the Order in general.

Trusting that you will accept this recommendation in the spirit in which it is written, I am,

Fraternally yours,
FRANK E. HERING,
Chairman Board Grand Trustees.

The Board unanimously requested Brother Hering to permit the incorporation of the letter in the minutes of the Board as an expression of the individual approval of each member of the Board, and for the purpose of bringing two very important subjects before the proper Committees of the Grand Aerie and before the Grand Aerie itself, because, as a part of the report of the Board of Grand Trustees, this letter with its subject matter may at any time be called up for the consideration of the Grand Aerie, if the Grand Aerie so chooses.

The Board then adjourned to reconvene at two o'clock p m.

THURSDAY AFTERNOON SESSION

August 17, 1911

St. Francis Hotel, San Francisco.

The Board of Grand Trustees convened, all members being present. Brother Thomas J. Cogan, Chairman of the Judiciary Committee, was invited to sit with the Board.

The attorney for the Board then made an exhaustive report of his correspondence with the firm of attorneys representing the M. J. Frand Company, relative to the settlement of the claims of the M. J. Frand Company, against the Grand Aerie.

Brother Cogan reported that he had been able to get a reduction of $1,100.00 in the last statement rendered by the M. J. Frand Company against the Grand Aerie, and he explained in detail and produced documents which proved beyond question that his recommendations as to settlement with the Frand Company permitted the Grand Aerie to settle for the metallic Eagles at the net contract price to the Frand firm. The recommendation of the attorney of the Board was unanimously approved. Of the money illegally deflected from the Treasury of the Grand Aerie in the purchase of supplies, the Grand Secretary and Brother Cogan, with the assistance of the members of the Board, have saved to the Treasury of the Grand Aerie, during the year, $3,800.00.

The Board will present supplemental minutes during the sessions of the Grand Aerie.

The Board of Grand Trustees wish to express their thanks for the uniform courtesy extended to them by every officer and committeeman of the Grand Aerie with whom they have had business or fraternal relations; and especially to commend the highly efficient manner in which Brother Conrad H. Mann, Grand Secretary, has fulfilled the duties of his own office and those that were commissioned to him by the Grand Worthy President. It is with confidence that the Grand Aerie will accept this report as evidence that we have conscientiously tried to represent, as best we can, the interests of the Grand Aerie during the year that we have been entrusted with power, we subscribe ourselves,

Fraternally yours in L. T. J. & E.,

FRANK E. HERING, Chairman.
JOSEPH H. DOWLING,
E. D. SANDERS,
FRANK LEROY.

LEO MEYER, Secretary.

To the Grand Worthy President, Officers and Members of the Grand Aerie, Fraternal Order of Eagles:

We, your Committee on Finance, whose duty it is to examine and investigate the records and accounts of the Grand Aerie, and the financial condition of the Order, respectfully submit the following report of conditions as we find them.

We have examined the books of the Grand Secretary and Grand Treasurer, item by item, and have carefully checked the Grand Secretary's books with the Grand Treasurer's, and we find them to balance truly.

We congratulate the Grand Aerie on its present system of bookkeeping, and the ease with which the minutest item can be reached, and upon the selection of such competent and painstaking financial officers as Brother Conrad H. Mann, Grand Secretary, and Brother Finlay McRae, Grand Treasurer.

In the Grand Treasurer's report the following typographical errors occur: On page 5 warrant No. 3733, deposited December 18, 1906, Citizens National Bank, South Bend, Indiana, interest 4 per cent, $1,000.00, should read $10,000.00.

On page 18, voucher-check No. 7414, express, September, 1910, $169.96, should read, Conrad H. Mann, express September, 1910, $169.96.

Voucher-check No. 7437, Frank E. Hering, expense closing office South Bend, $107.39, should read, expense Grand Worthy President's office from August 1st to August 15th, 1910, $107.39.

On page 21, voucher-check No. 7527, should read No. 7529, and voucher-check No. 7529 should read No. 7527.

We also desire to report the following original bills missing in the files of the Grand Secretary's office:

August 18, 1910, Frank E. Hering, Grand Worthy President's office, expense voucher-check No. 7183, $600.00.

January 20, 1911, Peter Biewar, expense reorganization Sapulpa, voucher-check No. 7524, $32.85.

July 14, 1911, Thos. F. Grady, G. W. P., salary for July, 1911, voucher-check No. 7728, $333.30.

Duplicate bills properly endorsed by the Board of Grand Trustees for the above have been presented to your Finance Committee.

We herewith attach the report of Messrs. George Peake & Sons, expert accountants, who examined the books of the Grand Secretary, and make it a part of this, our preliminary report.

EDWARD B. GIBBONS,
BERNARD F. McGINTY,
W. H. MULDREW, Secretary,

KANSAS CITY, MO., August 5, 1911.

GRAND WORTHY PRESIDENT AND GRAND WORTHY TRUSTEES, FRATERNAL ORDER OF EAGLES.

Gentlemen:

Mr. Conrad H. Mann, Grand Secretary of your Organization at this point, instructed us to audit the books of the Order as kept here. We have just completed this audit up to and including July 15, 1911, and with this hand you papers pertaining to this examination: Trial Balance; and at the foot of Trial Balance you will notice a statement of Assets and Liabilities, a statement of Profit and Loss account and a statement of all moneys remitted to Mr. Finlay McRae, Grand Treasurer, and the amount of warrants as paid by him during the current year. We footed and checked all the books in the office here, checking all items into the ledger, and proving up all the accounts of the individual Aeries as to their transactions with the Grand Secretary's office. We proved up all the Bank accounts, as well as the Grand Treasurer's account with the Grand Secretary and we find all of these accounts to be correct. By noticing the Profit and Loss account statement, you will see that upon the face of it, it shows a loss of $5,592.02, but from this should be deducted the amount that is still in the Checking Fund account, $1,614.56, which would make the loss according to this statement, $3,977.47. This amount can very easily be accounted for and a good deal more beside, and we desire to call your attention to the following in comparison with last year's statement:

Receipts from Organization for 1910	$ 7,809.79		
Receipts from Organization for 1911	3,134.40	$4,675.39	
Receipts from Fines 1910	2,510.00		
Receipts from Fines 1911	1,440.00	1,070.00	
Profit on Supplies 1910	17,094.53		
Profit on Supplies 1911	10,158.27	6,936.26	$12,681.65

We report the following Vouchers missing: From the file in the Grand Secretary's office, August 18, 1910, Frank Hering, G. W. P. office expense No. 7183, $600.00; January 20, 1911, Peter Diewer, Expense reorganization

Sapulpa, No. 7524, $32.85; July 14, 1911, Thos. F. Grady, G. W. P., Salary for July, 1911, No. 7728, $333.30. The detail work in the Grand Secretary's office still continues and, with the number of Aeries that he has to deal with, it is hardly possible to make it less. We would add that everything in the office was in better shape than it has ever been, showing much care in handling the work. Would be pleased to serve you again,

Very respectfully,

G. E. PEAKE & SONS.

The next order of business being the report of the Committee on Grievances and Appeals, Brother Earl Rogers of Los Angeles Aerie No. 102, Chairman of that Committee, presented the following reports, stating at the same time that this was a partial report and that a supplemental report would follow later. He further stated that many of the cases referred to their Committee had been sent back because they did not contain a record of the facts, and the Committee could not make up its mind as to who was right and who was wrong.

The first case presented was the matter of Vincennes Aerie No. 384 versus Robinson Aerie No. 1789, which was adopted upon motion of Brother Leo I. Stock of Fresno Aerie No. 39, seconded by Brother C. W. Lanby of Vincennes Aerie No. 384.

IN THE MATTER OF VINCENNES AERIE No. 384

vs.

ROBINSON AERIE No. 1789

Brother Tom Duffy of Robinson Aerie was taken suddenly ill while on the streets of Vincennes, Indiana. He had been attacked by appendicitis and was in an extremely critical condition. He had no money. He was

taken by an officer of Vincennes Aerie, who knew that Brother Duffy was an Eagle, to a convenient hospital.

Robinson Aerie, being notified, sent a message to Vincennes Aerie to the effect that the sick man was to be cared for by Vincennes Aerie and given the proper medical attention.

He seems to have been attended by the Aerie Physician of Vincennes Aerie and to have received excellent care at a moderate cost.

There seemed no alternative, under the conditions, but to keep Brother Duffy in the hospital and save his life, or move him to the poor house and let him die. Vincennes Aerie incurred an indebtedness in the matter at most reasonable charges of $101.00, $49.00 of which has been paid.

Continued correspondence on the part of Vincennes Aerie seems not to have met with businesslike consideration or response. It might be well for Aeries to recognize that failure to answer business letters from other Aeries is not going to excuse them or relieve them from their obligations. At this Session, your Committee has had before it at least a dozen complaints where the complaining party was unable to receive an answer of any kind from the Aerie in its debt. If Aeries cannot get Secretaries who can write the English language, they at least can get Secretaries who can make Indian signs. We approve of the almost universal complaint which we find in the cases submitted to us, that Secretaries do not answer correspondence, which seems to be widespread and well-founded, and we take this occasion of saying that Aeries which do not have Secretaries who can attend to business should make some kind of a change.

We give judgment in favor of Vincennes Aerie against Robinson Aerie in the sum of $52.00, payable forthwith.

We must, however, not be construed as saying that an Aerie is bound to pay a greater sum that its sick benefits provide; but, when an Aerie authorizes a sick member to be cared for, it must protect itself by announcing plainly the amount for which it will be bound.

The next case presented was the claim of Anaconda Aerie No. 18 versus Deer River Aerie No. 1338, which, upon motion of Brother Chas. Carriher of Anaconda No. 18, was adopted.

IN THE MATTER OF THE CLAIM OF ANACONDA AERIE No. 18

vs.

DEER RIVER AERIE No. 1338

For Funeral Expenses Paid by Anaconda Aerie No. 18

In September, 1910, Anaconda Aerie No. 18 paid funeral benefits to the widow of William Brown, late member of Deer River Aerie No. 1338. The officers of Deer River Aerie directed Anaconda Aerie to attend to the burial of the late member of Deer River Aerie, and informed said Aerie that the funeral benefits allowed were $50.00.

In addition to the $50.00 providing for the bare necessities of the funeral, Anaconda Aerie, in the spirit of brotherhood, purchased a floral tribute to the deceased costing $5.00. The expense of telegraphing the facts to Deer River Aerie cost the further sum of $1.95. No excuse is made by Deer River Aerie why it has not paid the funeral benefit to the Aerie which advanced it; on the contrary, all requests for attention to the matter seem to have been intentionally and most unfraternally ignored.

We hold that Deer River Aerie must forthwith pay to Anaconda Aerie No. 18, the sum of $51.95 and proper steps will be taken by the Grand Aerie to see that the debt is liquidated.

We have not the power to establish a law that an Aerie which, through kindness and charity, provides a floral piece to modify the gloom and grief attending a funeral must, of necessity, be reimbursed. We regret that this is so. If the fraternal spirit of Deer River Aerie does not suggest that they pay this $5.00, we have no means of compelling payment. We do, however, feel at liberty to suggest to our brothers not to die at Deer River, Minnesota.

The next case presented was an appeal of Lowell Aerie No. 223, which, upon motion of Brother Daniel O. Sweeney of New Bedford Aerie No. 647, seconded by Brother G. A. Anthier of Webster Aerie No. 835, was adopted, after it had been ascertained that the delegate from Lowell was in attendance at this session.

APPEAL OF LOWELL AERIE No. 223, PRESENTING AN INTERESTING QUESTION OF PARLIAMENTARY LAW

The facts may be briefly set forth as follows:

At a meeting of the Lowell Aerie, held June 1, 1911, a motion was made and carried "that we send a delegate to the Grand Aerie Convention, to be held in San Francisco."

Notice of this meeting was sent to each member by United States mail, and there appears to have been a fair attendance. The notification of the Secretary stated, among other things, that the question of sending a delegate to this Grand Aerie would be taken up and passed upon. A resolution passed at a former meeting fixes the amount to be paid the delegate for expenses.

Immediately upon the passage of the resolution above referred to, Brother Connors, a member in good standing, gave notice of a reconsideration, to be acted upon at the next regular meeting.

At the next meeting, when the order of unfinished business was reached, the Worthy President, Patrick McCann, left the chair, and called the Vice-President to occupy his station. Thereupon Brother McCann, the Worthy President, was recognized, and made an argument from the floor, which, from the record, appears to have been somewhat bitter, during which address he endeavored to persuade the members present to vote for a reconsideration and to refuse to send a delegate to the Grand Aerie.

Immediately upon the conclusion of his argument from the floor, he endeavored to resume his chair and gavel and thereafter to preside over the deliberations of the Order, as if he had not left the chair.

It appears, further, from the record that the Vice-President refused to permit the Worthy President to resume the chair, giving as the reason for his refusal, that the subject matter, over which the Vice-President had been called to preside and upon which the Worthy President has taken the position of a partisan was still undetermined.

The Worthy President thereupon seized the pedestal at the station and moved it in front of himself, while the Vice-President still occupied the station, and retained the seat and gavel.

We gather that the altercation was unseemly and not conducive to the good of the Order, and one of which the Aerie has no reason to be proud.

The vote upon reconsideration being taken, the Vice-President, claiming to be the Presiding Officer, declared the motion lost, while the President, assuming to be the Presiding Officer, declared the motion carried.

We regret to say that the papers before us, on the part of the Worthy President, Patrick McCann and on the part of Brother Connors, those who favored reconsideration, are such as ought never to be filed in a controversy between brothers of the same Lodge. They contain statements, epithets and words which no Eagle should use with respect to another. The tenor and the tone of the showing made by the Worthy President and by Brother Connors, have done much to convince us that both were intense and bitter partisans and that Patrick McCann, Worthy President, was—so far as this matter is concerned—altogether an improper person to preside fairly and justly over the Aerie, while the subject was being considered.

It may be suggested that epithets and blackguardism have no tendency to convince the Appellate body of the existence of the proper fraternal spirit.

We recommend that Lowell Aerie consider the case of this member and this officer with a view to preventing further scenes of this kind.

We sustain the appeal of Brother John H. Farrell and find him elected to represent his Aerie in the Grand Aerie. We find that he is entitled to cast the vote of his Aerie. He was elected at the meeting of June 1st. The motion to reconsider his election was declared lost by the proper presiding officer, from which ruling no appeal was taken. Therefore, it became final.

The importance of the question justifies an opinion which shall guide presiding officers of Aeries in the future.

In Roberts' Rules of Order, the following statement is made:

> "The Chairman sometimes calls a member to the chair and himself takes part in the debate; but this should rarely be done, and nothing can justify it in a case where much feeling is shown, and there is a liability to difficulty in preserving order. If the chairman has even the appearance of being a partisan, he loses much of his ability to control those who are on the opposite side of the question."

Cushing's Manual says the following:

> "It is a general rule in all deliberative assemblies that the presiding officer shall not participate in the debate or other proceedings in any other capacity than as such officer. He is only allowed, therefore, to state matters of fact within his knowledge; to inform the assembly on points of order or the course of proceedings, when called upon for that purpose, or when he finds it necessary to do so; and, on appeals from his decision, on a question of order, to address the assembly in debate."

Jefferson thus treats the subject:

"Though the Speaker (Chairman) may of right speak to matters of order and be first heard, he is restrained from speaking on any other subject except where the assembly have occasion for facts within his knowledge; then he may, with their leave, state the matter of fact."

We hold, therefore, that, when the presiding officer has voluntarily surrendered the chair in order to take part as a partisan in the debate upon a question, he cannot resume the chair while the matter is under discussion and before its disposition.

It is unseemly that the same person should be both advocate and judge.

When the Worthy President steps down from his station and participates in the discussion upon a question, he carries with him, to a degree, the prestige attached to his office.

When he sees fit to relinquish his position as an arbiter and becomes a participant in the debate—except when he merely states facts within his own knowledge or gives information upon request—he should not be allowed to resume his station and rule upon questions raised during the debate. The presiding officer always should be impartial and he cannot be impartial if he takes one side or the other.

We are not unmindful of the rule that prevails in legislative and political assemblies on certain occasions; but they are not a precedent for a case such as the one before us in a fraternal body.

Therefore, in this case, the Worthy President having surrendered the Chair, and the gavel, was not at liberty to resume his station, while the matter upon which he had spoken, as advocate, had not been disposed of in some fashion and was still under consideration.

The appeal is sustained, and Lowell Aerie No. 223 is directed to pay Brother Farrell the amount prescribed by their resolutions duly adopted as to expenses for delegates, within thirty days after receipt of notice of action of the Grand Aerie.

The next case presented was that of Brother Ralph Lee of Milville Aerie No. 1836, which was adopted on motion of Brother

Tom Carpenter of Alameda Aerie No. 1076, after a motion by Brother W. T. Moran of Nebraska City Aerie No. 968 to strike out the recommendation of the Committee had been lost.

IN THE MATTER OF BROTHER RALPH LEE

OF

MILLVILLE AERIE No. 1836

The transcript in this case discloses that Ralph Lee, the accused, while at Chester, Pa., acted in a manner altogether unbecoming an Eagle, and upon charges preferred and investigated in accordance with law, was tried by a Committee of Chester Aerie No. 159 and found guilty. That he was thereupon fined five dollars or was given the alternative of three months' suspension.

It further appears that Millville Aerie No. 1836 refused to concur in the verdict of the trial by the Committee, and thereupon an appeal has been taken to this Committee.

The evidence discloses acts and conduct on the part of Brother Ralph Lee at the home of Chester Aerie, which justify a much more severe penalty than that imposed.

The record discloses that Brother Lee did not seriously controvert his guilt, and we are unable to find in the record any sufficient reason for the nonconcurrence of Millville Aerie.

Certainly an Aerie has the right to object most strenuously to a visiting Brother getting drunk, noisy and belligerent and foolish, and while so intoxicated visiting the home of such Aerie, and there making himself not only conspicuous but obnoxious.

This Committee affirms the judgment of Chester Aerie No. 159 in all particulars, except as to the penalty provided. In that matter we believe the offense to be so serious that we recommend Brother Lee to be suspended as a member of the Fraternal Order of Eagles for a period of one year.

The next case presented by Brother Earl Rogers was the appeal of Comox Aerie No. 1953, which, upon motion of Brother K. O. Fisher of Omaha Aerie No. 38, seconded by Brother D. J. Cook of Bingham Canyon Aerie No. 659, was adopted.

IN THE MATTER OF THE APPEAL OF COMOX AERIE NO. 1953, PRESENTED AUGUST 19, 1911

It appears from the record that Comox Aerie, under the law, submitted to the Grand Worthy President By-Laws passed by the Aerie for his approval. Thereafter, the Grand Worthy President approved some of the By-Laws submitted, rejected others, and modified yet others.

Upon receipt of the decision of the Grand Worthy President in the premises, Comox Aerie appealed to this Committee, with the request that they be allowed to adopt one of the By-Laws disapproved, so as to meet with local exigencies.

Comox Aerie is in British Columbia, and according to the record, consists in a large part of miners, whose disabilities are likely to be somewhat more lasting than ordinary cases of illness. Comox Aerie, therefore, desires to be allowed to pay benefits for a longer period than that allowed by the Constitution.

This question has been before the Grand Aerie on many occasions, and all precedents, as well as consideration for the general good of the Order, seem to favor strict adherence to the time laid down in the constitution during which an injured member has a right to benefits.

We are of opinion that to permit By-Laws of the kind suggested by Comox Aerie being adopted generally, would be unwise and moreover impracticable in the end.

Very few Aeries could stand the drain upon their Treasury for sick benefits, such as would result from the proposed By-Law of Comox Aerie.

We therefore sustain the decision of the Grand Worthy President in the premises.

We know of no rule of the Order, however, which would prevent an Aerie from creating an Emergency Fund—in the nature of a Charitable Fund—out of which may be paid such sums for emergencies and the welfare of the members of the Order, as may be proper, although we do not approve the

adoption of such a policy. If Comox Aerie sees fit so to dispose of its funds to create a fund which shall be used to pay extraordinary sick benefits, we know of no rule forbidding such action.

The next case presented by Brother Earl Rogers was that of Vincennes Aerie No. 384 versus Mathews Aerie No. 944, which, upon motion of Brother John A. Newell of Wilmington Aerie No. 74, duly seconded, was adopted.

IN THE MATTER OF VINCENNES AERIE No. 384
vs.
MATTHEWS AERIE No. 944

A member of Vincennes Aerie preferred charges against Hector Walcott, of Matthews Aerie No. 944, both of whom resided at Vincennes, charging Hector Walcott of Matthews Aerie with conduct unbecoming an Eagle and conduct violative of his oath as an Eagle, the details of which charge need not here be set forth. Suffice it to say that such conduct is reprehensible under the laws of this Order and common humanity.

A trial was held at Vincennes Aerie, and, under the Law, the verdict was sent to Matthews Aerie.

Matthews Aerie has refused to pay the expenses of the trial.

Our Laws provide for the payment of such expenses by the Aerie of which the offending person is a member.

Therefore, Matthews Aerie No. 944 is instructed to pay Vincennes Aerie No. 384 the sum of $7.27 forthwith.

The next case presented was the appeal of B. J. Monaghan of Philadelphia, which, upon motion of Brother W. E. Dean of Coalinga Aerie No. 1872, seconded by Brother H. F. Briggs of Fresno Aerie No. 39, was adopted unanimously.

To the Grand Aerie, Fraternal Order of Eagles—

Dear Sirs and Brothers:

Your Committee on Grievances and Appeals to which has been referred the grievance of Bernard J. Monaghan, respectfully reports:

That at the Grand Aerie held at St. Louis, Missouri, in 1910, charges preferred against B. J. Monaghan were referred to a Trial Committee, which Committee reported as follows:

(See page 374, Proceedings 1910.)

"Finding No. 5. In the case of Brother B. J. Monaghan of Philadelphia Aerie No. 42, a member of the Grand Aerie, we find the said Brother B. J. Monaghan guilty of knowingly, intentionally and wilfully permitting a bid, to-wit:

"The bid of John S. Dodsworth for the printing of Rituals for the use of Subordinate Aeries in this Order, which said bid was then lawfully before the Grand Officers of this body, to be changed so that instead of being a bid for 58 cents per copy, the said bid was for 68 cents per copy, whereby the Grand Aerie was defrauded by said Martin J. Gray of the sum of $1200.00 thereafter corruptly and unlawfully received by the said Martin J. Gray from said John S. Dodsworth.

"As to the punishment, if any, to be imposed upon Brother B. J. Monaghan, your Committee make no recommendation and submit the matter to the Grand Aerie."

"Whereupon it was moved, seconded and carried that the punishment inflicted upon B. J. Monaghan be Expulsion."

Your Committee are of the opinion that the action of the Grand Aerie in 1910 was binding upon this Committee and that we are without jurisdiction in the matter.

Brother N. E. Nuzum, of the Committee on Grievances and Appeals, presented the case of the grievance of the Maryland State Aerie, which, upon motion of Brother Jas. C. Holland of Fruitvale Aerie No. 1375, duly seconded, was adopted.

IN THE MATTER OF THE GRIEVANCE OF MARYLAND STATE AERIE, TO THE GRAND AERIE, F. O. E.

Your Committee on Grievances and Appeals to whom have been submitted a grievance by the Maryland State Aerie, respectfully report as follows:

William Black, of 139 West Church Street, in Hagarstown, in March made application for membership in Hagerstown Aerie No. 694, and upon investigating the committee reported unfavorably and the application was rejected.

In May, 1908, within three months after his application had been rejected by the Hagarstown Aerie, he was admitted to membership in Harrisburg Aerie No. 122.

We find that the action of the Harrisburg Aerie was directly contrary to the law.

We sustain the grievance of the Maryland State Aerie and recommend that the Grand Aerie direct that the Harrisburg Aerie at once take action to remedy the violation of the law above set forth.

The next case presented by Brother N. E. Nuzum was the matter of the grievance of Elmwood Aerie No. 1694, which, upon motion of Brother Tom Carpenter of Alameda Aerie No. 1076, duly seconded, was adopted.

IN THE MATTER OF THE GRIEVANCE OF ELMWOOD AERIE No 1694, ON QUESTION OF JURISDICTION

The facts in this case briefly stated are that Elmwood Aerie No. 1694, being a regularly instituted Aerie, is situate within the corporate limits of the town of Elmwood. That adjoining this town is another municipality in which is located the St. Bernard Aerie No. 1162. That notwithstanding the laws to the contrary, said St. Bernard Aerie, in violation of Section 13 of Article 20, Constitution for Subordinate Aeries, have been receiving applications and initiating into their Aerie, persons living within the corporate limits of Elmwood.

We find the grievance of Elmwood Aerie is a just one, and recommend that the Grand Aerie direct that the St. Bernard Aerie comply with Section

13, Article 20, with respect to every member residing within the corporate limits of Elmwood, Ohio, who has been initiated into the Order and given membership in St. Bernard Aerie No. 1162, within thirty days after receipt of notice of the action of the Grand Aerie.

The next case presented by Brother N. E. Nuzum, was the appeal of Brother Paul Newman of Boise City Aerie No. 115, which, upon motion of Brother K. S. Fisher of No. 38, was referred back to the Committee in order to give them an opportunity to confer further upon the matter with the delegate from the Boise City Aerie.

The next case presented by Brother N. E. Nuzum was the appeal of New Kensington Aerie No. 533 from the action of Canonsburg Aerie No. 861, which, upon motion of Brother Louis Chester of Golden Gate Aerie No. 61, duly seconded, was adopted.

IN THE MATTER OF THE APPEAL OF NEW KENSINGTON AERIE No. 533, FROM THE ACTION OF CANONSBURG AERIE No. 861, IN THE MATTER OF THE TRIAL AND CONVICTION OF BROTHER GEORGE BOLES, A MEMBER OF NEW KENSINGTON AERIE No. 533

The facts in this case may be briefly stated as follows:

On a Sunday afternoon in the Club Rooms of Canonsburg Aerie No. 861, a number of the members of the local Aerie, together with Brother Boles, were gambling and drinking.

The testimony discloses that they were all under the influence of liquor; that along about 8:30 in the evening, while in this drunken condition, a general fight ensued in front of the Club Rooms above referred to. That in the general fight Brother Boles was cut and injured by being struck in the face with a beer glass in the hands of one of the contending parties. Soon after they rushed out on the street, as the people were returning home from church, calling for help and for the police.

That charges were filed against members of Canonsburg Aerie and also against Brother Boles, charging them with conduct unbecoming Eagles. A trial was had; a verdict of guilty was rendered against the whole outfit; and a punishment was imposed upon each of them, including home Eagles, as well as the visitor, who was fined five dollars.

That Canonsburg Aerie certified to the home Aerie of Brother Boles, New Kensington Aerie 533, the record of the trial and the verdict. Upon receipt of this record New Kensington Aerie refused to concur in the verdict and from the refusal so to do, the New Kensington Aerie has brought the matter up to this Grand Aerie on appeal.

From the record we are clearly of the opinion that each and every one of the persons connected with this disgraceful and unseemly affair, were guilty and should have been punished. That the fine of five dollars imposed, is a nominal one, taking into consideration the conditions and circumstances under which said offense was committed.

We are of the opinion, that the Appeal of Canonsburg Aerie should be sustained, their action being just and extremely lenient.

We have spoken thus plainly that all may know that in Eagledom there is no room for conduct of this kind, and it will not be tolerated.

EARL ROGERS, Chairman.
N. E. NUZUM,
FLETCHER M. NOE,
C. P. O'MALLEY.

FRED C. NAEVE, Secretary.

The next case presented by Brother N. E. Nuzum was the matter of the grievance of A. J. Bailey, which, upon motion of Brother James Stuart of Chicago Aerie No. 19, duly seconded, was adopted.

IN THE MATTER OF THE GRIEVANCE OF A. J. BAILEY, A MEMBER OF OMAHA AERIE No. 38, CLAIMING SICK BENEFITS DUE HIM FROM SAID AERIE AND UNPAID

Under date of August 22, 1911, a telegram signed by the Worthy President of Omaha Aerie No. 38, directed to its official representative in attendance upon this Grand Aerie, Brother K. S. Fisher, is as follows:

"Bailey claim unpaid because he did not fill out proper certificate. Letters and telegrams were sent him and we could not get replies. Ready to pay when regulations are fully complied with."

Therefore, it remains for us to determine but one question: Has this been done?

The record before us discloses that the Brother made a claim against the Omaha Aerie, for benefits, from the 19th day of October, 1910, to the 1st day of February, 1911. That the blanks were properly filled out by him and a proper certificate of the Aerie physician of the Tacoma Aerie, together with the claim thus verified, was received by the Omaha Aerie.

The record before us convinces us that the Secretary of Omaha Aerie has been indolent in the performance of his duty as such, and that the claim of Brother Bailey, together with many other claims, have received no attention at his hands, and for no other reason said claim has remained unpaid.

We are, therefore, of the opinion that Brother Bailey has done all that is necessary for him to do in the premises; that he is entitled to the full amount of his benefits claimed and that the same should be paid immediately.

Therefore, we recommend that Omaha Aerie No. 38 pay immediately to Brother Bailey, the amount of benefits claimed, viz.: for thirteen weeks' total disability, as provided for in the By-Laws of their Aerie.

Brother Theo. A. Bell, P. G. W. P., Chairman of the Committee on State of the Order, requested that the report of that Committee be held over for the time being, as their report was being typewritten at present and was not quite ready. Upon motion of Brother Thomas Padgett of East Palestine Aerie No. 1506, duly seconded, the request was granted.

Brother Thomas H. Greevy of Altoona Aerie No. 286 made inquiry as to the Grand Treasurer's report, and was informed that the same had been presented at the previous day's session, as appeared in the Journal of that day on page 13.

Brother Theo. A. Bell, P. G. W. P., stated that the report of the Grand Treasurer had been rendered the previous day and had been referred to the Committee on State of the Order, which Committee would report on the same very shortly.

Brother Thomas H. Greevy stated that he desired to interrogate the Grand Treasurer upon certain matters in his report, and in this connection a motion was made by Brother Fred Lynch of New Westminster Aerie No. 20 to suspend the rules and allow Brother Greevy to interrogate the Grand Treasurer, which motion, however, was defeated.

Brother Theo. A. Bell, P. G. W. P., stated at this time that he was ready to present the report of the Committee on State of the Order on the matters referred to them.

The first matter presented was the report on the resolution introduced by Brother Thos. H. Greevy of Altoona Aerie No. 286, as well as the resolution presented by Brother H. K. Filler of Altoona Aerie No. 286, which upon motion of Brother Geo. Holloway of Seattle Aerie No. 1, seconded by Brother R. M. White of Seattle No. 1, was adopted, with the recommendation contained in the last paragraph of this report.

COMMITTEE ON STATE OF THE ORDER

SUBJECT: RETRENCHMENT IN EXPENDITURES

TO THE OFFICERS AND MEMBERS OF THE GRAND AERIE, F. O. E.:

Your Committee on the State of the Order, to whom was referred the resolution presented by Brother Greevy of Altoona Aerie No. 286, providing for the appointment of a Committee of five to report some plan for retrenchment and reform in the expenditure of Grand Aerie funds; and also the resolution of Brother H. K. Filler of Altoona Aerie No. 286 relative to lowering the per capita tax, beg leave to report as follows:

On Tuesday evening, August 22, 1911, at the hour of 8 o'clock, the entire Committee assembled at Room No. 218, St. Francis Hotel, for the purpose of hearing Brothers Greevy and Filler, and any other brothers who desired to be heard upon the above resolutions.

Brothers Greevy and Filler appeared before the Committee and were given a full hearing upon their respective resolutions.

Brother White of Seattle Aerie No. 1 also appeared before the Committee and presented the resolutions and recommendations of Aerie No. 1 in respect to the reduction of the per capita tax.

Brother Greevy stated that it was his intention to leave the subject matter of his resolution to this Committee, rather than to a Committee of five to be appointed for that purpose, and requested the Committee on the State of the Order to assume jurisdiction over the subject matter and to report the conclusions of this Committee to the Grand Aerie.

After a careful consideration of the law in the premises, your Committee on State of the Order were of the unanimous opinion that this Committee has jurisdiction of the subject matter, but inasmuch as the Grand Aerie has not directly referred the subject matter of Brother Greevy's resolution to our Committee, we feel that we should not proceed to a consideration of the subject matter until so directed by the Grand Aerie.

If the matter of reporting a method for curtailing the expenses of the Grand Aerie and its Officers be referred to this Committee, your Committee will proceed at once to investigate throughly the requirements of every office and department of the Grand Aerie, with the view of reporting to the Grand Aerie, not later than Friday, a complete budget of appropriations for the coming year. We believe it practical and desirable to inaugurate a budget system, so that the moneys that can be used for the expenses of the Grand Aerie and its officers during each year may be definitely determined and fixed in advance by the Grand Aerie itself.

We believe that the budget system will bring about the following results: (a) A greater economy in the administration of the Grand Aerie business; (b) all expenditures can thereby be kept within the limit of our income, for either a surplus can be accumulated from year to year, or a reduction made in the per capita tax; (c) the Grand Aerie will directly and primarily fix the appropriations of money from our treasury and the purposes for which the appropriations can be used; (d) the Grand Aerie, as well as the Subordinate Aeries, will know in advance the exact sums that have been made available in the various departments of the Grand Aerie, thereby avoiding any cause or excuse for just or unjust criticism in the method or in the amount of Grand Aerie expenditures.

For the reasons stated, your Committee respectfully requests permission of the Grand Aerie to report, not later than Friday, a complete budget for the ensuing year for the consideration and judgment of the Grand Aerie.

San Francisco, California, August 23, 1911.

Respectfully submitted,

THEODORE A. BELL, Chairman.
H. H. THOMPSON,
T. J. CONSIDINE,
DEL CARY SMITH.

Resolved, that Article XXX of the C. S. A. be amended by adding thereto Section 8 as follows:

Charles I. Flynn of Baker City Aerie No. 27.
James Shannessy of St. Louis Aerie No. 41.

whose names had already been published in the previous day's Journal.

On motion of Brother Rex Goodcell of San Bernardino Aerie No. 506, the Grand Aerie took a recess until 3 o'clock Thursday afternoon.

THURSDAY'S SESSION

San Francisco, August 24, 1911.

The Grand Aerie was called to order at Eagles' Hall, in San Francisco, Cal., on the above date at 3:30 p. m., by John S. Parry, Grand Worthy Vice-President, a full quorum of officers and members being present.

The Grand Worthy President requested those brothers who had not yet received the obligation, to repair to the anteroom, where the obligation would be conferred upon them by Brother H. H. Thompson, P. G. W. P.

The Grand Worthy President stated that inasmuch as the report of the Judiciary Committee had not been ready at yesterday's session, the report of that Committee would be the first order of business. At the same time the Grand Worthy President urged the members to be attentive and to keep themselves in a frame of mind conducive to the best results in making these laws.

It was decided to take up the report of the Judiciary Committee section by section, and where no objection was raised to any amendment proposed, the same was to be considered adopted.

Brother Thomas J. Cogan, the Chairman of the Committee on Judiciary, in presenting the report of that Committee stated that this was not a complete report and that a supplemental report would be submitted later; that a good many matters had been brought to the attention of the Committee where certain Aeries asked that exceptions be made in their case, others that they be allowed to take in as members persons not of the Caucasian race, as well as the institution of a Ladies' Auxiliary Corps, etc., which matters had not been favorably considered by them and therefore were not reported.

The first Article presented for amendment was Article I, Section 7, G. A. C., with a further amendment to be incorporated, proposed by Brother R. L. Lemert of Helena Aerie No. 16, and advocated by Brother Earl Rogers, of Los Angeles Aerie No. 102, and others, as follows:

."Unless the Grand Worthy President in his discretion shall by special dispensation determine that a city, town, or village is able to support and maintain an Aerie where less population exists,"

so that the section as amended will read as follows:

Sec. 7. Subordinate Aeries shall hereafter be organized only by special dispensation from the Grand Aerie or Grand Worthy President, and not more than one Aerie shall be instituted in any city **having a population of less than two hundred fifty thousand,** without the consent of the Aerie first instituted in the city, and no Aerie shall be instituted in any city, town or village having a population of less than two thousand five hundred (2,500), **unless the Grand Worthy President in his discretion shall by special dispensation determine that a city, town or village is able to support and maintain an Aerie where less population exists.**

Brother H. R. Knowles, Everett No. 13, asked for information regarding the recommendations of the Washington State Aerie, which had been referred to the Judiciary Committee, and was informed by the Chairman of that Committee that such portions as had been favorably considered by that Committee would be reported to the Grand Aerie. In this connection, Brother Theodore A. Bell, P. G. W. P., stated again the ruling made by him at the Seattle Convention, and which had been upheld at succeeding sessions of the Grand Aerie, that any member may bring before the Grand Aerie any amendment to the laws which had been in the hands of the Judiciary Committee in proper time, that had not been reported out by that Committee.

The next section presented was Section 3, Article IIII, striking out that section, which read as follows:

Sec. 3. They shall adopt a design of official button conforming to the provisions of Article 5 of the Grand Aerie Constitution, and immediately thereupon protect the same by copyright and registration, and thereafter such button, so adopted and protected, shall be included in the list of Grand Aerie supplies.

And renumber the following sections to conform thereto, which was adopted.

The next amendment presented was an amendment to Article IV, G. A. L., to add a new section to Grand Aerie Laws, page 11, to be numbered Sec. 3, of Article IV, as follows:

The Grand Treasurer shall deposit all moneys received from the Grand Secretary on account of delinquent Aeries in a fund to be known as the Delinquent Aerie Account Fund in a bank to be designated by the Board of Grand Trustees, which fund may be drawn upon and paid by check upon said bank on order drawn on the Grand Treasurer by the Grand Secretary properly signed by the Grand Worthy President upon warrant under seal, in the event of a reorganization of an Aerie as provided in Section 4 of Article XX.

And renumber the succeeding sections, which was adopted.

The next amendment presented was an amendment to Section 4, Article XX, G. A. L., as follows:

Amend Section 4, Art. XX, Grand Aerie Laws (Page 18).

By striking out the word "at" in line (5) and inserting in lieu thereof the word "be" and adding after the word "property" in line (7) and before the word "and" in line (8) the following:

"Other than any money received, which he shall forthwith remit to the Grand Treasurer to be placed to the credit of 'Delinquent Aerie Account.' "

So that when amended said Section will read as follows:

Sec. 4. When a Subordinate Aerie surrenders its dispensation or charter, or the same is revoked as hereinbefore provided, all its property, both real and personal, moneys, books, papers, paraphernalia, and everything belonging to such Aerie of any value, shall be transferred to the Grand Secretary, who, on behalf of the Grand Aerie, shall become custodian for such surrendered property, **other than any money received, which he shall forthwith remit to the Grand Treasurer to be placed to the credit of Delinquent Aerie Account,** and in the event of a reorganization of the Aerie within six months after such surrender or revocation, such property shall be returned, but otherwise shall become the absolute property of the Grand Aerie.

which was adopted.

The next amendment presented was an amendment to Section 1, Article IV, C. S. A., as follows:

Amend Section 1, Article IV, Constitution for Subordinate Aeries, by striking out the last sentence thereof and inserting in lieu thereof:

"It shall be the duty of each Aerie to furnish to each member upon his request, and to each new member admitted, a copy of the Constitution and Laws of the Grand Aerie and the Constitution for Subordinate Aeries, with all duly adopted amendments to the same."

So when amended it will read as follows:

ARTICLE IV.

REGULATIONS GOVERNING AERIES

Section 1. Each Aerie must have a seal, which shall be in the custody of the Secretary, and an impression of the same shall be deposited with the Grand Secretary. Such seal must be impressed on all official receipts, transfer or withdrawal cards, and all letters, certificates, notices, summons, communications or other papers emanating from the Aerie. No summons or official communications shall be considered regular unless the seal shall have been impressed thereon. No one but the Secretary has authority to use the seal, except by direction of the Aerie, under penalty of expulsion; provided, that in cases where the Aerie has a Financial Secretary, he may be furnished with a duplicate seal, which shall be purchased from the Grand Aerie, and shall contain in addition the words "Fin. Sec." This seal shall be impressed on official receipts only. Should the two offices be again merged into one, the Financial Secretary's seal shall be deposited with the Grand Secretary.

Each Aerie shall keep the following books:

(a) Application and Membership Record.
(b) Secretary's Minute Book.
(c) Record of Sick Benefits.
(d) Record of Official Receipts.
(e) Individual Ledger.
(f) Secretary's Cash Book.
(g) Treasurer's Cash Book.
(h) Trustees' Record Book.
(i) Record of Auditing Committee.

It shall be the duty of each Aerie to furnish to each member upon his request, and to each new member admitted, a copy of the Constitution and Laws of the Grand Aerie and the Constitution for Subordinate Aeries, with all duly adopted amendments to the same.

which was adopted.

Brother Theodore A. Bell, P. G. W. P., assumed the gavel at this time.

The next amendment presented was an amendment to Section 15, Subdivision 6, C. S. A., as follows:

By adding thereto the following after the word "transactions" in the 10th line and before the word "all," **providing, however, that any Aerie having one thousand members or more in good standing on its membership roll, may, at its option, use a loose-leaf ledger, the rulings and plan of which shall be the same as those now in use, and to be purchased from the Grand Aerie. All loose leaves removed therefrom to be preserved.**

A further amendment to this section was proposed by Brother Harry R. Knowles of Everett Aerie No. 13, and advocated by Brother Frank E. Hering, P. G. W. P., to strike out the words "one thousand" in the third line and substitute for the same "500", which was adopted.

A further amendment was proposed by Brother J. J. Cusack of Golden Gate Aerie No. 61, to strike out the words in the fifth and sixth lines "to be purchased from the Grand Aerie," and to insert instead, "to be furnished in conformity with forms prepared and submitted by the Grand Aerie to Subordinate Aeries." This motion was defeated.

Brother Cusack proposed this amendment for the reason that, for instance, Golden Gate Aerie had been able to purchase some of their supplies cheaper in the local market, and as a matter of fact had had their official receipts printed locally cheaper than furnished by the Grand Aerie.

The section was thereupon adopted with the amendment proposed by Brother Harry R. Knowles, so that the section as amended will read as follows:

SIXTH—An Individual Ledger in which accounts shall be kept for each and every member, by which the standing of a member can be ascertained at any and all times. In an especially designed part of this Ledger shall be kept account of supplies purchased for the Social Room and Buffet, as

well as all other purchases made by the Aerie, and also accounts with other Aeries of relief extended, or moneys advanced to members thereof; also accounts between the Aerie and the individual members of the home Aerie of similar transactions.

Providing, however, that any Aerie having five hundred members or more in good standing on its membership roll, may, at its option, use a loose-leaf ledger the rulings and plan of which shall be the same as those now in use and to be purchased from the Grand Aerie, all loose leaves removed therefrom to be preserved.

All of these books shall be kept posted up to date, and delivered to the properly appointed Auditing Committee or to his successor in office when so instructed by the Worthy President.

Should the Secretary fail to comply with any part of this section he shall be fined in a sum not to exceed $5.00.

The next amendment presented was an amendment to Section 4, Article X, C. S. A., which reads as follows:

Sec. 4. He shall notify each member indebted to the Aerie for an amount equal to three months' dues, by written or printed notice to his last known address, that if the same be not paid at or before the first regular meeting of the succeeding month he shall be dropped from membership.

So as to read when amended as follows:

He shall notify each member who may be indebted to the Aerie for an amount equal to three months' dues by written or printed notice to his last known address, that if the same be not paid at or before the first regular meeting of the succeeding month, **he is liable to** be dropped for non-payment of dues.

which was adopted.

The next amendment presented was an amendment to Section 3, Article XXII, C. S. A., which reads as follows:

Sec. 3. Any member whose dues are not paid in advance shall not be permitted to enter the Aerie room to vote, hold or remain in office, or to receive any sick or funeral benefits or the services of the Aerie Physician, nor shall he be entitled to receive the current term pass-word, and if he is already in possession of the same he shall not be permitted to attend the session of the Aerie.

By striking out the words **"enter the Aerie room to vote"** in lines (2) and (3) and all words following the word **"pass-word"** in lines (5) and (6) so that when amended said section will read as follows:

Sec. 3. Any member whose dues are not paid in advance shall not be permitted to hold or remain in office, or to receive any sick or funeral benefits or the services of the Aerie Physician, nor shall he be entitled to receive the current term pass-word.

which was adopted.

The next amendment presented was an amendment to Section 5, Article XXII, C. S. A., which reads as follows:

Sec. 5. As soon as a member shall owe a sum equal to three months' dues, it shall be the duty of the Secretary to report his name to the Aerie, and if the same is not paid within one month he shall at the next succeeding meeting be considered delinquent and his name must be dropped from the roll without further notice or action by the Aerie, and the Secretary shall announce the names of all members so dropped.

By striking out the word **"must"** in line (5) and inserting in lieu thereof the word **"MAY."**

So that when amended it will read as follows:

Sec. 5. As soon as a member shall owe a sum equal to three months' dues, it shall be the duty of the Secretary to report his name to the Aerie, and if the same is not paid within one month he shall at the next succeeding meeting be considered delinquent and his name **may** be dropped from the roll without further notice or action by the Aerie, and the Secretary shall announce the names of all members so dropped.

which was adopted.

At this time the Presiding officer announced that the polls had closed, and that the Committee would proceed with the count, and upon suggestion of Brother Frank E. Hering, P. G. W. P., each candidate was extended the privilege to have two representatives present during the count to look after his interests.

The next amendment presented was an amendment to Section 2, Article XXII. A further amendment to this section was presented by Brother Geo. W. Lindsay of Circleville Aerie No. 685, to insert after the words "other than Aerie physician" the following, "and the expense of a representative to the Grand Aerie," which was adopted, whereupon the amendment as proposed by the Committee on Judiciary together with the above amendment was adopted, so that the section as amended will read as follows:

Section 2, Article XXIII, C. S. A.

THE GENERAL FUND

The General Fund shall consist of the

(1) Receipts from initiations and card fees.
(2) Dues (except as hereinafter provided).
(3) Fines and assessments as provided by the Constitution and By-Laws.
(4) Rents and invested funds.
(5) Donations made directly to the Aerie.
(6) Such other funds as the Aerie may appropriate for this purpose.

This fund shall be kept exclusively for the payment of sick and funeral benefits, per capita tax, salaries of officers and Aerie Physicians and other running expenses of the Aerie.

When annual dues do not exceed nine dollars, the maximum amount to be paid for salary of officers (other than Aerie Physician and the expenses of a representative to the Grand Aerie) and running expenses of the Aerie shall not exceed three dollars; but when dues exceed nine dollars per annum said sum may be increased in proportion to the increase of annual dues. Nothing herein contained shall prevent an Aerie from investing portions of this fund in real estate of well-secured collaterals, the building and furnishing of a hall or Aerie home in which the title shall be vested in the name of the Aerie but not in any stock company or in any certificate plan.

No Aerie shall be allowed to invest any sum in real estate or assume any liability for periodical payments on real estate if the same shall prevent the Aerie from retaining a per capita of five dollars in the General Fund. This provision shall not be construed to impair the right of a Subordinate Aerie to meet existing obligations.

Upon a question by Brother Geo. Brandhoff of Butler Aerie No. 407, the presiding officer stated that any donation or contribution made to an Aerie for a specific purpose must be placed in that specific fund.

Brother John E. Murray, of Worcester Aerie No. 203, Chairman of the Committee on Degree Team Drill, presented the following report of that Committee, which, upon motion of Brother Tom Carpenter, of Alameda Aerie No. 1076, was adopted.

The rules as laid down in Official Circular No. 79 were read to the contesting teams and all were governed accordingly.

We therefore conclude, and hereby make the following awards:

First Prize, Kansas City Aerie No. 47	95½
Second Prize, Vallejo Aerie No. 71	82½
Third Prize, Milwaukee Aerie No. 137	79

Respectfully submitted in L. T. J. and E.,

JOHN E. MURRAY, No. 203, Chairman.
ROBT. GRAHAM, No. 301.
BERNARD DUFFY, No. 1445.
FRANK BERNHARDT, No. 46.
W. H. COLEMAN, No. 173.
JAMES STUART, No. 19. Committee.

Brother Murray then stated that according to the conditions governing the contest, the winning team must give an exemplification of the ritual and their work, and therefore the following day at 3 o'clock in the Pavilion Rink, the Kansas City Team would exemplify the ritual and degree work. Upon a question of information, Brother Murray stated that any member of the Order holding an official paid-up receipt could be present at this exemplification.

Brother John W. Eggeman, Chairman of the Committee on Credentials, presented the following report of that Committee, which upon his own motion was adopted.

REPORT OF THE CREDENTIALS COMMITTEE

San Francisco, Aug. 24, 1911.

To the Grand Worthy President, Officers and Members of the Grand Aerie, Fraternal Order of Eagles, in Meeting Assembled:

Your Credentials Committee respectfully reports as follows:

We have examined the credentials of all members and delegates to the Grand Aerie presented to us, and report that there is a total of 692 delegates in attendance, entitled to 1641 representative Aerie votes and 692 Past Worthy President votes, aggregating a total of 2333 votes at this the Thirteenth Annual Convention.

The action of your Committee previous to the arrival of the delegates, in consulting the records of the Grand Secretary, and carefully and properly marking each ballot in script with the number of votes each delegate and each member is entitled to, we believe safeguards the rights of each Aerie and each delegate.

The labors of your Committee have been arduous in the extreme, caused principally by the additional labor placed upon them in not only compiling a complete and accurate statement giving the name and vote of each delegate and each Aerie, but the additional labor in having the same printed and ready for distribution on Thursday morning of convention week. A sufficient number of said statements have been printed and distributed at an estimated expense to the Grand Aerie of $350.00.

We hereby certify that the annexed printed statement showing the names of all delegates receiving credentials prior to Thursday, August 24, 1911, which is hereto attached and made a part of this report, is correct.

In conclusion we desire to express our appreciation for the valuable services rendered us by the Grand Secretary and his assistants.

JOHN W. EGGEMAN, Chairman.
J. J. BOHL,
EDWARD DAKIN,
JOHN J. HARRINGTON,
JAMES F. KELLEY,
Credentials Committee.

Brother Theo. A. Bell, P. G. W. P., stated that he had ready the report of the Committee on State of the Order upon the annual budget of this Grand Aerie. As Chairman of that Committee he asked leave to present this report at this time, and to have the same printed so that it might be in the hands of all the delegates tomorrow before being taken up for consideration. There being no objection, it was so ordered.

Brother Conrad H. Mann, Grand Secretary, presented the following statement with reference to certain data and figures compiled from the semi-annual reports of Seattle Aerie No. 1, which were published in the St. Louis Convention Journal, and asked that this statement be incorporated in this year's Journal. There being no objection, it was so ordered.

SAN FRANCISCO, CAL., Aug. 24, 1911.

TO THE OFFICERS AND MEMBERS OF THE GRAND AERIE, FRATERNAL ORDER OF EAGLES.

Dear Sirs and Brothers:

I beg to draw your attention to pages 277 to 281 inclusive of the Grand Aerie Journal of 1910. On these particular pages I submitted certain data and figures taken from the semi-annual reports submitted to the Grand Secretary's office by Seattle Aerie No. 1. These comparisons were made for the purpose of convincing the delegates assembled at the 12th Annual Session of the Grand Aerie in St. Louis, during the month of August last, that it was absolutely necessary that certain laws be enacted to place the Beneficiary Department of the Fraternal Order of Eagles on a self-sustaining basis.

Upon my return from the St. Louis Convention my attention was drawn to certain conclusions arrived at by me relative to the financial standing of Seattle Aerie No. 1, and upon my arrival at San Francisco I met with the several members present at this Grand Aerie session from Seattle Aerie No. 1. They presented to me all the documents such as books and other data, which convinced me that the conclusions arrived at and as given on the pages of the Journal of 1910, as above referred to, were incorrect. While this is by no means the fault of your Grand Secretary it is simply another evidence that the old system of keeping the records were of such incomplete nature that it was impossible for either the Secretary of a Subordinate Aerie or the Grand Secretary to give correct data as to the standing of an Aerie, and in order to wipe out any false impressions which may have been created relative to the financial standing of Seattle Aerie No. 1, and in justice to that Aerie and its officers, and in justice to myself, a condensed official statement covering the period referred to in the last Grand Aerie Journal is herewith submitted and made part hereof.

In conclusion, it is needless for me to say that I have no desire to place any Subordinate Aerie in a position where either its officers or the Aerie itself could be unnecessarily blamed for not protecting its financial resources. I used Seattle Aerie No. 1 for the reason that I regard it as financially the strongest as well as the oldest Aerie of our Order, and I felt that in a great measure this Aerie should serve as an example for others to go by.

Fraternally submitted in L., T., J. and E.,

CONRAD H. MANN,
Grand Secretary.

Brother Rex Goodcell, Chairman of the Committee on Election, asked permission to have the ballot-boxes removed to the rooms of the Credentials Committee at the St. Francis Hotel, and a motion to that effect by Brother Geo. Holloway of Seattle Aerie No. 1, duly seconded, was carried.

Brother Del Cary Smith, P. G. W. P., moved that inasmuch as a great many of the members were interested in the matter of State Autonomy, that this be made a special order of business for tomorrow at 11 o'clock. The motion was seconded by Brother J. R. Dorsey of Bakersfield Aerie No. 93, and carried.

Brother Theo. A. Bell, P. G. W. P., called attention to the fact that the Grand Banquet was scheduled for 6:30 this evening, and that the hour was now 6:15, and on motion of Brother Fred L. Thomas of San Jose Aerie No. 8, seconded by Brother R. M. White of Seattle Aerie No. 1, that the rules be suspended in this report, the Grand Aerie took a recess until 9:30 a. m., the following day.

FRIDAY'S SESSION

San Francisco, August 25, 1911.

The Grand Aerie was called to order at Eagles' Hall, San Francisco, California, on the above date at 10 o'clock, by J. S. Parry, G. W. V. P., a quorum of Grand Officers and representatives being present.

On report of the Committee on Credentials Brother R. M. White of Seattle Aerie No. 1, requested a correction of the minutes, which correction was omitted from Wednesday's proceedings, showing that he had accepted and seconded the resolution of Brother H. I. Mulcrevy of San Francisco Aerie No. 5, directing the Committee on Credentials to report the names and number of votes of the representatives and the Aeries in the Convention, and it was so ordered.

The next order of business being the further consideration of the Report of the Committee on Judiciary, Brother Thomas J. Cogan, Chairman of that Committee, presented an amendment to Section 2, Article XXIV, C. S. A., which was adopted.

By striking out the word **thirty** in the last line of said section and inserting the word "twenty."

So that when amended said section will read as follows:

Sec. 2. Every brother in good standing and otherwise qualified by the Constitution and Laws of the Order, who has been a member for six months, and who is not suspended for cause or disqualified on account of arrearages or by reason of having waived the right to any benefits, who shall by sickness, accident, or injury to his person, be rendered incapable of following his usual occupation or some other occupation whereby he may obtain a livelihood, and provided such sickness or disability shall not have been occasioned by intemperance, opiates or any immoral conduct—shall be entitled to receive from the funds of his Aerie such sick benefits as may be fixed by the Aerie, and he shall also be entitled to the attendance of the Aerie Physician for himself and his family as provided by the Laws of the

Order, if the Aerie has provided for one. But no member who is taken sick while in arrears can, by paying his arrearage, become entitled to benefits during such sickness. And further provided, that a member who has been in arrears shall not be entitled to benefits of any kind for a period of twenty days after paying his arrearage.

A further amendment to this section was proposed by Brother Harry R. Knowles, of Everett Aerie No. 13, to strike out the last three lines of this section, but withdrawn later.

Brother Rex Goodcell, of San Bernardino Aerie No. 506, Chairman of the Committee on Election, presented the report of that Committee, as follows:

Brother Thomas J. Cogan, Chairman of the Committee on Judiciary, presented an amendment to Section 3, Article XXV, C. S. A., which was adopted.

By striking out the words "thirty (30) days" in the second line.

So that when amended the same will read as follows:

Sec. 3. Upon the death of a member who for the previous twenty (20) days had been in good standing and entitled to benefits, the Aerie shall pay from its General Fund such funeral benefits as may be provided in its

by-laws. This amount shall be applied toward defraying the expenses of the funeral, if the Aerie has charge of the same. If the funeral is not conducted under the auspices of the Aerie, this funeral benefit shall be paid to the widow; or, if there be no widow, then to the orphans; if there be no orphans, then to the parents; if there be no widow, orphans or parents, then to those actually dependent upon the deceased, and if he had no one dependent upon him, then the sum shall revert to the Aerie. In case of dispute as to whom the benefits shall belong, the Worthy President shall decide the controversy, and his decision shall be binding upon all parties.

The next amendment presented was an amendment to Section 12, Article XXIV, C. S. A., which read as follows:

Sec. 12. In the event of sick relief being granted by an Aerie to a member of a foreign Aerie, such relief shall be a charge upon the Aerie to which the member belongs, and shall be forwarded without delay to the Aerie expending the relief as soon as practicable after notice being served upon such Aerie.

By adding the following:

"It shall be the duty of such foreign Aerie to keep the Home Aerie of said sick member advised by weekly reports of the physical condition of said member, and the amount shown by voucher to have been paid to said sick member."

Brother H. B. Drees of Seattle Aerie No. 1, moved the adoption of this amendment.

Brother A. W. Redick of Snohomish Aerie No. 195, moved to amend by substituting for the words "as soon as practicable," the following "within 30 days," which was lost.

Brother John M. Newbert, of San Francisco Aerie No. 5, stated that it would work a hardship on the secretaries especially of large Aeries to keep the home Aeries of visiting sick members advised weekly, and asked that the amendment be stricken out.

There being no objection to the adoption of this amendment the same was declared adopted, so that the section as amended will read as follows:

Sec. 12. In the event of sick relief being granted by an Aerie to a member of a foreign Aerie, such relief shall be a charge upon the Aerie to which the member belongs, and shall be forwarded without delay to the Aerie expending the relief as soon as practicable after notice being served upon such Aerie.

It shall be the duty of such foreign Aeries to keep the home Aerie of said sick member advised by weekly reports of the physical condition of said member, and the amount shown by voucher to have been paid to such member.

The next amendment presented was an amendment to Section 3, Article XXIII, C. S. A., which read as follows:

Sec. 3. The Social Fund. The Social Fund shall consist of receipts from social sessions and all receipts from fines not provided for in the Constitution, such sums as may be designated by the Aerie from the receipts from picnics or entertainments. It shall also consist of the receipts of the buffet, if an Aerie has one. This fund can be used for any purpose authorized by the Aerie. An Aerie may at any time transfer any sum it may designate from the Social Fund to the General Fund, but under no circumstances can it transfer any money from the General Fund to the Social Fund.

By adding the following:

"When the annual dues of an Aerie exceed Nine Dollars they may by proper enactment of a local by-law set aside such sum over and above Nine Dollars as the Aerie may designate, to the Social Fund."

Which was adopted, so that the section as amended will read as follows:

Sec. 3. The Social Fund. The Social Fund shall consist of receipts from social sessions and all receipts from fines not provided for in the Constitution, such sums as may be designated by the Aerie from the receipts from picnics or entertainments. It shall also consist of the receipts of the buffet, if an Aerie has one. This fund can be used for any purpose authorized by the Aerie. An Aerie may at any time transfer any sum it may designate from the Social Fund to the General Fund, but under no circumstances can it transfer any money from the General Fund to the Social Fund.

When the annual dues of an Aerie exceed Nine Dollars they may by proper enactment of a local by-law set aside such sum over and above Nine Dollars as the Aerie may designate, to the Social Fund.

Brother Thos. J. Cogan stated that another amendment had been suggested by San Francisco Aerie No. 5, to the effect

that the Conductor in a subordinate Aerie be elected instead of appointed. The Committee had appointed a time to hear the Brothers on this subject, but they had failed to appear.

Brother J. M. Moran, of Nebraska City Aerie No. 968, asked that the Report of the Committee on Judiciary include an amendment to Article XXX, C. S. A., by the addition of a new section, to read as follows:

"Any member who has become so addicted to the use of intoxicating liquors as to become an habitual drunkard, upon receiving thirty days' notice from the Aerie, shall upon conviction thereof be expelled from the Aerie."

Brother Thomas J. Cogan, Chairman of the Committee on Judiciary, stated that the Committee reported the matter to the Grand Aerie without recommendation, and on motion of Brother Jesse R. Shafer of Los Angeles Aerie No. 102, the matter was laid on the table.

With reference to the previous day's proceedings, Brother Harry R. Knowles of Everett Aerie No. 13, requested that the Grand Secretary be instructed to correct the amendment to Section 15, Subdivision 6, C. S. A., to read in the first line "500 members" instead of "1,000 members," and the Grand Secretary was instructed accordingly.

Brother R. M. White of Seattle Aerie No. 1, requested that the report of the Credentials Committee be amended to include the name of Brother Geo. B. Thomas of Columbia No. 253, and the Grand Secretary was instructed to have this attended to; likewise to include the name of Brother Ed. L. Wagner of San Francisco Aerie No. 5, and the names of any other brothers which may have been omitted by the committee.

Brother R. M. White of Seattle Aerie No. 1, also called attention to the fact that the records failed to show that he had been appointed Official Time Keeper by the Chair, and that the the proceedings be corrected accordingly, which was so ordered.

On motion of Brother Rex Goodcell of San Bernardino Aerie No. 506, the minutes of the previous day's session were then adopted as printed with the corrections as stated.

Brother Geo. Brandhoff of Butler Aerie No. 407, called up the resolution presented by his Aerie, and Brother Thomas J. Cogan, Chairman of the Committee on Judiciary, stated that their Committee had not considered the matter favorably, and therefore did not report it. The resolution is as follows:

Amend Article XXX, C. S. A., by adding a new section to read as follows:

"Should any member receive tickets from his Aerie for any proposed entertainment, outing, or benefit of any kind, said tickets having a cash value, and fail to make a proper return, either by surrender of tickets or by payment of cash, equal to the cash value of such tickets, he shall be held to be delinquent and shall be held to be amenable to the laws relating to delinquency in dues, and the Secretary or Financial Secretary shall enter such delinquency as a charge, together with the charge for dues, against such member or members. Returns are to be made within a reasonable time, and shall be made when the Aerie or its Committee in charge shall order same."

On motion of Brother A. W. Redick of Snohomish Aerie No. 195, seconded by Brother M. Rosenberg of San Francisco Aerie No. 5, the Grand Aerie was unanimous in its declaration to lay this matter on the table.

The consideration of the matter of State Autonomy having been made a special order of business for this hour, Brother John S. Parry, the Acting Grand Worthy President, stated that he would relinquish his chair in the consideration of these matters, being a partisan in the matter, and upon motion of Brother Frank E. Hering, P. G. W. P., the Grand Aerie resolved itself into a Committee of the Whole, appointing at the same time Brother Earl Rogers of Los Angeles Aerie No. 102, as Chairman of said Committee.

Brother Thomas J. Cogan, Chairman of the Committee on Judiciary, thereupon presented for consideration Article VII, G. A. C., stating at the same time that the Committee presented

these amendments for the consideration of the body as the best they could agree upon.

The first section presented was Section 1, Article VII, G. A. C., to read as follows:

ARTICLE VII.

STATE OR DISTRICT AERIES

Section 1. For the purpose of more efficient organization of and as tending to strengthening the bond of Fraternity between the Subordinate Aeries and their membership within a State or District, whenever in the judgment and discretion of the Grand Worthy President the number of Aeries instituted in such State or District so warrants, there may be commissioned by him and organized a State or District Aerie. Such Aerie shall be composed of delegates apportioned from the several Subordinate Aeries according to their membership and shall be presided over by a Past Worthy President of one of the Aeries so represented, who has been designated for that purpose by the Grand Worthy President in the commission given by him. Such commission shall also fix the date and place at which such State or District Aerie shall be held. Such Aerie when so organized shall be permanent in its character and may adopt such laws for its government as will best subserve its purpose and not in conflict with the Grand Aerie Constitution and Laws.

Brother Del Cary Smith, P. G. W. P., moved to amend this section by striking out the following words beginning in the third line, "whenever in the judgment and discretion of the Grand Worthy President the number of Aeries instituted in such State or District so Warrants, there may be commissioned by him and organized a State or District Aerie," substituting therefor the following: "Whenever three-fourths of the number of Aeries instituted in such State or District so request, the Grand Worthy President shall commission and organize a State or District Aerie therein." This amendment was seconded by Brother Leo I. Stock of Fresno Aerie No. 39, Edward L. Wagner of No. 5, and others. Brother A. W. Redick of Snohomish Aerie No. 195, objected to the adoption of this amendment.

Upon a question of information as to the meaning of the word "District," Brother Frank E. Hering, P. G. W. P., stated that he would construe it as applying to the District of Columbia,

a Province in Canada, or in some instances a group of States such as for instance in the South, Georgia, South Carolina and Florida.

Brother Ed. L. Head of San Francisco No. 5, moved to amend further that a limit of five Aeries in a State or District shall constitute the minimum number to ask for the institution of a State or District Aerie. It was pointed out in this respect by Brother Thomas J. Cogan, Chairman of the Committee on Judiciary, that Section 5 of that Article provided for that, whereupon Brother Ed L. Head withdrew his amendment.

Brother Rex Goodcell of San Bernardino Aerie No. 506, thereupon moved to amend further by inserting after the words, "whenever three-fourths of the number of Aeries," the words "but not less than five Aeries," which amendment was accepted by Brother Del Cary Smith, P. G. W. P., to be incorporated in his amendment, with the consent of his second.

A further amendment to this was moved by Brother John F. Pelletier, P. G. W. P., to substitute for the words "three-fourths of the number of Aeries," the words, "one-half or the majority of the number of Aeries," which amendment was seconded by Brother Fred C. Naeve of Davenport Aerie No. 235, and Brother James Shannessy of St. Louis Aerie No. 41, and accepted by Del Cary Smith and his second, and after considerable discussion adopted.

A further amendment was proposed by Brother J. H. Copilin of Great Falls Aerie No. 14, to insert in each instance after the words "State or District," the words "or Provincial," which was accepted by Brother Del Cary Smith, P. G. W. P., and adopted.

The amendment of Brother Del Cary Smith, P. G. W. P., thereupon being put to a vote was adopted, whereupon the section as presented by the Committee on Judiciary, together with the corrected amendment by Brother Del Cary Smith, P. G. W. P., was adopted, so that the section as adopted will read as follows:

ARTICLE VII.

STATE OR DISTRICT AERIES

Section 1. For the purpose of more efficient organization of and as tending to strengthen the bond of Fraternity between the Subordinate Aeries and their membership within a State or District or Province, whenever one-half or the majority of the number of Aeries but not less than five Aeries instituted in such State or District or Province so request, the Grand Worthy President shall commission and organize a State or District or Provincial Aerie therein. Such Aerie shall be composed of delegates apportioned from the several Subordinate Aeries according to their membership and shall be presided over by a Past Worthy President of one of the Aeries so represented, who has been designated for that purpose by the Grand Worthy President in the commission given by him. Such commission shall also fix the date and place at which such State or District or Provincial Aerie shall be held. Such Aerie when so organized shall be permanent in its character and may adopt such laws for its government as will best subserve its purpose and not in conflict with the Grand Aerie Constitution and Laws.

The next section presented was Section 2, Article VII, G. A. C., which Brother Fred C. Naeve of Davenport Aerie No. 235, moved to amend by striking out the words "Conductor" and "Outside Guard," but withdrew his amendment later, and upon motion of Brother Tom Carpenter of Alameda Aerie No. 1076, seconded by Brother Del Cary Smith, P. G. W. P., the section was thereupon adopted, to read as follows:

Sec. 2. The officers of a State or District or Provincial Aerie shall consist of a President, Vice-President, Secretary, Treasurer, Chaplain, Conductor, Inside Guard, Outside Guard, and three Trustees, all of whom shall be members in good standing of the Fraternal Order of Eagles. Provided, however, that no one other than a Past Worthy President shall be eligible for election as President or Vice-President of the Aerie.

The second paragraph of this amendment, which read as follows:

None of said officers, other than the Secretary, shall be entitled to receive any compensation other than their actual expenses for attendance at the sessions of such State or District or Provincial Aerie.

was amended further on motion of Del Cary Smith, P. G. W. P., to insert after the words in the first line "other than the

Secretary," the words, "Treasurer and Board of Trustees," which motion was seconded by Brother R. M. White of Seattle Aerie No. 1.

A motion was made by Brother W. H. Coleman of Atchison Aerie No. 173, to strike out the words in the first paragraph, "Provided, however, that no one other than a Past Worthy President shall be eligible for election as President or Vice-President of the Aerie," was defeated, whereupon the section as a whole was adopted as presented. The same, therefore, will read as follows:

Sec. 2. The officers of a State or District Aerie shall consist of a President, Vice-President, Secretary, Treasurer, Chaplain, Conductor, Inside Guard, Outside Guard, and three Trustees, all of whom shall be members in good standing of the Fraternal Order of Eagles. Provided, however, that no one other than a Past Worthy President shall be eligible for election as President or Vice-President of the Aerie.

None of said officers, other than the Secretary, Treasurer and Board of Trustees, shall be entitled to receive any compensation other than their actual expenses for attendance at the sessions of such State or District or Provincial Aerie.

The next section presented was Section 3 of Article VII, G. A. C., to read as follows:

Sec. 3. Such State or District Aerie shall have full power of supervision over the Subordinate Aeries within its jurisdiction, and affiliated with it, and its President may appoint a sufficient number of Deputy State or District Presidents to visit each Aerie at least once in every six months and report to him the financial and general condition of each Aerie so visited and whether such Aerie is complying with the laws of the Grand Aerie and properly exemplifying the ritualistic work of the Order.

Whenever such reports shall lead him to believe that any Aerie is violating the laws of the Grand Aerie or is not properly conserving its funds he shall at once notify the Grand Worthy President who shall advise him as to the course of action to pursue.

The Deputy State Presidents thus appointed by the State or District President shall be in sufficient numbers so as to require the least possible amount of travel and loss of time and they shall be entitled only to their actual expenses, which shall be paid by the Aerie visited.

Brother H. H. Thompson, P. G. W. P., moved the adoption of this section, seconded by Brother Ed. Hirsch of Baltimore No. 59.

Brother Theodore A. Bell, P. G. W. P., moved to amend by inserting in the second line after the word "supervision" the words, "within its legal jurisdiction," so as to properly define the meaning of the words "full power of supervision." This motion was duly seconded and carried.

A further amendment was moved by Brother H. B. Mehrmann of Oakland Aerie No. 7, to insert in the fifth line after the words "six months," the following, "if so directed," which was duly seconded and carried.

On a question of information and on motion made by Brother Del Cary Smith, P. G. W. P., to strike out in the second and third lines the words "and affiliated with it," Brother Thomas J. Cogan, Chairman of the Committee on Judiciary, pointed out that this matter was defined and provided for in Section 7 of that Article and upon motion of Brother Theodore A. Bell, P. G. W. P., duly seconded by Brother Ed. L. Head, of San Francisco Aerie No. 5, the consideration of this section was postponed for the time being.

Thereupon Brother Theodore A. Bell, P. G. W. P., moved, seconded by Brother Ed. L. Head, of San Francisco Aerie No. 5, that Section 7 be taken up for consideration at once, which motion was carried.

Section 7 as presented by the Committee on Judiciary read as follows:

Sec. 7. No Subordinate Aerie shall be compelled to become a member of such State or District or Provincial Aerie so organized and any Subordinate Aerie may withdraw at any time from such State or District or Provincial Aerie, provided all its obligations to such Aerie shall have been fully discharged.

An amendment was moved by Brother Jos. H. Dowling, of Dayton Aerie No. 321, to read as follows:

Sec. 7. All Subordinate Aeries shall be compelled to become members of such State or District or Provincial Aerie if 75% of the Aeries of such State or District or Province are affiliated with such State or District or Provincial Aerie.

A great deal of discussion arose upon the consideration of this section, participated in by Brothers J. J. Harrington of Brooklyn Aerie No. 393, A. W. Redick of Snohomish Aerie No. 195, H. K. Filler of Altoona Aerie No. 286, Rex Goodcell of San Bernardino Aerie No. 606, and others, and upon a motion by Brother Jos. H. Dowling of Dayton Aerie No. 321, to take a vote upon the question, which was duly seconded, the section was declared adopted as amended by Brother Dowling.

So that there might be no opportunity for error in the matter, by a rising vote the Grand Aerie declared the section to be adopted.

Brother Frank Brew of Vallejo Aerie No. 71 moved at this time that the Committee of the Whole now rise, report progress to the Grand Aerie, and ask leave to sit again, which was seconded by Brother Leo I. Stock of Fresno Aerie No. 39, but was defeated.

The consideration of Section 3 having been postponed, the same was now taken up for consideration, and Brother Theo. A. Bell, P. G. W. P., moved to amend the same further by inserting the word "affiliated" before the word "Aerie" in the fourth line, which was seconded by Brother W. H. Sharah of Braddock Aerie No. 1097, and this amendment adopted.

A further amendment was proposed by Brother Jesse R. Shafer of Los Angeles Aerie No. 102 to insert in the fourth line after the words "State or District President," the words "from among its Past Worthy Presidents," which was seconded by Brother Ed. L. Head of San Francisco Aerie No. 5, and adopted.

Brother E. L. Platz of Fontanelle Aerie No. 1542 moved as an amendment to the third paragraph in this section that in the last line the last word "visited" be stricken out, and the words "State, or District or Provincial" be inserted before the word "Aerie." This was seconded by Brother A. W. Redick of Snohomish Aerie No. 195, and the amendment adopted.

On motion of Brother H. B. Mehrmann of Oakland Aerie No. 7, seconded by Brother W. F. Moran of Nebraska City Aerie No. 968 the words "and visits" were inserted after the word "supervision" in the second line, as well as the word "all" after the word "over" in the second line.

On motion of Brother Del Cary Smith, P. G. W. P., duly seconded and carried, the words "and affiliated with it' were stricken out in the second and third line.

Thereupon Brother Jesse R. Shafer of Los Angeles Aerie No. 102, seconded by Brother S. H. Short of Oakland Aerie No. 7, moved the adoption of the section as reported by the Committee and amended, which motion was carried, so that the section as amended will read as follows:

Sec. 3. Such State or District or Provincial Aerie shall have full power of supervision and visits within its legal jurisdiction over all the Subordinate Aeries within its territory, and its President may appoint a sufficient number of Deputy State or District or Provincial Presidents from among its Past Presidents to visit each Aerie affiliated at least once every six months if so directed, and report to him the financial and general condition of each affiliated Aerie so visited and whether such Aerie is complying with the laws of the Grand Aerie and properly exemplifying the ritualistic work of the Order.

Section 4 being taken up for consideration, the same was adopted as presented.

Sec. 4. Where State or District or Provincial Aeries are now organized, their present officers, respectively, shall continue in office until the election of their successors at the next Aerie session held in their respective States or Districts or Provinces.

Section 5 being taken up for consideration next, Brother Jos. H. Dowling of Dayton Aerie No. 321 moved to substitute for the figure 2500 in the fourth line, the figure "5000," and to add at the end of the section the following, "proper credentials of all such representatives shall be certified to the Grand Secretary on forms furnished by such Grand Secretary." This was

incorporated in the section, and upon motion of Brother Leo I. Stock of Fresno Aerie No. 39, the section was adopted as amended, so that the same will read as follows:

Sec. 5. Such State or District or Provincial Aerie when composed of five or more Aeries shall be entitled to representation in the Grand Aerie upon the following basis: One representative for the State of District Aerie and one for each 5000 members or major fraction thereof paying per capita tax to said State or District or Provincial Aerie. Such representatives shall be selected from the Past Worthy Presidents among its membership in such manner as the State or District or Provincial Aerie may direct, and the payment of their actual expenses for attendance upon the Grand Aerie Session may be provided for.

Section 6 being taken up for consideration, it was moved by Brother A. W. Redick of Snohomish Aerie No. 195, to amend in the last line to read, "the same shall be paid from the funds of the State or District of Provincial Aerie," seconded by Brother Geo. W. Pyles of Bellaire Aerie No. 371. The amendment was lost, however, and the section thereupon adopted, which reads as follows:

Sec. 6. The expenses incident to the holding of the first State or District or Provincial Aerie and the expenses of the delegates attending the same, shall be paid by the Subordinate Aeries constituting the said first State or District or Provincial Aerie. In cases where State or District or Provincial Aeries are already in existence, the actual expenses of the delegates selected to attend the same may be paid from the General Fund of the Subordinate Aerie.

Section 8 was presented next, which read as follows:

Sec. 8. That the Secretary of each State or District or Provincial Aerie shall make a report to the Grand Secretary forthwith upon the adjournment of the State or District or Provincial Aerie of the receipts and expenditures of the State or District or Provincial Aerie in detail, giving the per capita tax levied, the amount collected, as well as the receipts from all sources, the expenses incurred and paid, and on what account; and the Grand Secretary shall report the same to the Grand Aerie.

Brother Jos. H. Dowling of Dayton Aerie No. 321, moved to amend this section by inserting after the words "to the" in the second line, the words "Grand Worthy President and the,"

2. James F. Kelley, Cleveland Aerie, No. 135, Cleveland, Ohio.

and insert after the words "Aerie of" the following, "all the proceedings of such Aerie together with," which was adopted, so that the section as amended will read as follows:

Sec. 8. That the Secretary of each State or District or Provincial Aerie shall make a report to the Grand Worthy President and the Grand Secretary forthwith upon the adjournment of the State or District or Provincial Aerie of all the proceedings of such Aerie together with the receipts and expenditures of the State or District or Provincial Aerie in detail, giving the per capita tax levied, the amount collected, as well as the receipts from all sources, the expenses incurred and paid, and on what account; and the Grand Secretary shall report the same to the Grand Aerie.

A further section was proposed by Brother Tom Carpenter of Alameda Aerie No. 1076, to be known as Section 9, which was seconded by Brother Rex Goodcell of San Bernardino No. 506, and adopted. The same reads as follows:

Sec. 9. State, District or Provincial Aeries shall conform to the laws and ritual as provided for Subordinate Aeries in opening and closing the sessions of such State or District or Provincial Aerie, and the exemplification of the ritual.

Brother Thomas Cogan, Chairman of the Committee on Judiciary, then moved that the report of the Committee on Judiciary as amended be adopted, which was carried, whereupon Brother Frank Brew of Vallejo Aerie No. 71, moved that the Committee of the Whole now rise and report its findings to the Grand Aerie. The motion was duly seconded and carried, and Brother Earl Rogers, Chairman of the Committee of the Whole, reported to the Grand Worthy President that the Committee had adopted the report of the Committee on Judiciary, together with various amendments, whereupon it was moved by Brother Geo. H. Mead of Mount Si Aerie No. 1521, seconded by Brother Leo I. Stock of Fresno Aerie No. 39, to accept and adopt the report of the Committee of the Whole.

Brother W. J. Brennen, of Pittsburg Aerie No. 76, suggested that a roll call be had on the question. Upon a question of information, the Chairman of the Committee on Judiciary, Brother Thomas J. Cogan, stated that the rules provided that on call

of fifty members of the Grand Aerie the ayes and nays on a question shall be taken and entered in the Journal. Upon a count being taken by the Grand Secretary as to the number of members who desired a roll call, it was found that there were 45 members in the Grand Aerie who desired to have the roll called, whereupon Brother Frank E. Hering, the presiding officer, declared that, there not being a constitutional number for the call of the roll, the roll shall not be called.

Brother W. J. Brennen, of Pittsburg Aerie No. 76, raised the question of there being no quorum present, whereupon Brother Frank E. Hering, P. G. W. P., as presiding officer, declared that unless he was overruled in the interpretation of the laws he would decide that there was a quorum present.

It was then suggested by Brother Theo. A. Bell, P. G. W. P., and so moved by Brother Leo I. Stock of Fresno Aerie No. 39, seconded by Brother Tom Carpenter of Alameda No. 1076, that the report of the Committee of the Whole together with the amendments reported, be received and adopted by the Grand Aerie, which motion was duly carried.

Brother Frank E. Hering, P. G. W. P., then called for a rising vote in order that there might not be any question as to whether a two-thirds vote had been registered in favor of the adoption of the report. Upon a rising vote being taken on the question (which showed about 20 members voting in the negative) the presiding officer declared the motion carried by a two-thirds majority on a rising vote.

Brother Thos. J. Cogan, Chairman of the Committee on Judiciary, presented the following resolution proposed by Buffalo Aerie No. 46, amending Article II, Section 1, by adding the following:

"The three trustees shall be elected to serve for one, two and three year terms, electing three trustees the first year, and one each succeeding year for three year terms."

Brother H. K. Filler of Altoona Aerie No. 286, moved the adoption of this resolution, seconded by Brother Ed. Hirsch of Baltimore Aerie No. 59. Brother Frank X. Bernhardt of Buffalo Aerie No. 46, advocated the adoption of this amendment, as also did Brother Jos. H. Dowling of Dayton Aerie No. 321.

An amendment to the above was proposed by Brother Earl Rogers of Los Angeles Aerie No. 102, by adding at the end of the section the following, "except that a Subordinate Aerie may by By-law provide otherwise," which amendment was accepted by the representative from Buffalo, brother F. X. Bernhardt.

It was thereupon moved by Brother D. P. Sweeney of No. 647, to lay this resolution on the table. A division being called for it was found that 97 representatives were in favor of laying the amendment on the table, with 118 members against.

The motion now being on the resolution as amended, the same was adopted.

Brother Thomas J. Cogan, Chairman of the Committee on Judiciary, presented the following without any recommendation on the part of the Committee.

To the Fraternal Order of Eagles, Session of 1911,
San Francisco, Cal.—Greeting:

We, the undersigned duly accredited delegates to the Grand Aerie session of August, 1911, held in the city of San Francisco, California, would recommend for your favorable consideration the following amendment to the laws of our Order:

On motion of Brother M. Rosenberg of San Francisco Aerie No. 5, seconded by Brother Ed. Hirsch of Baltimore Aerie No. 59, this matter was laid on the table.

Brother Theo. A. Bell, P. G. W. P., Chairman of the Committee on State of the Order, presented the following report of that Committee in the matter of bonding the various officials in the Order.

To the Officers and Members of the Grand Aerie, F. O. E.:

Your Committee on the State of the Order, to whom was referred that portion of the report of the Board of Grand Trustees dealing with official bonds, begs leave to report as follows:

We recommend the adoption of the following resolution:

RESOLVED: 1. That the Grand Aerie become the sole surety upon the official bonds that are required from officers of Subordinate Aeries, State, District and Provincial Aeries, and the Officers of the Grand Aerie; provided that all bonded officers shall sign and execute their respective bonds.

2. It is hereby declared that the bonding of officers by the Grand Aerie is not done for the purpose of profit, but for the purpose of more effectively carrying out the objects of our Order.

3. The bonds so furnished by the Grand Aerie shall provide for the faithful discharge of official duty, and shall contain such other reasonable provisions and conditions as shall be prescribed by the Board of Grand Trustees and the Grand Worthy President.

4. The bonds shall be signed by the Grand Worthy President and the Grand Secretary, with the seal of the Grand Aerie affixed.

5. The rate of premiums to be charged and collected from Subordinate Aeries by the Grand Aerie shall be fixed by the Board of Grand Trustees and Grand Worthy President.

6. The Board of Grand Trustees and Grand Worthy President are hereby empowered to formulate and to put into effect not later than January 1, 1912, a complete scheme for the issuance of said bonds, the collection of premiums, the payment of losses, the keeping of books, and all other things necessary or incidental to the proper and effective carrying out of the provisions of this resolution.

THEODORE A. BELL, Chairman.
DEL CARY SMITH,
H. H. THOMPSON,
T. J. CONSIDINE,
J. F. PELLETIER.

Brother Theodore A. Bell, P. G. W. P., explained the necessity for Section 2 of this resolution, that in order to keep within our articles of incorporation it must appear that this bonding is done for a fraternal purpose, though no doubt a profit would result to the Grand Aerie. He further explained the wisdom of this

step, as in the past it had very rarely happened that the bonding companies had made good on any defaulted bond owing to some technicality.

Brother M. Rosenberg of San Francisco Aerie No. 5, seconded by Brother W. J. Brennen of Pittsburg Aerie No. 76, moved the adoption of this resolution.

Brother Thos. H. Greevy of Altoona Aerie No. 286, suggested and asked that the matter be referred to the Committee on Judiciary, to see whether or not we can engage in the bonding business, as he did not think that under the laws of the various States the Grand Aerie could issue a uniform bond and engage in the bonding business.

Brother Frank E. Hering, P. G. W. P., read from the report of the Board of Grand Trustees an opinion rendered by Brother Thomas F. Grady, Grand Worthy President, relating to the subject of bonds as issued by bonding companies, that owing to a certain provision in such bonds the insurance companies had defeated 80% of their policies. He therefore advocated the adoption of this resolution, as did also Brother W. J. Brennen of Pittsburg Aerie No. 76, pointing out the fact that it would not be necessary to go to law if such bonds were issued by the Grand Aerie, as in previous instances where bonding companies had refused to pay claims, as any just claims would be paid by the Grand Aerie.

Brother J. J. McLogan of Detroit Aerie No. 82, moving the previous question, the report of the Committee on State of the Order with respect to bonds was adopted unanimously.

The report of the Committee on State of the Order on the budget for the ensuing year being the next order of business, Brother J. J. Harrington of Brooklyn Aerie No. 393, moved that the consideration of that report be made a special order of business for tomorrow morning. Brother J. J. McLogan of Detroit Aerie No. 82, moved to amend to make this a special order of business

for 8 o'clock this evening, while Brother Frank E. Hering, P. G. W. P., asked that the Grand Aerie remain in session until the business before the meeting be disposed of.

Brother Fred Hughes of Yonkers Aerie No. 473, at this time presented to Brother Conrad H. Mann, Grand Secretary, a magnificent chest of silver, suitably inscribed, as a token of love and esteem from his friends in the Order. Brother Mann expressed his high appreciation of the gift, stating that he hoped that nothing would ever occur to destroy the confidence which the members of this Order reposed in him.

Brother J. J. Harrington withdrawing his motion, the Grand Aerie then took a recess till 8 o'clock this evening.

FRIDAY EVENING SESSION

San Francisco, August 25, 1911.

The Grand Aerie reconvened at 8:15 p. m. on the above date in San Francisco, Cal., at Eagles' Hall, a full quorum of representatives being present.

Brother Maurice A. Powers of Dixie Aerie No. 338, Chairman of the Committee on Resolutions, presented the following report of that Committee, which was adopted.

To the Grand Worthy President and the Delegates to the 13th Annual Session of the Grand Aerie of the Fraternal Order of Eagles:

The Fraternal Order of Eagles is again indebted to the hospitable people of the city of San Francisco. That our first meeting in this beautiful city was a success so far as the Mayor, the city officials and employees and the citizens generally could make it so, is best attested by the fact that for a second time we have selected it as a place for holding our Grand Aerie Session. It is not the exaggeration which custom sanctions on an occasion of this kind which causes us to say now that our present visit has been even more pleasant and profitable than the first, if that be possible.

The Mayor of the city in an address of welcome remarkable for its warmth and cordiality, the other city officials and employees by their endeavor to accommodate and make us comfortable in every way, the business people by their consideration and the reasonableness of their charges, and the people generally by their many evidences of lavish hospitality have made us feel from the beginning that our welcome was genuine and our presence a delight, and we feel, now that our meeting is about to close, that it is not only proper, but a pleasure, as great as our welcome has been sincere, to record our appreciation of what has been done for us.

Resolved, therefore, That the Grand Aerie of the Fraternal Order of Eagles, and the members of the Order now visiting this city, hereby express to the Mayor, the city officials and employees, and the citizens of San Francisco, our sincere thanks for the generous and hospitable reception they have accorded us, and that as a small token of our appreciation of their generous hospitality we pledge ourselves each to do what we can to further in our

respective homes the Exposition to be held in this city in the year 1915, to the end that it, like every other work undertaken by this enterprising people, may result in an unqualified success, and an honor and a credit to the city of San Francisco and the State of California.

LEO I. STOCK, No. 39,
JOHN F. GARRY, No. 74,
FRED E. HOERTER, No. 332,
FRANK BREW, No. 71.

Brother Maurice A. Powers, Chairman of the Committee on Resolutions, presented the following report of that Committee, which was adopted, and the Grand Secretary was instructed to forward a copy of this resolution to the press of the city.

To the Grand Worthy President and the Delegates to the 13th Annual Session of the Grand Aerie of the Fraternal Order of Eagles:

The press of the city of San Francisco, like its people, has been generous with us. Both before and since our advent here it has devoted more of its valuable space to our plans and procedure than is usual on occasions of this kind. Editorially it has commended our Order and our work, and locally it has been fair and accurate in its report of our proceedings. No organization of the character of ours can long exist without the assistance and co-operation of the press, and as this has been given to us in the fairest way and in the fullest measure by the newspapers of San Francisco;

Therefore, be it Resolved, That the Grand Aerie of the Fraternal Order of Eagles hereby tenders to the press of San Francisco its sincere thanks and appreciation for its kindness and courtesy and fairness to us and to our Order during this Session of 1911, and for the full and accurate report of our proceedings which has gone forth through the National Press Agencies to our respective homes.

Brother Maurice A. Powers, Chairman of the Committee on Resolutions, presented the following report of that Committee, which was adopted.

To the Grand Worthy President and the Delegates to the 13th Annual Session of the Grand Aerie of the Fraternal Order of Eagles:

No meeting of the Grand Aerie would be complete or wholly successful without the presence and co-operation of the ladies. Many of the visiting Brothers brought with them to San Francisco their wives and daughters, and that they have been royally entertained by the Ladies' Auxiliary of the local Aeries is evident from their faces and their comment.

We desire, therefore, to record our sincere thanks and appreciation of what the ladies of San Francisco have done to make our Session pleasant and profitable, and their courtesy and kindness to our ladies, and to assure them that nowhere have we found more beautiful women or more charming hostesses than here in the city of San Francisco, in the State of California.

JOHN F. GARRY, No. 74,
FRED E. HOERTER, No. 332,

Brother Maurice A. Powers, Chairman of the Committee on Resolutions, presented the following report of that Committee, which was adopted.

To the Grand Worthy President and the Delegates to the 13th Annual Session of the Grand Aerie of the Fraternal Order of Eagles:

We do not recall any previous Session of the Grand Aerie when so many Subordinate Aeries from a distance have united at the place of our meeting to entertain and instruct the delegates and members of the Order. Several of the Subordinate Aeries of the State of California have, at great expense, and time and labor, established headquarters in the city of San Francisco where the delegates and members of the Order might acquire knowledge of the products of the State and at the same time refresh themselves with the abundance of good things for which the State of California is justly famed.

Therefore, be it Resolved, That the Grand Aerie of the Fraternal Order of Eagles tenders its thanks to such Subordinate Aeries for their charming hospitality and good fellowship, and congratulates them on their patriotism and enterprise.

Brother Maurice A. Powers, Chairman of the Committee on Resolutions, presented the following report of that Committee, which was adopted.

To the Grand Worthy President and the Delegates to the 13th Annual Session of the Grand Aerie of the Fraternal Order of Eagles:

Your Committee on Resolutions respectfully submit the following and recommend its adoption.

It is a difficult task to administer the affairs of an organization with as large a membership and as widely scattered as the Fraternal Order of Eagles, and to do so successfully requires the services of men whose interest in its welfare is not measured by the compensation they receive, but by their love for and devotion to its principles.

The prosperity of the Fraternal Order of Eagles, its unparalleled growth, the wholesome state of its finances, its ever-increasing influence in the communities in which Subordinate Aeries are located, and the character and worth of the men who are constantly finding their way into its membership, are largely due to the fact that we have had the good fortune and the good judgment to select as its officers men who are unselfishly consecrated to its mission and who are possessed of the learning and ability necessary to a proper understanding and discharge of it.

We would be recreant to our duty and our feeling, therefore, if we did not at this time express, in terms of unqualified commendation, our appreciation of them and of their efforts in behalf of us and of our honored Order.

Therefore, be it Resolved, That the Fraternal Order of Eagles hereby returns its sincere thanks to the officers of the Grand Aerie for the faithful and efficient manner in which they have discharged the duties of their respective offices, congratulates them on the magnificent account they have been able to render of their stewardship, and assures them of the continued love, affection and esteem of the delegates to the Thirteenth Annual Session of the Grand Aerie of the Fraternal Order of Eagles.

Brother Maurice A. Powers, Chairman of the Committee on Resolutions, presented the following report of that Committee, which was adopted, and the Grand Secretary instructed to have a copy of these resolutions engrossed and presented to San Francisco Aerie No. 5.

To the Grand Worthy President and the Delegates to the 13th Annual Session of the Grand Aerie of the Fraternal Order of Eagles:

Your Committee on Resolutions respectfully submit the following, and recommend its adoption.

For the first time in the history of our honored Order it has been possible to hold the Grand Aerie Session in a building owned and controlled by Subordinate Aeries. It is a magnificent structure, at once an ornament to the city of San Francisco and a monument to the zeal and activity of our San Francisco brothers. It is to be expected that men who can undertake and bring to so successful a conclusion a work of such proportions would not fail in other things, and it is therefore not difficult to understand how, under the direction of the local committee in charge of the present Grand Aerie Session, the arrangements have been well-nigh perfect, and the comfort and convenience and entertainment of the delegates and members of the Order not neglected in the smallest detail; therefore be it

Resolved, That the Grand Aerie of the Fraternal Order of Eagles hereby felicitates and congratulates San Francisco Aerie No. 5, and Golden Gate Aerie No. 61, on the completion of their handsome home, and urges upon other Subordinate Aeries the emulation of this example of what united effort will do and accomplish; and

Resolved, further, That the Grand Aerie and the delegates and members of the Order hereby tender to the said Aeries and their efficient committees their heartfelt thanks and appreciation for one of the most successful Sessions ever held by the Grand Aerie, and a stay in the city of San Francisco characterized by an ideal fraternal spirit and a splendid and lavish hospitality.

On motion of Brother Harry R. Knowles of Everett Aerie No. 13, a vote of thanks was extended to the Committee on Resolutions.

Brother N. E. Nuzum of Spokane Aerie No. 2, from the Committee of Grievances and Appeals, stated that the Committee had had before them the representative of Boise Aerie No. 115 in the matter of the grievance of Brother Paul Newman of that

Aerie, and could not arrive at any different conclusion than the report presented previously, which thereupon on motion of Brother T. J. Considine, P. G. W. P., was adopted.

IN THE MATTER OF THE GRIEVANCE OF PAUL NEWMAN OF BOISE AERIE No. 115

Paul Newman, a member for eleven years, in good standing, of Boise Aerie, up to the first week of July, 1910, at which time having become a resident of Tacoma, Washington, he sent for his transfer card and remitted two dollars to pay his dues for the months of June and July, 1910, and the payment for the Transfer Card. He received his card in due time and intended to place it before Tacoma Aerie No. 3, but could not do so because Tacoma Aerie held no meetings in the month of August on account of the warm weather. On the 8th of August, Brother Newman was taken sick and was laid up until September 2, 1910. Boise Aerie refused to pay his claim for benefits on the ground that after August 1st he was in arrears.

It is provided by Section 2 of Article 27, of the Constitution for Subordinate Aeries:

"The Aerie issuing this card shall be liable for all sick and funeral benefits to which the member may be entitled until four months after date on which his Transfer Card was issued."

The sickness having occurred and terminated within four months after the date of the issuance of the Transfer Card, we are of the opinion that Boise should pay the claim of Brother Newman for benefits.

We recommend that the Grand Aerie direct the payment of this claim by Boise Aerie within thirty days after receipt of notice of the action of the Grand Aerie.

Upon a question of information as to when the delegates would receive copies of the present day's proceedings, it was moved by Brother E. J. Mathews of San Jose Aerie No. 8, seconded by Brother R. M. White of Seattle Aerie No. 1, and so ordered, that the Grand Secretary be instructed to have the present day's proceedings printed as soon as possible, and to have them at his office in the St. Francis Hotel at the earliest possible time, so that delegates might call for the same, and at the same time to mail a copy to each delegate as soon as practicable.

Upon a question of information as to whether a Subordinate Aerie could obtain from the Grand Worthy President a special dispensation to initiate for a period of time new members at the rate of $5.00 each, Brother John S. Parry, G. W. V. P., as the presiding officer, stated that under the laws it was not possible to give an Aerie any such special dispensation, in violation of our laws.

Brother Del Cary Smith, P. G. W. P., from the Committee on Necrology, presented the following report of that Committee, which was adopted by a rising vote, adding to the list such names that had been omitted.

Nor draw his frailties from their dread abode,
There they alike in trembling hope repose,
The bosom of his Father and his God."

To the friends and relatives of our Brothers we extend our sympathy.

THEO. A BELL, Chairman,
DEL CARY SMITH,
JOHN F. PELLETIER,
T. J. CONSIDINE,
H. H. THOMPSON,
Committee.

The gavel being turned over to Brother Del Cary Smith, P. G. W. P., at the present time, Brother Earl Rogers, of Los Angeles Aerie No. 102, Chairman of the Committee on Grievances and Appeals, presented the following report of that Committee in the matter of Philadelphia Aerie No. 42, and it was moved by Brother Leo I. Stock of Fresno Aerie No. 39, seconded by Brother M. Rosenberg of San Francisco Aerie No. 5, to adopt the same, with the recommendations contained therein, which prevailed unanimously.

IN THE MATTER OF PHILADELPHIA AERIE NO. 42

Your Committee on Grievances and Appeals recommends that Philadelphia Aerie No. 42, Fraternal Order of Eagles, be suspended for a period of one year or until the meeting of the next Grand Aerie, to be held at Cleveland, Ohio, August, 1912. We make this recommendation upon the ground that Philadelphia Aerie No. 42 has refused allegiance to the Grand Aerie, Fraternal Order of Eagles, and defied its authority in that the said Philadelphia Aerie No. 42 has certified to this Grand Aerie, as a member of this Grand Aerie, B. J. Monaghan, who was heretofore, to-wit, at the meeting

of the Grand Aerie, held in St. Louis, August, 1910, expelled from membership and his name stricken from the Roll of Membership in this Grand Aerie. And further, in that Philadelphia Aerie No. 42 has defied the authority of this Grand Aerie by so doing.

We further recommend that this Grand Aerie do refuse to Philadelphia Aerie No. 42 the semi-annual pass-word and to all its members affiliation and right of visitation in or to other Aeries, and that the Grand Worthy President take such steps as may be necessary to protect the Fraternal Order of Eagles against the intrusion of any member of Philadelphia Aerie No. 42, during the time of such suspension.

EARL ROGERS, Chairman.
FRED C. NAEVE,
N. E. NUZUM,
FLETCHER M. NOE.

Brother M. Rosenberg of San Francisco Aerie No. 5, at this time presented the case of Brother W. L. Frazee of Honolulu Aerie No. 140, stating that this brother on the day of his arrival in San Francisco had met with an accident, and had since been confined to the hospital, and moved that the records show that this brother was in attendance at this session. The motion was seconded by Brother W. H. Sharah of Braddock Aerie No. 1097, and carried.

Brother Frank Brew of Vallejo Aerie No. 71 for the Committee on Resolutions presented the following report of that Committee, which was adopted.

RESOLVED, That the Grand Aerie, Fraternal Order of Eagles, in convention assembled, endorse House Bill No. 13500, introduced in the House of Representatives of the United States by Congressman Raker of California on August 11, 1911, providing for the amendment of our immigration laws so as to exclude all Asiatic laborers from admission into the United States.

Brother Lincoln Davis of Tacoma Aerie No. 3, presented the following report of the Press Committee, which, upon motion of Brother Lincoln Davis of Tacoma Aerie No. 3, was adopted.

To the Officers and Members of the Grand Aerie, Fraternal Order of Eagles, Thirteenth Annual Session.

Dear Sirs and Brothers:

The Press Committee desires at this time to express to the Convention its appreciation for the services rendered it by the daily press of San Francisco during our stay in this city. More space has been devoted to the proceedings of the Grand Aerie and the social events than at any previous convention. Pictorially the daily report of the convention work has been of an unusually high class, the art departments of the various dailies being worthy of commendation for the decoration emblematic of our Order.

Especially in dealing with the early history of our Order, its great strides forward to its present standing in the world of fraternalism, its objects, aims and work for the good of humanity, have the members of the daily press, through the courteous representatives, treated this Order in a manner that is never to be forgotten.

From the great news-dispensing associations the Press Committee has received only the most courteous treatment and the reports of the good work of our Order has through those associations as well as through the daily press spread the Gospel of Eagleism throughout the land.

By no other means can our Order become so well known in the homes, in the families and in the smaller cities of the country as through the press, and no better reports of our work in the interest of humanity for fraternalism and for the good of our Order has ever been disseminated than through the kind and efficient work of the representatives of the San Francisco press.

So pleasant have been the relations between the representatives of the daily press and your Committee that it brings a feeling of sadness o'er us as we think of the time when we shall have to leave this beautiful California for our homes, scattered over the width and breadth of this great Empire.

Here by the Golden Gate is a city of wonder, rehabilitated by a wonderful people, we have been extended the hospitality of brothers. They have spread upon the boards the fruits of the vineyards, the products of their orchards, the golden blossoms from their gardens. They have taken us by the hand and have said "Welcome, Brother!" They have beamed a welcome upon us with smiling faces. They have taken us to their homes and there welcomed us with a friendship and a good-fellowship like that exemplified by the hospitality of the South before the great crisis.

It has been with a feeling of sorrow that we viewed the few scars left here of the catastrophe of 1906. Portals of the past gleam like ancient ruins in a few places, but the great scars of that fire have been almost effectually effaced by a thrifty people.

Here in 1915, a great World's Fair is to be held to celebrate the completion of the greatest engineering feat in the history of the world. Here these people who have been our hosts for the past two weeks will celebrate. Many of us will celebrate with them. May their exposition be a glorious one; may it prosper as has the new city risen from the ashes of the old.

In closing, we, your Press Committee, wish to extend our thanks and a vote of gratitude to those in charge who have commended, assisted and uplifted our Order. Unconditionally we wish again to thank those representatives of the Press who have assisted us, worked with us and for us, for their energetic, brilliant and conservative efforts.

EDWARD HIRSCH, Chairman.

As Brother Thos. H. Greevy of Altoona Aerie No. 286 desired to interrogate the Grand Treasurer on certain matters, and the Grand Treasurer being absent attending to his duties at the Hotel, the presiding officer delegated the Grand Worthy Conductor to request the Grand Treasurer to appear before the Grand Aerie, and upon his appearance Brother Greevy asked the Grand Treasurer why his books had been closed this year on July 15th instead of as usual on July 31st. The reply of the Grand Treasurer was that he had received an official notification from the Grand Secretary's office to that effect. Upon a further question of information as to the amount of money in the hands of the Grand Treasurer at the present time, the amount that had been checked out to date since closing of the Grand Treasurer's books, the amount of time deposits, Brother Finlay McRae, Grand Treasurer, gave exact answers to these questions.

Upon a question of information as to whether it would be necessary to withdraw a time deposit to defray the expenses of the present Grand Aerie session, the Grand Treasurer stated that he thought it would not be necessary to do so.

Brother Theodore A. Bell, P. G. W. P., Chairman of the Committee on State of the Order, presented the report of that Committee on the budget for the various departments for the year 1911-1912, and moved the adoption of the same and the resolutions therein contained, which was duly seconded.

Brother R. M. White of Seattle Aerie No. 1 amended this to take up the report item by item, as he desired to move some reductions in some of the appropriations.

Brothers Del Cary Smith, P. G. W. P., Ed. L. Head of San Francisco Aerie No. 5, Thos. H. Greevy of Altoona Aerie No. 286, and others, spoke in favor of the adoption of the report of the Committee as a whole. The matter then being put to a vote, the report of the Committee, with the resolution contained therein, was adopted unanimously.

Your Committee begs leave to state that there are other and further expenses connected with the conduct of the Grand Aerie business and affairs such as printing in the office of the Grand Secretary, which should be estimated by the Committee on Finance when they estimate the probable income and expenditures for the next year for the purpose of fixing the per capita tax. We feel that our Committee has gone as far as it is practicable in the fixing of the next annual budget, and that if the foregoing resolution

is adopted, the Committee on Finance will be in a position to figure more accurately than ever before in the history of the Order as to just what the next per capita tax should be.

In the preparation of this budget, we have extended an invitation to all brothers who might desire to address the Committee, to appear before us, and a number of brothers have been glad to appear before the Committee and to express their views upon the various subjects under consideration. All the Grand Officers were called before the Committee and questioned closely as to the necessary expenses of their respective departments. Therefore, we beg leave to state that this budget has not been arbitrarily fixed by the Committee but represents the deliberate judgment of the Committee after a full and impartial hearing and consideration of every item of expense included within the appropriations that we have recommended.

Your Committee respectfully submits this report and the resolution herein contained for a careful and deliberate consideration of the Grand Aerie.

THEODORE A. BELL, Chairman.
DEL CARY SMITH,

H. H. THOMPSON,
THOMAS J. CONSIDINE.

Brother R. J. Lemert of Helena Aerie No. 16, presented a resolution, which was adopted with the amendment by Brother N. E. Nuzum of Spokane Aerie No. 2, that the matter be referred to the incoming Grand Worthy President, Board of Grand Trustees and the Chairman of the Judiciary Committee, to proceed in the matter as they deemed best for the interest of the Order, so that the resolution as amended will read as follows:

WHEREAS, The Lewis and Clark County Medical Association of Helena, Mont., has induced the hospitals of that city to refuse admission to members of Helena Aerie No. 16 unless said members renounce their right to be treated by the Aerie physician of No. 16; and

WHEREAS, The matter has been taken into the District Court and decided adversely to Helena Aerie No. 16; and

WHEREAS, The decision of the lower court will become final so far as Helena Aerie is concerned, and may possibly be regarded as establishing a precedent, to rule in similar cases in other cities if not appealed and reversed, thus rendering inoperative one of the most important features of our Fraternity; now, therefore,

BE IT RESOLVED, That the Grand Worthy President, Board of Grand Trustees, and Chairman of the Committee on Judiciary give this matter full consideration, and take such legal steps as they may deem best for the interest of the Order.

With reference to the matter of per capita tax, which had been referred to the Finance Committee, Brother Theodore A. Bell, P. G. W. P., stated that he had been in consultation with the Chairman of the Finance Committee on this matter, and presented the following resolution, which was adopted.

In order to furnish sufficient funds for the necessary expenses of the Grand Aerie for the ensuing year;

BE IT RESOLVED, That the per capita tax be and the same is hereby fixed at 20 cents payable as follows:

10 cents on the first day of December, 1911.

10 cents on the first day of June, 1912.

Sec. 2. Sec. 3. It shall be his duty to make a written report and submit his books of account quarterly, which shall be audited by the Auditing Committee and by them certified to the Aerie in accordance with their findings.

Sec. 4. He shall deposit in the name of the Aerie in some reputable bank, to be named by the Aerie, all moneys received from the Secretary. The Aerie shall collect this fine from the Treasurer.

ARTICLE XII.

Section 1. It shall be the duty of the Trustees to hold in trust all stocks securities and property belonging to the Aerie.

Sec. 6. They shall keep a full and correct account of all moneys received, expended and invested, in books especially provided by the Grand Aerie, and at the close of each semi-annual term (or whenever requested by the Aerie to do so), make a full report in writing of all business transacted by them during the term, together with a detailed statement of the funds and investments belonging to the Aerie.

ARTICLE XIII.

DUTIES OF AERIE PHYSICIAN

Section 1. It shall be the duty of the Aerie Physician to attend, prescribe for and perform such minor surgical work as may be necessary on all members of the Aerie in good standing and their respective families, also all visiting members and their families without extra charge, except in cases of confinement and primary venereal or chronic diseases, or disabilities existing at the time the member made application for membership. In all cases where the Aerie Physician in the performance of surgical work requires the attendance and co-operation of any other than another physician of the same Aerie, the expenses of such additional physician shall be borne by the member.

Sec. 2. The words "family or members of a family," as used in this Article, shall be considered to mean, when applied to a member who is married, only his wife and minor children, and in all other cases, only such persons who reside with, are dependent upon, and who are actually supported by the member of the Aerie and depend upon him for support and care. The term "visiting members," as herein employed, shall be construed to apply only to such members as are temporarily located (for a period not exceeding three months) within the jurisdiction of the local Aerie, and shall not include such as permanently reside therein or who are attending, as visitors, for cure or treatment of himself or any member of his family as above defined; provided, however, that when a member of an Aerie shall reside within the jurisdiction of another Aerie for a period exceeding such three months and is not so residing for cure or treatment as aforesaid, and it shall so appear to the satisfaction of such other Aerie, then upon payment in advance by such visiting member to the Secretary of such other Aerie of an additional sum equal to the sum paid by the local Aerie every three months for the use and benefit of the Aerie Physician of such other Aerie, he shall be entitled to the services of the Aerie Physician of such other Aerie in the same manner as the members thereof.

Sec. 3. He shall examine all candidates for admission, using for such examination the printed medical examination form furnished by the Grand Aerie. All candidates for admission must be examined by him in his office or in private, and no candidate shall be passed upon by the Aerie Physician until he gives the usual urinalysis examination. He shall be allowed a fee of not less than one dollar ($1.00) for each such examination, which fee shall be paid by the candidate, and he shall be entitled to this fee even though the candidate should fail to pass the medical examination or be rejected by the Aerie.

Sec. 4. He shall attend all meetings of the Aerie and report the condition of all sick members under his care.

Sec. 5. He shall be paid by the Subordinate Aerie as compensation for his services the sum of fifty (50) cents per member per quarter for all members in good standing, payable quarterly at the end of each quarter unless other arrangements be made by the Aerie as hereinafter provided; provided, further, that any member whose dues are not paid in advance is not entitled to benefits or to the services of the Aerie Physician, and the Aerie Physician must demand a member's official receipt for inspection when called upon to render medical services.

Sec. 6. In case there is more than one Aerie Physician, said compensation shall be divided between them, share and share alike.

Sec. 7. In case of failure or refusal of any such Physician or Physicians to attend any sick member or members of his family who may reside or be within the city limits or town boundary in which the Aerie is located, or who may call upon him at his office for medical services, the Worthy President shall have authority to employ some other reputable physician to attend to such sick member or members of his family, and the fees for such attendance shall be paid by the Aerie and an equal sum deducted from the fees of the Aerie Physician whose duty it was to attend upon such sick, and if such failure be a wilful one he shall be removed from office. Before the Worthy President shall agree to the employment of some other Physician, in the absence of the Aerie Physician, he shall satisfy himself that the Aerie Physician has failed or refused to do his duty in the case in question.

Sec. 8. The Aerie Physician or Physicians shall make a report at each meeting of the Aerie in writing, stating the nature and duration of the sickness of every brother under his care and also specify those who may be entitled to benefits. And for a failure so to do shall be fined the sum of one dollar for each separate offense, such fine or fines to be deducted from the compensation to which he would otherwise be entitled.

Sec. 9. Whenever an Aerie has attained a membership of over six hundred it may elect two Aerie Physicians, and in case the membership exceeds six hundred it may elect an additional Aerie Physician for each additional three hundred members or major portion thereof.

Sec. 10. Fees allowed Aerie Physicians as herein provided may be changed by any Aerie wherein the requirements conflict with the local laws of the community, and when the Aerie deems it for the best interests of the Order. Provided, that a dispensation shall be obtained from the Grand Worthy President before such contract can become effective.

Sec. 11. Whenever local conditions, in the judgment of the Grand Worthy President, justify a Subordinate Aerie in dispensing with the election of an Aerie Physician, it shall be lawful for any Aerie so situated to enter into such contract or agreement for medical attendance upon its own and visiting members, and their families, as may be approved by the Grand Worthy President; but nothing contained in this section shall be construed as limiting or affecting the general application of the Laws of the Order governing the physical examination required of all applicants for membership.

Sec. 12. Whenever an Aerie shall have taken such action dispensing with the services of the Aerie Physician as is provided for in the preceding section, the physician or physicians elected by the Aerie for the examination of applicants shall not be entitled to receive any fees or compensation provided for in the preceding sections under this article, except the fee for examination of applicants.

Sec. 13. If any member should employ any physician other than the regular Aerie Physician, the Aerie shall in no event be liable for payment for any service performed by such physician. Should any member submit a certificate of an outside physician on making claim for sick benefits, such certificate must be approved by the Aerie Physician in writing before any sick benefit can be allowed.

Sec. 14. In the examination of an applicant the Aerie Physician shall propound to and cause to be answered by the applicant the following questions, and append thereto the following certificate, and before recommending any applicant for admission the Aerie Physician shall satisfy himself that such questions are truthfully answered:

It shall be their duty to examine all bills and to pass upon their correctness and recommend their approval or rejection, whereupon such bills shall be presented to the Aerie for final action.

Sec. 2. No bills shall be contracted except the regular expenses of the Aerie, unless the same be authorized by a vote of the Aerie.

Section 1. The Visiting Committee shall consist of not less than seven members, to be taken from the roll alphabetically at the first regular meeting of each month; or, in the discretion of the Worthy President may be appointed by him from among the members present and residing in the immediate vicinity of the residences of the brothers reported sick. It shall be the duty of the Visiting Committee to visit all such brothers, as soon as possible after being notified thereof, and as often as once a week thereafter during their term of service; provided, that when there are more than five members on the sick list, the Worthy President may add, as hereinbefore provided, to the list of Visiting Committee such additional names as he may deem necessary, to whom all new cases shall be referred, and they shall serve until the end of the month in which they were appointed, or until discharged. They shall be subject to the same fines and penalties for failure to visit the brothers referred to them.

Sec. 2. All members of the Visiting Committee shall report to the Aerie by letter or otherwise the findings of each visit. They shall visit the sick as promptly as possible and at least once a week.

Sec. 3. The Worthy President shall have the power to excuse any brother from serving on the Visiting Committee whenever such member is unable to serve through sickness, absence from home or other good and sufficient reasons, and to fill the vacancy.

Sec. 4. It is provided that nothing in this section shall be construed to prevent any member of the Committee visiting such sick brother by proxy.

Sec. 5. As soon as a member on the sick list reports that he has recovered from his illness to a member of the Visiting Committee it shall be his duty to immediately notify the Secretary of the fact and should he fail to do so he may be fined one dollar ($1.00). The Secretary immediately upon this information shall notify the balance of the Visiting Committee to discontinue their visits.

Sec. 6. Should the disease from which any member is suffering be contagious, infectious or dangerous to others, the Committee shall so report to the Aerie, or should the attending physician notify the Secretary that a visit is not desirable or practicable, in that case they will not be compelled to visit, but any member of this Committee after being notified and failing to serve or furnish a competent substitute, except in the case just named, shall be fined the sum of fifty cents unless he presents an excuse as hereinbefore provided.

Sec. 7. Any member of the Aerie failing to report the sickness of a brother after he has been requested to do so, knowing him to be sick, shall be fined fifty cents. Each member of the Visiting Committee must report at each session of the Aerie on each individual case in person, by letter or by proxy; failing to do so he shall be fined fifty cents.

ARTICLE XIX.

INVESTIGATING COMMITTEE

Section 1. The Worthy President shall appoint three or more members in good standing on the roll as a Committee of Investigation on each application for membership presented to the Aerie, whose duty it shall be to inquire into the character, qualifications and standing in the community of the applicant, to ascertain his age and occupation, whether he has ever been refused membership or has been expelled from any Aerie, to satisfy themselves that he is a member of the Caucasian race, and that he is eligible for membership. Said committee shall report the result of their investigation at the next meeting of the Aerie or as soon thereafter as practicable. Should the Committee of Investigation refuse or fail to make a report within a reasonable time they may be fined by the Worthy President and a new committee appointed.

Sec. 2. Any member of the Investigating Committee who fails to properly investigate an applicant's character or knowingly withholds any information regarding him that would have prevented him from becoming a member shall be equally guilty with the applicant for membership and may be suspended or expelled from the Aerie.

ARTICLE XX.

APPLICATION FOR MEMBERSHIP

Section 1. An applicant for membership into any Subordinate Aerie must be recommended by two members of the Aerie. He must be a male member of the Caucasian race; he must be over twenty-one (21) years of age and not having passed his fiftieth birthday—except as hereinafter provided;

he must be of sound body and mind, in full possession of all his senses and faculties, and not maimed in any manner affecting his health or ability to earn a livelihood. He shall pay or cause to be paid to the Secretary the sum of one-half of the initation fee at the time of application and the balance of the fee must be paid prior to initiation.

Sec. 2. An applicant who has lost only one leg, arm or eye, or who is otherwise sound in body and mind, is eligible for membership. An applicant who has lost more than one limb, or who is blind, deaf, or dumb, or who cannot read or write, cannot be admitted to any Aerie under any circumstances.

Sec. 3. A member of an Aerie who has been dropped for non-payment of dues, fines or assessments, or having been expelled desiring to be reinstated, must make application in the Aerie from which he was dropped in the same manner as an applicant for initiation. He shall pay such reinstatement fee as hereinafter provided, which must accompany the application. He must be recommended by two members of the Aerie and must submit himself for examination by the Aerie Physician and be subject to such action by the Aerie as a new member would be under such medical examination and election. Should any candidate for reinstatement reside outside of the jurisdiction of the Aerie to which he formerly belonged he must present his application to the Aerie nearest his residence, together with the fee required by the Laws of the Order, and accompany the same with the required medical examination, and it shall be the duty of said Aerie to refer the same to an investigating committee who shall report at the next meeting of said Aerie, and it shall be the duty of the Secretary to forward the application together with the fee and the report of said committee to the Aerie wherein the candidate desires reinstatement and they shall proceed to elect or reject the applicant.

Sec. 4. All applicants for membership must make application on the regular form provided by the Laws of the Order, which must be presented at a regular meeting of the Aerie and be referred to a committee of investigation and to the Aerie Physician who shall make their report at the next meeting or as soon thereafter as practicable. If the report of the Aerie Physician and Investigating Committee is favorable, the applicant shall be voted upon, and if elected, the Aerie, if it so desire, may proceed with the initiation of the candidate. No applicant for membership shall be initiated at the meeting wherein he makes application, but one week must intervene between the date of receiving the application and the report by the Investigating Committee.

Sec. 5. No applicant shall be admitted under an assumed or stage name. Upon discovery he shall be subject to the penalty of expulsion.

Sec. 6. Any person, having passed his fiftieth birthday at the time of making application for initiation or for admission by withdrawal card may be admitted as a non-beneficial member, but such member shall not be entitled to sick or funeral benefits and he shall only be entitled to the services of the Aerie Physician as provided for all other members. In making his application he must be required to pass the same medical examination required of all other members and to sign the waiver of benefits provided for such members in the application blank. He shall be required to pay the same dues and initiation fee and shall be entitled to the same rights and privileges as other members, except sick and funeral benefits as herein provided.

Sec. 7. All applications for membership, without exception, must be referred to a Committee of Investigation for approval or rejection, and no applicant can be considered until the application has been favorably passed upon by the Aerie Physician.

Sec. 8. An application for membership cannot be withdrawn after the same has been referred to the Committee of Investigation, except by a two-third vote of the members present.

Sec. 9. Every applicant for admission to the Order shall immediately be notified of his election to membership by the Secretary either by letter or postal card to his address as given on application, and shall present himself for admission within three months from the date of his election, and upon failing to do so shall again be examined by the Aerie Physician and pay an additional examination fee of a like amount as paid by him for his first examination. And provided, further, if an applicant fails to present himself for initiation within one year after election, all fees paid must be forfeited to the Aerie.

Sec. 10. Any candidate for membership being unfavorably reported upon by the Investigating Committee or by the Aerie Physician shall be declared rejected without proceeding to ballot, and cannot be proposed again for a period of six (6) months.

Sec. 11. Any candidate for membership balloted for and receiving three (3) black balls shall be declared rejected and cannot be proposed again within a period of six (6) months. Provided, however, that the Worthy President may, if in his judgment the interests of the Order demand, award to such candidate a second ballot, the same to take place immediately thereafter, and before any other business has intervened

Sec. 12. Any applicant who has been rejected for any cause cannot be accepted in any other Aerie except the one to which he first made application, unless such Aerie gives consent for the same upon proper request. A former member of any Aerie who has been dropped for non-payment of dues or expelled cannot join any other Aerie except that to which he formerly belonged.

Sec. 13. No applicant for membership will be considered under any circumstances if the applicant has not resided within the jurisdiction of the Aerie applied to for a period of six (6) months next preceding the date of his application; such jurisdiction shall extend to an equal distance between it and the nearest adjoining Aerie in any direction, irrespective of county or state lines. By the nearest adjoining Aerie is meant the Aerie which is reached by the shortest traveled route, taking the usual route employed in reaching such Aerie. But in no case shall these provisions be construed to permit a resident of any city, town or village, in which an Aerie is already located, making application to any Aerie located in any other city, town or village. Should any dispute arise between two or more Aeries relative to the dividing line, each Aerie shall select one of its members as an arbiter and the two shall select a third member of the Order to act with them and their decision shall be final. Should any Aerie initiate any candidate from a territory in dispute and the decision of the arbiters be adverse to the Aerie that initiated him, they shall be required to refund the initiation fees collected from such candidate to the Aerie within whose jurisdiction he resides, retaining him upon their own membership rolls. Provided, that when any Aerie is unable to procure an Aerie Physician who has resided six (6) months within its jurisdiction, it shall have the power to initiate one reputable physician who shall have agreed to serve as Aerie Physician regardless of the extent of his residence within such jurisdiction.

Sec. 14. Any Aerie which, wilfully or through neglect of reasonable precautions, receives any applicant into membership in violation of the provisions of the foregoing sections as to residence, shall, for the first offense,

proven to the satisfaction of the Grand Worthy President, be fined the sum of fifty dollars, and for a commission of a second such offense, the charter of such Aerie may be revoked.

Sec. 15. Every candidate immediately upon becoming a member and as a consideration thereof shall sign the roll book which shall contain the Constitution and Laws of the Order, followed by a promise that he agrees to observe, abide by and obey all the laws, rules and regulations of the Aerie and of the Order and all amendments that may hereafter be enacted by the Aerie or by the Grand Aerie. This roll book shall be kept by the Secretary, who shall apprise the new member when requesting him to sign the same of what he is so signing and promising.

ARTICLE XXI.

FEES

Section 1. A charter member of a new Aerie shall be required to pay not less than five (5) dollars as a membership fee for initiation and the charter shall close on the night of institution. Thereafter the fee for initiation shall be not less than $6.00 until the Aerie has attained a membership of one hundred (100). Thereafter not less than $7.00 until it shall have attained a membership of two hundred (200), and thereafter, the fee for initiation shall be not less than $10.00. Provided, that Subordinate Aeries are hereby granted the power to provide by resolution for higher fees and may graduate such fees according to the age of the applicant. Provided, further, that no dispensation can be obtained under any circumstances to admit members at a less fee than herein provided. In no event shall the fee exceed the sum of $50.00.

Sec. 2. The fee for deposit of withdrawal or transfer card shall not be less than two dollars ($2.00).

Sec. 3. The list of members to whom a charter is granted shall close upon the date an Aerie is instituted, but applicants who have signed the petition for charter and paid their initiation fee, who were elected before institution, may be initiated at the original charter initiation fee within thirty days after institution.

Sec. 4. Any member of an Aerie who has allowed himself to be dropped for non-payment of dues, fines or assessments, may be reinstated upon proper application and election and upon the payment of such sum as may be fixed by the Aerie, but in no case shall this amount be less than ten dollars ($10.00) and this sum shall not include any advance dues of a reinstated member, which he must pay in addition to the reinstatement fee.

Sec. 5. Any Subordinate Aerie may issue a life membership official receipt to any of its members upon payment of such life membership fee as the Aerie may provide. This fee shall in no case be less than $100.00 and the same must be paid into the General Fund of the Aerie. A member holding such receipt shall be entitled to membership in the Aerie issuing the same for him, but would not be entitled to such life membership in any other Aerie should he transfer thereto. Provided further, that a member holding a life membership receipt shall be required to pay the same constitutional fines and assessments as other members. Under no circumstances can a life membership receipt be donated to any member of an Aerie without the sum of not less than $100.00 has been paid into the General Fund.

ARTICLE XXII.

DUES

Section 1. The dues shall be such amount as may be fixed by the Subordinate Aerie, but not less than seventy-five cents per month, and shall be paid in advance at or before the first meeting held in each and every month. Any member whose dues remain unpaid for three months shall at the first meeting of the succeeding month be dropped from the roll of membership.

Sec. 2. All receipts shall be dated from the first of the month. Any member initiated on or before the 15th day of the month shall pay dues for the entire month and any member initiated after that date shall pay one month's dues, which shall credit him to the end of the succeeding month. All members are subject to assessments and fines commencing from the date of their initiation.

Sec. 3. Any member whose dues are not paid in advance shall not be permitted to hold or remain in office or to receive any sick or funeral benefits or the services of the Aerie Physician, nor shall he be entitled to receive the current term pass-word.

Sec. 4. Any member who for thirty (30) days owes an indebtedness in any amount for constitutional fines or assessments shall be subject to all the disabilities and denied all the privileges as set forth in the preceding section and be in all respects treated as members in arrears for dues.

Sec. 5. As soon as a member shall owe a sum equal to three months' dues, it shall be the duty of the Secretary to report his name to the Aerie, and if the same is not paid within one month, he shall, at the next succeeding meeting, be considered delinquent and his name may be dropped from the rolls without further notice or action by the Aerie, and the Secretary shall announce the names of all members so dropped.

Sec. 6. All members must notify the Secretary of their change of residence at once, and proper notice shall be deemed the last address furnished to the Secretary by the members.

Sec. 7. Assessments and fines affecting a member's standing shall be only those specifically provided for in this Constitution.

ARTICLE XXIII.

FUNDS

Section 1. The funds of an Aerie shall be divided as follows: General Fund, Social Fund, and Emergency Fund.

Sec. 2. The General Fund: The General Fund shall consist of

1.—Receipts from initiations and card fees.

2.—Dues (except as hereinafter provided).

3.—Fines and assessments as provided by the Constitution and by-laws.

4.—Rents and invested funds.

5.—Donations made directly to the Aerie.

6.—Such other funds as the Aerie may appropriate for this purpose.

This fund shall be kept exclusively for the payment of sick and funeral benefits, per capita tax, salaries of officers and Aerie Physician and other running expenses of the Aerie. When annual dues do not exceed nine dollars ($9.00) the maximum amount to be paid for salary of officers (other than Aerie Physician and the expenses of a representative to the Grand Aerie) and running expenses of the Aerie shall not exceed three dollars ($3.00), but when dues exceed nine dollars ($9.00) per annum, said sum may be increased in proportion to the increase of annual dues. Nothing herein contained shall prevent an Aerie from investing portions of this fund in real estate or well-secured collaterals, the building and furnishing of a hall or Aerie home in which the title shall be vested in the name of the Aerie but not in any stock company or any certificate plan. No Aerie shall be allowed to invest any sum in real estate or assume any liability for periodical payments on real estate if the same shall prevent the Aerie from retaining a per capita of five dollars ($5.00) in the General Fund. This provision shall not be construed to impair the right of a Subordinate Aerie to meet existing obligations.

Sec. 3. The Social Fund. The Social Fund shall consist of receipts from social sessions and all receipts from fines not provided for in the Constitution, and such sums as may be designated by the Aerie from the receipts from picnics or entertainments. It shall also consist of the receipts of the buffet, if the Aerie has one. This fund can be used for any purpose authorized by the Aerie. An Aerie may at any time transfer any sum it may designate from the Social Fund to the General Fund, but under no circumstances can it transfer any money from the General Fund to the Social Fund. When the annual dues of an Aerie exceed nine dollars ($9.00), they may by proper enactment of a local by-law set aside such sum over and above nine dollars ($9.00) as the Aerie may designate, to the Social Fund.

Sec. 4. The Emergency Fund. An Aerie may adopt a by-law provision increasing their dues above the minimum of seventy-five (75) cents provided by the Constitution and if they so desire can set aside such increased amount, or any part thereof, to be known as an Emergency Fund, out of which they may pay for the maintenance of hospitals, purchase of cemetery plots, or the payment of such relief not provided for by the Constitution which the Aerie may by vote designate; donations of any kind and all kinds shall be paid into the Emergency Fund, unless the donor may have especially designated in which fund his donation shall be placed or to what specific purpose it shall be applied. They may also provide for a band or floral tribute upon the decease of a brother, in such manner as the Aerie may, by resolution, equally regulate. This fund may also be used for such temporary relief of brothers in distress as the Aerie may decide. But it shall not be used for any kind of expense outside of such as would serve as relief in the case of a brother in distress or in connection therewith. Any surplus money in this fund may be invested in interest-bearing securities, or may be transferred to the General Fund, but it shall be unlawful to transfer any such surplus to the Social Fund.

ARTICLE XXIV.

BENEFITS

Section 1. Every Aerie shall adopt by-laws regulating the amount of sick and funeral benefits that shall be paid to their members when entitled to the same, provided that the amount paid as benefits shall not be less than twenty-five cents per day, other than for the first week and for not more than thirteen weeks, and funeral benefits not less than twenty-five dollars; and provided, further, that no member shall be entitled to benefits until six months

after his initiation—but should he be taken sick before he has been a member six months and his sickness continue beyond that period, benefits will commence to be due and payable to him at the expiration of the six months from the date of his admission if he is entitled to the same. Provided, further, that whenever an Aerie has adopted such by-laws regulating the amount of sick and funeral benefits that shall be paid to a member, thereafter this amount cannot be changed until a resolution providing for such change has been presented to the Aerie for two consecutive meetings, of which all members shall be notified, and adopted by a majority vote of the members present, and approved by the Grand Worthy President.

Sec. 2. Every brother in good standing and otherwise qualified by the Constitution and Laws of the Order, who has been a member for six months, and who is not suspended for cause or disqualified on account of arrearages or by reason of having waived the right to any benefits, who shall by sickness, accident, or injury to his person, be rendered incapable of following his usual occupation or some other occupation whereby he may obtain a livelihood, and provided such sickness or disability shall not have been occasioned by intemperance, opiates or any immoral conduct—shall be entitled to receive from the funds of his Aerie such sick benefits as may be fixed by the Aerie, and he shall also be entitled to the attendance of the Aerie Physician for himself and his family as provided by the laws of the Order, if the Aerie has provided for one. But no member who is taken sick while in arrears can, by paying his arrearage, become entitled to benefits during such sickness. And further provided, that a member who has been in arrears shall not be entitled to benefits of any kind for a period of twenty days after paying his arrearage.

Sec. 3. No sick benefit shall be paid for a sickness of less duration than seven consecutive days, the time to be calculated from the date of notice thereof to either the Worthy President or Secretary, And no Aerie shall be required to pay benefits for more than thirteen weeks in all for any one continued sickness or disability.

Sec. 4. No member shall be entitled to sick benefits when able to attend or superintend his business or to follow his usual occupation, or some other business or employment. Before sick benefits shall be paid, the Aerie Physician shall file a certificate with the Aerie certifying to the nature and duration of the brother's sickness, and if the Aerie Physician is not attending him during his sickness, or if the Aerie has no physician, then the brother shall file with the Aerie a certificate from the physician who is attending him. Such certificate shall be kept on file by the Secretary along with his other bills of expense as an evidence when warrants are ordered drawn for the same.

Sec. 5. Notice received by registered letter shall be filed with the Secretary and kept as a matter of record. If notice is given by proxy the Secretary shall note the name of the person giving such notice and the date of same.

Sec. 6. The Aerie shall pay or cause to be paid all sick benefits herein provided on the day following the regular meeting of the Aerie, except in case of emergency, when the Worthy President shall afford such immediate relief as may be necessary.

Sec. 7. No member shall be entitled to the services of Aerie Physician for any sickness or injury which shall have been caused or brought about by the use of intoxicating liquors, or opiates, or by any immoral conduct. The Aerie Physician shall not be required to attend the wife or member of a brother's family for any chronic ailment that existed at the time of such member's initiation into the Order.

Sec. 8. When a member entitled to benefits is taken sick at a point remote from his Aerie, in order to receive benefits he must notify the Worthy President or Secretary of the Aerie where he may be and it shall be the duty of the Secretary of said Aerie to notify the Aerie to which the member belongs under seal. Upon presenting a claim for benefits thereafter the same shall be accompanied by a certificate of the Aerie Physician or his attending physician. If there be no Aerie near to him, then he must notify the Worthy President or Secretary of his home Aerie of his sickness by registered mail and his claim for benefits must be vouched for by some reputable physician or a notary public or some other officer authorized to administer oaths. These certificates must describe the reason for claiming benefits, the date upon which said sickness commenced, cause, duration, and nature of same, and if not under the seal of an Aerie, such statements must be made in the shape of an affidavit to be accompanied by the affidavit of the applicant for benefits.

Sec. 9. Any member claiming sick benefits, whenever the Aerie requests it, shall submit to a medical examination by a physician or physicians selected by the Aerie, the expense of which shall be paid by the Aerie. If he fails to comply with this request of the Aerie he shall not be entitled to any sick benefits or visits from the Aerie Physician.

Sec. 10. Any member in good standing and entitled to benefits if taken sick can not become in arrears during such sickness and it shall be the duty of the Secretary to deduct from time to time from the sick benefits due to such member a sufficient amount to keep him in good standing.

Sec. 11. Every person admitted as a non-beneficial member shall be entitled to the services of the Aerie Physician, to vote and hold office, and to all rights, privileges and advantages of membership the same as other members, except sick and funeral benefits. He shall pay the same dues and be subject to the same penalties as other members, but no benefits or pecuniary relief shall be allowed to any non-beneficial member from the General Fund.

Sec. 12. In the event of sick relief being granted by an Aerie to a member of a foreign Aerie, such relief shall be a charge upon the Aerie to which the member belongs, and shall be forwarded without delay to the Aerie expending the relief as soon as practicable, after notice being served upon such Aerie. "It shall be the duty of such foreign Aeries to keep the home Aerie of said sick member advised by weekly reports of the physical condition of said member, and the amount shown by voucher to have been paid to said sick member."

Sec. 13. Whenever one Aerie pays sick benefits or funeral expenses to or for a member of another Aerie upon proper request and authorization from the member's own Aerie, such last-mentioned Aerie shall, within thirty days after receipt of vouchers showing such expenditures, remit the amount so advanced to the Aerie advancing the same. And if any Aerie after such receipt of vouchers shall neglect or refuse to remit the amount due, then it shall be the duty of the Grand Worthy President upon being apprised of such failure, to notify the defaulting Aerie to make such payment forthwith, and if such defaulting Aerie shall thereafter continue in default in such payment, then it shall be in the power of the Grand Worthy President to suspend or revoke the charter of any Aerie neglecting or refusing to make such payment.

Sec. 14. It shall be illegal for any Aerie to advance, loan or donate any sum of money from the General Fund to any of the members or any member of the Order. If the Aerie has any funds in its Social or Emergency Fund and any brother in distress should apply to them for assistance they may

advance him a loan from either of these funds after the same has been duly authorized by his Aerie and the Aerie to which the brother belongs shall immediately refund the same to the Aerie advancing it. An Aerie advancing any sum of money to a brother in distress shall indorse on the back of the official receipt the fact that they have so advanced it, and the amount, giving the name of the Aerie and signed by the Secretary, and the same shall be noted on each new receipt issued to him until the amount has been refunded, and no Aerie shall advance any sum of money to a member holding a receipt with such indorsement. And provided, further, whenever an Aerie has advanced any sum of money in such manner to any brother, the amount shall be charged to such brother and if not paid by him within ninety days, unless the time be extended upon satisfactory explanation, he shall be suspended from all rights and privileges of the Order until the same is paid. No Aerie shall have any legal claim against the Aerie to which the brother belongs unless they were first authorized by his Aerie to render him assistance. Should they do so without such authority being given, their only recourse for collection is with the brother himself.

ARTICLE XXV.

FUNERAL BENEFITS

Section 1. Upon the death of a member in good standing and entitled to benefits, it shall be the duty of the Worthy President to make preparation for the funeral as soon as possible after the death has been made known, unless otherwise requested by the relatives of the deceased, and the Secretary shall summon all the members of the Aerie to attend the funeral. The Worthy President shall appoint members to act as pallbearers at such funeral unless otherwise requested and it shall be the duty of the Worthy President and the Aerie to uphold the dignity of the Order by respectfully co-operating with any other Fraternal or Civic organization of which the brother may have been a member.

Sec. 2. If the funeral is held under the auspices of the relatives of the deceased member, then the Worthy President shall appoint six (6) members who shall act as pallbearers at such funeral if so desired.

Sec. 3. Upon the death of a member who for the previous twenty (20) days had been in good standing and entitled to benefits, the Aerie shall pay from its General Fund such funeral benefits as may be provided in its by-laws. This amount shall be applied toward defraying the expenses of the funeral, if the Aerie has charge of the same. If the funeral is not conducted under the auspices of the Aerie, this funeral benefit shall be paid to the widow; or, if there be no widow, then to the orphans; if there be no orphans, then to the parents; if there be no widow, orphans, or parents, then to those actually dependent upon the deceased, and if he had no one dependent upon him, then the sum shall revert to the Aerie. In case of dispute as to whom the benefits shall belong, the Worthy President shall decide the controversy, and his decision shall be binding upon all parties.

Sec. 4. Upon the death of a member in good standing and entitled to benefits, should there be less than two hundred dollars ($200) in the General Fund, there may be assessed upon each member other than non-beneficial members a sum sufficient to pay the accrued benefits and said assessment shall then at once become due and payable. It shall be the duty of the Secretary to immediately notify every member so liable upon the levying of such assessment.

Sec. 5. Members of the Aerie may name the person or persons to whom funeral benefits shall be paid. The Secretary shall keep a list of such beneficiaries and the funeral benefits shall be paid by the Treasurer after receiving the customary order therefor, to the beneficiary or beneficiaries so recorded and take their receipt in duplicate, which receipt shall be, and shall be so written as to be, a release in full and payment of all claims against the Aerie and against the Order; provided, however, that if the Aerie has assumed the responsibility for the expenses of the funeral this amount shall be applied in settlement thereof.

ARTICLE XXVI.

THE OFFICIAL RECEIPT

Section 1. The Secretary shall acknowledge and receipt for all dues, fines and assessments paid by a member, and for all initiation fees or part thereof paid by an applicant although he may not have been initiated or admitted to full membership, and for such purpose shall use the official receipt of the Order; such receipt showing that the brother's dues are paid to a later date than that upon which it is presented shall serve as a traveling card and be sufficient authority without other order for the Worthy President of any Aerie to communicate the semi-annual pass-word to the brother, after due examination and proof of his identify. Nothing herein shall be construed to prevent a Worthy President from giving the semi-annual pass-word to any member of his own Aerie in good standing and not owing a sum equal to one month's dues. Any Aerie not providing for an Aerie Physician for visiting members shall endorse on the back of its receipt: "The Aerie does not furnish an Aerie Physician for visiting members."

Sec. 2. It shall be unlawful for the Secretary of any Subordinate Aerie to issue a receipt otherwise than in consecutive numerical order, except by order of the Subordinate Aerie, and then, only on good cause shown.

Sec. 3. The figures showing the date of expiration of such receipt shall be protected by a device, furnished therefor by the Grand Secretary; such device to be designated by the Board of Grand Trustees and paid for by the Subordinate Aerie.

Sec. 4. Should a receipt become mutilated or unfit for issuance, it shall be preserved by the Secretary and submitted by him to the Auditing Committee, together with the stub from which it was detached. The Secretary shall make an entry on the line bearing the corresponding number, stating that this receipt has not been issued, together with the reasons therefor. As soon as all the receipts in a book have been issued, the book of stubs with such receipts as are mutilated or unfit for issuance as aforesaid, shall be filed by the Secretary with the Trustees, one of whom shall endorse thereon the date the same is filed. Such used books of stubs shall be retained by the Trustees until they are demanded by the Auditing Committee for audit, and afterwards shall be destroyed or sufficiently marked to avoid confusion during subsequent audits.

ARTICLE XXVII.

CARDS

Section 1. There shall be two forms of cards, namely: Transfer cards and Withdrawal cards.

TRANSFER CARDS—HOW GRANTED

Sec. 2. (a) Any member in good standing for a period of six months, or any member who has been affiliated with a Subordinate Aerie for a period of six months and is in good standing, immediately preceding the date of his application, wishing to transfer his membership to another Aerie, shall apply personally or otherwise in open meeting for a transfer card. He shall pay all fines, assessments and other charges against him on the books of the Aerie, and dues for such time as said card may be issued, and fifty (50) cents for the card when the same shall be granted. The Aerie issuing this card shall be liable for all sick and funeral benefits to which the member may be entitled until four months after date on which his transfer card was issued. The brother must state at the time of application for transfer card what city, village or town, and in what State the Aerie is located to which he wishes to be transferred. A brother who is eligible for a transfer card may receive permission to transfer to an Aerie which is not the nearest adjacent Aerie to his home if he so desires. His dues will commence in the Aerie to which he is transferred from the date he is elected to membership, and the responsibility of this Aerie for the payment of sick and funeral benefits will not commence until four months from the date the transfer card was issued.

(b) No transfer card shall be granted for a longer period than ninety (90) days, and no transfer card shall be granted when charges are pending against a member.

(c) Any member holding a transfer card without depositing it in another Aerie within ninety (90) days from date of its issue, shall remain a member of the Aerie granting the card, and shall notify the Secretary of his address at least once a month, and shall forward his dues as required by law, and should he at a later date wish to be transferred, he shall make application again in the manner so stated in the above section, and shall pay fifty cents for a new transfer card.

(d) Should a transfer card be granted, the Aerie may, for proper cause recall or annul the same.

Sec. 3. A member of the Order wishing to transfer his membership from one Aerie to another must conform to the following regulations:

(a) He shall make application in writing and present his transfer card accompanied by the medical examination report of the Aerie Physician of the Aerie to which he applies for membership, on the blank form provided by the Grand Aerie. If the Aerie is satisfied as to the correctness of the card the application shall be referred to the Investigating Committee, said committee shall report at the next stated meeting of the Aerie thereafter as to the character and fitness of the applicant for membership, and should the brother be elected a member, his dues will commence in said Aerie from the date of his election, and the Aerie Physician of said Aerie will render the same service to the brother as he would to any other regularly elected brother, and the Aerie to which he has been elected a member will be responsible for all sick or funeral benefits that may occur after four months from the date his transfer card was issued.

(b) Should he be elected it shall be the duty of the Secretary to notify the Aerie issuing the transfer card of his election.

WITHDRAWAL CARD

Sec. 4. Any member in good standing in the Aerie may make application in person or by letter to the Aerie at a regular meeting for a withdrawal card, which shall be granted. Such card shall entitle the holder to the S. A. P. W. and to visit any Aerie until the end of the semi-annual term

in which it was granted. Should such member at any future date desire to join any Aerie, said withdrawal shall be attached to and become part of his application for affiliation and the same procedure shall be taken as in the admission of a member by transfer card. A withdrawal card severs the member's connection with the Order, and should he again affiliate, he will not be entitled to benefits until six months after he has deposited his withdrawal card and been elected to membership.

GRAND AERIE CARD

Sec. 5. Any member of a Subordinate Aerie, the charter of which has been surrendered or revoked, who was in good standing and without fault at the time of such surrender or revocation, desiring to affiliate with any other Aerie, shall make application to the Grand Secretary for a card certifying to his membership and standing in the defunct Aerie. He shall accompany such application with his last official receipt and satisfactory proof of his identity. He shall accompany such application with the payment of $1.00 for the issuance of such card. Upon receipt the Grand Secretary shall issue a card which may be deposited with the Aerie with which he desires to affiliate, and such card shall be acted upon in the manner provided by law for the deposit of transfer cards in Subordinate Aeries. Said card, however, shall give to the holder thereof no right or claim or privilege whatsoever except to apply to a Subordinate Aerie for membership therein.

FEES FOR CARDS

Sec. 6. The fee for granting a transfer card shall be fifty cents. The fee for granting a withdrawal card shall be one dollar.

ARTICLE XXVIII.

FINES AND PENALTIES

Section 1. Any officer who absents himself from any regular meeting, unless he be absent from the city or sick, shall be fined fifty (50) cents for such absence, and any officer except the Junior Past Worthy President absenting himself from four consecutive meetings without excuse, his office shall be declared vacant except as hereinbefore provided. If the Worthy President be absent from the city for four consecutive meetings he shall, unless excused by vote of the Aerie, be considered as having vacated his chair, and the Worthy Vice-President shall succeed to it, the Aerie proceeding to elect another Worthy Vice-President. If the Junior Past Worthy President fails to attend he shall be fined the same as other officers, and the Worthy President may appoint some brother from the floor at each meeting to temporarily fill the vacancy caused by his absence.

Sec. 2. It is within the discretion of the Worthy President to impose fines upon members for cause, but no fine, either of an officer or member, shall exceed fifty cents, except as hereinafter provided. In case of continued disorderly behavior on the part of any member, at a meeting of the Aerie, the Worthy President shall have the power to order the summary ejectment of the offender from the meeting place, and to enforce such order may call upon the Worthy Conductor and members for such assistance as may be necessary.

Sec. 3. Any member who shall knowingly propose an unworthy candidate, or who shall be guilty of wilfully deceiving any member of the Order, or feigning sickness with a view to abuse the benevolent purposes of the Order, or who shall divulge, except to a member in good standing in the Order,

any proceedings of this or any other Aerie, or who shall divulge the name of any member who opposed the admission of a candidate, or who shall otherwise violate his obligations, shall be fined, reprimanded, suspended or expelled.

Sec. 4. If the Secretary fails to have his books present and properly written up at any meeting, he may be fined two dollars and fifty cents unless excused by the Aerie. Should the Secretary receive any official communications or circulars from the Grand Aerie or its officers and neglect or fail to present the same to the Aerie at the next meeting, he may be fined five dollars ($5.00).

Sec. 5. If the Worthy Conductor at any meeting fails to have any of the property, paraphernalia and other Aerie effects ready and in order when required, he may be fined fifty cents.

Sec. 6. A person who, with intent to deceive, in joining an Aerie, makes any false statement as to his name or his residence, or is guilty of any false pretense whatever, shall have charges preferred against him and upon conviction shall be expelled from the Order, and any member having knowledge of the making of any such false statements or pretenses must under like penalty prefer charges against the offending party to the Aerie deceived by such statements or pretenses.

ARTICLE XXIX.

ILLEGAL ACTS

Section 1. Any member of the Order who shall use the initials, mottoes or any of the ritualistic work of the Order, either for business advertisement or otherwise, shall, upon conviction thereof, be fined, reprimanded or expelled from the Order, as may be decided by a vote of the Subordinate Aerie to which such member belongs.

Sec. 2. It shall be unlawful for any Aerie to arrange for or hold any pugilistic contest, or enter into a contract with any professional or amateur pugilist for the purpose of holding such contest, or to allow or permit any such contest to be held at any place under the name and auspices of the Aerie or Order; or to enter into any contract with any person, corporation or body of men for the holding of any street fair, carnival, or show in which there shall be any interest or out of which there shall be any bonus, profit, or emolument to any person, corporation or body of men other than such Aerie. An Aerie has the right to give bazaars, festivals, entertainments of any nature, but the Aerie must have the entire management of the same and control the finances thereof, and it will be illegal to allow any person not a member of the Aerie to solicit subscriptions from citizens or others toward such enterprise, or to in any way or manner advertise such shows, carnivals, etc., under the name of the Order or use its initials or mottoes therein.

Sec. 3. It shall be illegal for the Grand Aerie or any Subordinate Aerie to appropriate any of its funds for the support or maintenance of any drill corps, marching club, drum corps, or band, or in any way become responsible for any of its debts or obligations, and no picnic, ball, excursion or other, entertainment shall be given by any such drill corps, marching club, band or any other organization composed of Eagles, without first having obtained the approval of the Subordinate Aerie to which they belong, given at a regular meeting by a three-fourths vote of the members present at such meeting, and provided further, that notice shall have been given at the meeting next preceding the one at which it is to be voted upon.

Sec. 4. It shall be illegal for any Aerie or any member of the Order to solicit contributions of any nature from any other Aerie by sending out letters appealing for financial aid or assistance for any purpose whatever, or by sending out tickets for raffles, lotteries or entertainments, to be sold to the different Aeries or members thereof; provided, however, that where any Aerie has been visited by flood, pestilence, or general calamity, the Aerie may apply to the Grand Worthy President for a special dispensation allowing them to call upon the different Aeries for aid, and in making such appeal they shall fully set forth the reasons and necessities for such special dispensation and a copy of the Grand Worthy President's endorsement shall accompany the letter of appeal.

Sec. 5. No social room or buffet shall hereafter be opened by a Subordinate Aerie, until notice of the intention to do so has been sent to the Grand Worthy President, and such information as he may require has been furnished him so that he may before permitting the opening of such social rooms or buffet, be satisfied that no violation of law is thereby attempted.

Sec. 6. Subordinate Aeries operating social rooms or buffets for the pleasure of their members are strictly prohibited from employing as regular attaches thereof any but members to perform services therein, except for the performance of menial labor, where no member of the Order can be obtained to do such work, and if at any time the Grand Worthy President deems the continuance of such social rooms or buffet to be to the detriment of the Order, or where any gambling is permitted by slot machines or other devices, or in any form, in connection with the operation of such buffet, he may order the discontinuance of such buffet or social rooms.

Sec. 7. It shall be illegal for any Aerie to keep open any rooms used for social or buffet purposes during a regular or special meeting of the Aerie; on receipt of satisfactory evidence of a violation of this provision the Grand Worthy President shall impose a fine of not less than twenty-five dollars for each and every offense and shall require the payment of such fine so imposed to be transmitted to the Grand Secretary within thirty days after the Grand Worthy President shall have ordered such fine.

ARTICLE XXX.

PENALTIES FOR IMPROPER CONDUCT

Section 1. A member making use of improper means to obtain benefits shall, upon conviction thereof, be fined not less than $5.00, suspended for a period of time, or expelled, as the Aerie may determine.

Sec. 2. Should any officer or member appropriate any of the funds or effects of the Aerie to his own use, contrary to the Constitution and Laws of the Order, he shall, upon conviction thereof, be fined not less than $5.00, suspended for a period of time, or expelled from the Order.

Sec. 3. Any member who shall conduct himself in a manner unbecoming an Eagle or calculated to disturb the harmony or impair the good name or prosperity of the Order or of the Aerie, or of its members, either in the Aerie or elsewhere, shall, upon conviction, be fined not less than $5.00, suspended for a period of time, or be expelled from the Order.

Sec. 4. Any member of the Order who shall be convicted of a public offense in any court of competent jurisdiction, and upon the production of a certified copy of the records of final judgment in such case, shall be placed

in a position where he may be expelled by an affirmative action of the Aerie without recourse to trial as provided by Article 31, Constitution for Subordinate Aeries.

Sec. 5. Any member who shall divulge to an applicant for membership the name of a brother who reported unfavorably upon such application or otherwise opposed said applicant becoming a member of an Aerie, or in any way or manner publicly criticise or condemn the action of the Aerie for rejecting an applicant, shall, upon conviction thereof, be fined not less than $5.00, suspended or expelled.

Sec. 6. A member who shall reveal any of the secrets of the Order shall, upon conviction thereof, be expelled. All things appertaining to the Order, the mode of procedure to gain admission to an Aerie, its signs, pass-words, past or present, business transacted in an Aerie, etc., are secrets to be kept inviolable.

Sec. 7. Any officer or member who shall visit a saloon or bar-room while wearing the regalia of the Order shall, upon conviction thereof, be fined not less than $2.00, suspended for a period of time, or expelled from the Order.

ARTICLE XXXI.

TRIALS AND PENALTIES

Section 1. Whenever the Worthy President or any member believes, has knowledge or information that would lead him to understand, that another member of the Order has violated the Constitution, Ritual or General Laws of the Order, it shall be his duty to make complaint against such member in writing and present the same to the Worthy President, who shall report the same at the next meeting of the Aerie, withholding the name of the member making such complaint. The Worthy President shall immediately appoint a committee of three members, giving them the name of the complainant, and it shall be their duty to investigate such complaint, and if the committee find the complaint well grounded they shall proceed to file charges in writing against the accused, giving time, place and circumstances, and specifying the particular manner of offense with which he is charged, the name of the original complainant being withheld.

Sec. 2. The Worthy President shall, unless otherwise ordered by the Aerie, thereupon appoint a Trial Committee of five members of the Aerie, who shall fix the place and time for the trial, notify the accused under seal and furnish him with a copy of the charges and specifications, in person if possible; if not, by mailing to his last known address; and said Trial Committee shall summon witnesses under seal of the Aerie, and any member so summoned must appear and give testimony upon his honor as such, as may be required by said Trial Committee.

Said Trial Committee shall have the power to summon the Committee of Investigation and any member of the Order as witnesses, and they shall also summon all witnesses requested by the accused. Any person not a member of the Order may be requested to testify in such trial.

No testimony shall be taken without notice or opportunity of cross-examination by the accused, who shall have the right to be represented by a brother or by an attorney, who must be a member of the Order.

Sec. 3. Such committee shall as soon as practicable render their report in writing to the Aerie together with their verdict, which shall be either "guilty" or "not guilty," and they shall accompany the same with a synopsis of the testimony taken at such trial. They shall also give the accused at least twenty-four (24) hours' notice prior to the meeting of the Aerie at which they present their report that the same will be presented, thereby giving him an opportunity to interpose such objections either in writing, personally, or by representative, as he may elect, and upon the verdict of "guilty," if the same be proven, and the Aerie approve such verdict, it shall then proceed by a majority vote to impose the penalty provided in this Constitution. If the testimony of a non-resident witness is required, the Aerie has the right to have his deposition taken under oath. The name of any member expelled from any Aerie may be published in the journals of the Order, together with the circumstances in connection therewith, for the protection of the Order.

Sec. 4. If an accused member shall avoid receiving summons to appear before a trial committee as hereinbefore provided, or shall neglect or refuse to attend or be represented at the time therein fixed, the Aerie may proceed to expel him for contempt, provided that if such absence shall have been shown to have been caused by unavoidable circumstances satisfactory to the committee the accused shall be entitled to a rehearing, and any brother against whom charges are pending is entitled to all the rights and benefits of the Order until proven guilty.

Sec. 5. Should charges be preferred against a member in an Aerie other than that of his home, the Aerie of which the accused is a member shall be notified of the charges, but the trial shall be held by the Aerie in which the charges are preferred, and the proceedings shall be in all respects the same as if the accused were a member of the latter Aerie. The trial Aerie shall immediately upon rendition forward to the home Aerie of the accused a copy of the verdict of the Trial Committee, together with a complete synopsis of the testimony and proof had in the case. If the Trial Committee finds the accused "guilty," it shall thereupon fix the penalty, and if the Aerie of which the accused is a member concurs in the verdict, the penalty adjudged by the Trial Committee shall at once take effect. If the home Aerie does not concur in the verdict of the Trial Committee the whole proceeding, including the original papers and the testimony and proof had thereon, shall be forwarded to the Grand Secretary and referred to the Committee on Grievances and Appeals of the Grand Aerie for action.

Sec. 6. In case the Investigating Committee find that the original complaint made by the brother (whose name was withheld) was malicious or with intent to in any way injure the character or person of a member of the Order, they shall immediately prefer charges to the Aerie against such member. The same action shall be taken against any member connected with such trial who shall divulge in any way any of the proceedings or names of persons connected therewith.

Sec. 7. Should any difference arise between members of the Aerie calculated to disturb the harmony of the Aerie or its members or to impair the good name of the Order, either party with the consent of the other may request the Worthy President to appoint a committee of three disinterested members in the Aerie to act upon this difference and they must abide by the decision of the committee without further action or appeal.

Sec. 8. Any member who has been expelled from any Aerie can not again be accepted in a Subordinate Aerie except that from which he was expelled and only by them in the same manner as provided for an applicant for initiation.

Sec. 9. When, in the judgment of the Grand Worthy President, the affairs of an Aerie need investigation, he shall cause such investigation to be made, and upon such investigation having been made, if warranted, he shall file such charges against such Aerie, or any member thereof, as he may deem proper, and the Grand Worthy President shall, thereupon, forthwith, and from among the members of the Grand Aerie, appoint a Trial Committee of three, who shall conduct the trial of such charges in accordance with the requirements of law, and the decision of such Trial Committee shall be final, unless reversed by the Grand Aerie. In case of a finding of guilty, the penalty prescribed by such Trial Committee shall be enforced by the Subordinate Aerie, and it shall be discretionary with the Grand Worthy President to assess all costs incurred in such investigation against the Subordinate Aerie if at fault, and collect the same in the manner provided for in the case of other Constitutional fines. The provisions of this section shall in no way abridge any of the powers of the Grand Worthy President elsewhere conferred by the Laws of the Order.

Sec. 10. Whenever the membership in any Aerie shall fall below thirty members in good standing, or when the general fund of such Aerie, including its equities and properties, shall fall below five dollars ($5.00) per capita, or whenever the general fund, equities and properties of any Aerie, taken at a reasonable valuation, fall below five dollars ($5.00) per capita, it shall be the duty of the Grand Worthy President to give to said Aerie and its members immediate notice of such fact, fixing a time within which the requirements designated by the Grand Worthy President shall be complied with.

If said requirements are not complied with, said Aerie shall be deemed to have surrendered its charter, and the Grand Worthy President shall take such steps as he may deem necessary for the protection of the Grand Aerie and the individual members of such Subordinate Aerie in good standing. This enactment shall not affect Aeries until one year after institution.
